MEDIA ADVISORY

Silver City Park to unveil new name, renovations on Monday, November 30

On **Monday, November 30**, at **11 a.m.**, area stakeholders and community members will come together for an official ribbon cutting at Silver City Park (formerly Arlington Heights Park). The event will take place at **3429 W. Pierce St.** and include remarks from **Alderperson JoCasta Zamarripa**, **Mayor Cavalier Johnson**, **VIA CDC Executive Director Joanna Bautch**, and representatives from AARP and the Department of Public Works.

Park improvements were funded through the AARP Community Challenge Grant. The project focused on improving accessibility and creating a more welcoming space for neighbors. Improvements include an accessible paved pathway connecting the park to the nearby commercial corridor, along with lighting, benches, landscaping, and signage.

On Tuesday, November 24, the Common Council adopted file #261064 – a resolution renaming "Arlington Heights Park" as **Silver City Park**. The file, sponsored by Alderperson Zamarripa, provides a permanent name for the park, which has become a hub for environmental education, conservation, and recreation for residents in the Silver City neighborhood.
