

City of
Milwaukee
Development Center

I, the owner or agent of the premises known as _____
where no public sewer is available or abutting the premises, am fully aware of the inconvenience that may be occasioned by the reason of installing a building drain in and about the premises before the main sewer is available, and therefore assume all responsibilities for the installation of such drain, and do hereby exonerate the City of Milwaukee and its departments, and its authorized inspectors, from all liabilities, by reason of their granting permission for the installation of such drain as aforesaid.
