DATE: October 16, 2014

TO: Residents of the City of Milwaukee

SUBJECT: Public Information Meeting
Project I.D. 2060-11-00/70
South Howell Avenue (STH 38)
East Layton Avenue to East Howard Avenue
Milwaukee, WI

Dear Property Owner:

The City of Milwaukee Department of Public Works (DPW) is inviting you to attend a Public Information Meeting where information will be provided regarding the proposed paving improvements along South Howell Avenue (STH 38) from East Layton Avenue to East Howard Avenue. The project is tentatively scheduled for reconstruction in 2015.

The meeting will be held on Wednesday, November 5, 2014 at the Tippecanoe Library which is located at 3912 South Howell Avenue between 6:00 PM and 8:00 PM. The meeting will be in an "Open House" format and no formal presentation will be made. Representatives from the City of Milwaukee Department of Public Works will be available to answer questions.

The proposed improvement consists of removing the existing roadway and replacing it with concrete pavement. All curb and gutter and driveway will be replaced. The existing sidewalk will be replaced based on condition or grade differential. The roadway width will be widened from two 32-foot roadways separated by a 26-foot median, to two 36-foot roadways separated by an 18-foot median. This widening will accommodate a 5-foot striped bicycle lane in each direction.

If you would like additional information regarding the project, please contact Mr. Samuel Medhin of the DPW at (414) 286-0474 (office); (414) 286-3693 (fax); email: samuel.medhin@milwaukee.gov.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
