On Thursday, June 23rd, 2016 at approximatley 3:03am, at 9800 W. Glendale Ave, Wauwatosa, Wisconsin, a Wauwatosa Police Officer was conducting an after hour park check at Madison Park.

At the park, the officer observed the sole occupant sitting in the front driver seat of a black 2006 Nissan Altima. The officer approached the vehicle from the passenger side and attempted to make contact with the occupant of the vehicle. The officer observed that he subject appeared to be sleeping and upon waking him up, he observed that there was a handgun on the front passenger car seat next to the subject. The officer gave orders for the subject to keep his hands up. The subject then attempted to grab the handgun that was seated next to him. The Officer, fearing for his safety fired his duty handgun at the subject striking him multiple times. The subject was later pronounced deceased as a result of his injuries. OIS 8-2016.

This incident supplement was written by Forensic Investigator Lee F. VEDBRAATEN, assigned to Squad 1930, of the Forensics Division, late shift.

On Thursday, June 23rd, 2016, at approximately 5:19 A.M., I was dispatched to the scene of a fatal police involved shooting investigation. Upon my arrival at 9800 W. Glendale Ave., Wauwatosa, WI., I spoke with Detective Nicolas JOHNSON, assigned to Squad 9540, of the CIB, Late shift. Detective JOHNSON informed me of the circumstances and requested that I photograph & record the scene with a camcorder.

I took one hundred fifty-one digital photographs of the scene. The camcorder video was placed on several CD's and handed over to Detective JOHNSON.

This report is submitted by Detective Matthew GADZALINSKI, assigned to the Metropolitan Investigations Division, Homicide Unit. On 06-23-16, I was informed, and instructed by Lt. Joseph MCLIN to respond to the scene of an Officer Involved shooting which involved the Wawautosa Police Department. We were informed that the incident had taken place inside of Madison Park, 9800 W Glendale Ave. This incident would be labeled OIS 2016-8.

While headed to the scene of the incident, I was redirected by Lt. MCLIN to head to Froedtert Memorial Hospital, 9200 W Wisconsin Ave, to meet the victim who had been transported. That subject would later be identified as Jay L ANDERSON (B/M [redacted].

Upon arrival I met with members of the Wawautosa Fire Department. I was informed that all members who responded to the scene of this incident, came from Fire House #52.

MED # 52 Personnel:

Dispatch time - 3:08 am - "Assist PD," updated to subject with a GSW, and told to stage.
On Scene MED 52 - 3:15 am
Transport to Froedtert Memorial Hospital - 3:35 am
On Scene at Froedtert Memorial Hospital - 3:46 am

Lt. Brian O' DAY- I spoke with Lt. O' DAY at Froedtert, and he stated that the victim was never conscious during any treatment or conveyance. Lt. O' DAY stated that they arrived on scene and immediately attempted lifesaving measures, with treatment for multiple gun shot wounds to the head. They were able to regain a pulse on ANDERSON and conveyed to Froedtert. Lt. O' DAY stated shortly upon their arrival to the Trauma Room, ANDERSON was pronounced deceased. Lt. O' DAY never heard any verbal sounds or communication from ANDERSON. Lt. O' DAY stated he did not deliver any medications, only an I-V with fluid.

Firefighter / Paramedic David TIPPEL (Driver) - Was the initial driver on the rig, however assisted in medical care during the conveyance to the hospital. He was restocking the ambulance when I arrived, and I did not speak with him.

ENGINE # 52 Personnel:

Incident Report
MILWAUKEE POLICE DEPT

Supplement

Captain Scot FRIDRICK- Initially responded inside the Engine, however drove the MED rig for victim's conveyance. FRIDRICK stated ANDERSON was never conscious, and he never heard any verbal sounds or communication from ANDERSON.

Firefighter Christopher SCHULTZ - Responded with the Engine, and assisted inside the MED rig during victim's conveyance, stated ANDERSON was never conscious, and he never heard any verbal sounds or communication from ANDERSON.

MPO Pat QUINLEAVEN - Responded with the Engine, was not at the hospital.

I was met in the trauma room by **Police Officers Tyler LALLIER** (Squad 306, employee # 6700) & **Andrew FLORYANCE** (Squad 301, employee # 6568,) of the Wauwatosa Police Department, who had taken custody of property, and who were securing ANDERSON's body after he had been pronounced deceased. *SEE SEPARATE SUPPLEMENTS FOR THEIR STATEMENTS REGARDING THE INCIDENT.*

Admit Time - 03-46 am

Admit /Attending Physician - Dr. Jillian THEABOLT

Pronounce Deceased Time - 04:05 am

Pronouncing Physician - Dr. Jillian THEABOLT

Prior to ANDERSON's transport to the hospital morgue, I was met by Forensic Investigator James PETERSON (Squad 1921) in the trauma room for photographs. ANDERSON had already been placed in to a white body bag, which was zipped up. I was informed by P.O. LALLIER that medical staff had taken custody of property while ANDERSON was being treated. He informed me of the following:

Hospital Tech Dominique OWENS - took custody of ANDERSON's clothing and belongings, and placed in a series of bags.

RN Jennifer LIEBE - placed a paper bag over ANDERSON's right hand after pronouncement

RN Michael ROBINSON - placed a paper bag over ANDERSON's left hand after pronouncement.

I then contacted the Medical Examiners office at approximately 4:30am and spoke with Forensic Investigator Luke WARNKE, advising him of the incident. FI PETERSON then took overall photographs while still in the trauma room, and I opened the body bag for photographs of ANDERSON'S body. Through observation, and explanation from the medical staff, the following probable wounds were discovered:

- Gun shot wound to right cheek, to the right of the ear
- Gun shot wound through the right ear
- Gun shot wound to the top of the right trapezoid area, between base of neck and right shoulder
- Gun shot wound to the rear right of the skull

Dr. THEABOLT informed me that she thought she could feel a probable bullet lodged in the back of ANDERSON's neck, at the base of his skull. A quantity of blood and brain matter were observed, inside the bag, underneath ANDERSON's head.

I took custody of the following items, listed below. All items were conveyed from the scene with ANDERSON's person, and taken to Froedtert. Per P.O. LALLIER who accompanied ANDERSON, ANDERSON's clothing was first cut and shoes removed while inside of the MED rig, enroute to the hospital. P.O. FLORYANCE informed me that upon arrival to the hospital, he did a check of the MED Rig, which he had followed in his squad car. P.O. FLORYANCE recovered the following items from inside the MED Rig, then placed them in the bag which was turned over to me: Item # 1, Item #2, Item #3, & Item # 7:

Incident Report
MILWAUKEE POLICE DEPT

Supplement

The following items had been found co-mingled a brown paper bag, and or separated into a clear plastic bag, these items were all placed on MPD Inventory # 16-022217 :

Item #1 - Blue and White, Nike Air Jordan high top tennis shoe, Men's size 10 with white laces, right foot, with small amount of possible blood splatter on the inseam of the shoe.

Item # 2 - Blue and White, Nike Air Jordan high top tennis shoe, Men's size 10 with white laces, left foot, with small amount of possible blood splatter on the toe area of the shoe.

Item # 3 - Silver, rope style necklace, which was broken outside of the clasp, and had possible blood inside of some of the chain links- *Had been placed in a clear plastic bag.*

Item # 4 - Red and Black "Ralph Lauren" brand boxer shorts, with a deer style emblem, Size Small, which were cut by medical personnel, and had blood staining on them. *This item was blood soaked, and placed in the drying room under lock # 77941.*

Item #5 - Blue and White striped, "Ralph Lauren," brand, short sleeve polo, collar style shirt, size XL, which had an apparent bullet hole in the right shoulder area consistent with one of the victim's wounds. *This item was blood soaked, and placed in the drying room under lock # 77941.*

Item # 6 - (2) Black cotton ankle socks, one of which had holes in the toe area, consistent with common wear and tear.

Item #7 - "Levis" brand, tan/khaki pants, size 36x30, with a brown leather belt (silver buckle) that is looped through the belt loops. *This item was blood soaked, and placed in the drying room under lock # 77941 -*

Item #8 - Cousins sub shop, business style "Loyalty Card", which I recovered from the left rear pants pocket of item # 7. The card stated that it was only valid for use at the Cousins, at 11401 W Silver Spring Dr.

Item #9- Knotted clear sandwich bag, which was original container for the suspected green plant narcotics, which I recovered from the right front pants pocket of Item # 7. I conveyed this item to the Forensics Section for latent case, and possible DNA examination processing.

While examining Item #7, the pants recovered from ANDERSON, I located at knotted clear plastic sandwich bag in the right front pants pocket. That bag contained a green plant like substance I know to be consistent with marijuana. That bag was later conveyed to the Police Administration Building, I had the green plant like substance tested by Police Officer Todd BOHLEN (Squad 1148.) The substance was tested using the Nark II 05 field test, was positive for THC, and had a total weight of 2.43 grams. I placed the narcotics on MPD inventory # 16-022224, Item #1.

Handed over to me from P.O. LALLIER, was a specimen jar with the label of India Doe. Inside the trauma room, the hospital staff had placed the following U.S. Coins which were taken from ANDERSON's person: (2) U.S. Quarters and (1) U.S. Penny. The coins equaled .51 cents. I placed the coins, still inside of the jar, on MPD Inventory # 16-022227.

At 5:55am, P.O. LALLIER escorted ANDERSON's body to the hospital morgue. ANDERSON was locked inside by Hospital Tech Kevin Fedderly, awaiting transport from the Medical Examiner's office transport team.

This report is submitted by Detective Matthew GADZALINSKI, assigned to the Metropolitan Investigations Division, Homicide Unit. On 06-23-16, I was informed, and instructed by Lt. Joseph MCLIN to respond to the scene of an Officer Involved shooting which involved the Wawautosa Police Department. We were informed that the incident had taken place inside of Madison Park, 9800 W Glendale Ave. This incident would be labeled OIS 2016-8.

While headed to the scene of the incident, I was redirected by Lt. MCLIN to head to Froedtert Memorial Hospital, 9200 W Wisconsin Ave, to meet the victim who had been transported. That subject would later be identified as Jay L ANDERSON (B/M [redacted]. As a result of my part of the investigation, taking place at Froedtert Hospital, I conducted interviews of two officers who had responded to the scene of this shooting prior to their escort of the victim to the hospital.

The first officer I interviewed was Police Officer Tyler LALLIER (Employee # 6700, Squad #306,) who was appointed to the Wawautosa Police Department on 01-03-15. P.O. LALLIER stated that he works the late shift, with hours consisting of 11:00pm to 7:24am. During this night's shift, he was assigned Squad # 306, and was operating a fully marked squad, a Ford Taurus #P207, that was equipped with in-squad video. He was in full police uniform.

P.O. LALLIER stated that he was at the Wawautosa Police Department Station, 1700 N 116th St, when he heard a known voice come over the police radio. P.O. LALLIER stated that voice he recognized was that of Police Officer MENSAH, one of his co-workers, and P.O. MENSAH was calling for assistance. He stated that P.O. MENSAH went out with call for an occupied auto, in Madison Park, and so he started to respond to the park.

P.O. LALLIER stated he did not start responding red/blue lights until he heard P.O. MENSAH state over the air "Subject has a gun!" At this point he stated he responded with his squad car camera, lights, and siren activated. P.O. LALLIER stated that he hears two more separate communications from P.O. MENSAH after the subject with gun statement, those communications were: "SHOTS FIRED," and "SUBJECT DOWN!"

P.O. LALLIER felt that he arrived on scene to Madison Park (9800 W Glendale Ave) as quickly as it took him to get from the station, after that first broadcast. P.O. LALLIER stated that someone over the air, had stated they were in "the parking lot," so he knew exactly where to respond. P.O. LALLIER stated when he arrived, and pulled in the lot, and he observed the following Squads already on scene: *Squad 318 (P.O. Ralph SALYERS) - Squad*

Supplement

301 (P.O. FLORYANCE) - Squad 304(P.O. MILLS)- and Squad 305 (P.O. MENSAH.)

P.O. LALLIER stated that the shooting victim's vehicle was in about the middle of the lot, facing eastbound, and he stated that P.O. MENSAH's vehicle was facing the subject's car at an angle, off to the right, on the driver's side. P.O. LALLIER stated he could not recall if the victim's vehicle was running or not when he arrived. He stated he remembered that P.O. MENSAH had his squad "Take Down lights" on, but when he arrived he did not remember seeing P.O. MENSAH's red/blue lights activated. P.O. LALLIER stated that he pulled past those two vehicles, and parked his squad car in the north east corner of the lot. He does remember briefly pulling out his service weapon upon arrival, and while he was checking the north side of the lot for any other possible threats during this incident.

P.O. LALLIER stated he remembered seeing P.O. MENSAH off to the side of the vehicles, however he never spoke with him. P.O. LALLIER then went around to Squad 305 where he retrieved an A.E.D and First Aid kit. He approached the subject's vehicle, where he observed the shooting victim seated in the driver's seat of the car. He observed the subject seated upright, slightly laid back, with his head tilted slight to the right. He remembered the subject's hands somewhere around the waist or lap area.

P.O. LALLIER stated that P.O. SALYER had the driver's side door open, and was already attempting to tend to the subject, and had checked the subject's left wrist for a pulse. P.O. LALLIER stated that he also checked the left wrist for a pulse. It was his belief and understanding that both he and P.O. SALYER felt a pulse at the wrist. **P.O. LALLIER stated that at no point in having contact with the subject, did he observe him to be conscious.**

P.O. LALLIER stated he observed a large quantity of blood on the subject, and next to him in the car. The shooting victim's car itself, he observed to have a shattered out rear driver's side window, and he was immediately struck by the odor of fresh marijuana which was emanating from inside the vehicle. He stated he knew it was a (4) door auto, but at the time was unable to remember much else about the description of the car. P.O. LALLIER observed the subject to be wearing khaki pants, a blue/white polo shirt, and had no head wear.

P.O. LALLIER stated that P.O. SALYERS grabbed hold of the subject, later identified as Jay L ANDERSON (B/M [redacted] on the left side of his body, and started to remove him from the vehicle. P.O. LALLIER stated that he immediately assisted, and started to grab ANDERSON's body on the right side. P.O. LALLIER stated that they lowered ANDERSON to the ground. By the time they got ANDERSON to the ground, he was able to see personnel from their Fire Department arriving on scene. P.O. LALLIER stated he heard there was a gun in vehicle, however he did not observe or touch one. He stated at some point, P.O. SALYERS had acquired an Identification Card for ANDERSON, however did not have any knowledge of where the I.D. had come from.

The medical personnel immediately took over life saving measures. P.O. LALLIER stated that he backed off while the subject was being treated by the Fire Department, and stayed with ANDERSON as he was loaded into MED 52, and subsequently conveyed to Froedtert Hospital. **P.O. LALLIER informed me that the strong odor of fresh marijuana continued, now coming from ANDERSON's person, while they were in transit to the hospital.** As described in my other supplemental report, P.O. LALLIER took custody of property, and informed me of what happened when they arrived at the hospital.

This report is submitted by Detective Matthew GADZALINSKI, assigned to the Metropolitan Investigations Division, Homicide Unit. On 06-23-16, I was informed, and instructed by Lt. Joseph MCLIN to respond to the scene of an Officer Involved shooting which involved the Wauwatosa Police Department. We were informed that the incident had taken place inside of Madison Park, 9800 W Glendale Ave. This incident would be labeled OIS 2016-8.

While headed to the scene of the incident, I was redirected by Lt. MCLIN to head to Froedtert Memorial Hospital, 9200 W Wisconsin Ave, to meet the victim who had been transported. That subject would later be identified as Jay L ANDERSON (B/M [redacted]. As a result of my part of the investigation, taking place at Froedtert Hospital, I conducted interviews of two officers who had responded to the scene of this shooting prior to their escort of the victim to the hospital.

The second officer I interviewed was Police Officer Andrew FLORYANCE (Employee # 6568, Squad #301,) who was appointed to the Wawautosa Police Department on 12-16-12. P.O. LALLIER stated that he works the late shift, with hours consisting of 10:00pm to 6:24am. During this night's shift, he was assigned Squad # 301, and was operating a fully marked squad, a Ford Explorer #P221, that was equipped with in-squad video. He was in full police uniform.

P.O. FLORYANCE stated that he was out on patrol, 1-man, when he first heard a call come over the police radio from a voice he recognized. P.O. FLORYANCE stated he recognized that voice to belong to his co-worker, Police Officer MENSAH. P.O. FLORYANCE stated that when he first heard a broadcast from P.O. MENSAH, he was at near the WALGREENS DRUG STORE, at 7600 W Center St. The first communication he remembered was P.O. MENSAH stating "SUBJECT HAS A GUN," he also had heard that P.O. MENSAH was at Madison Park (9800 W Glendale Ave.) P.O. FLORYANCE stated he started responding towards the park after hearing this communication.

A short time after hearing the subject with gun communication, he hears P.O. MENSAH state over the radio "SHOTS FIRED." At this point he remembers activating his red/blue lights and in-car video. P.O. FLORYANCE stated his travel time, was the time it took him to get from 76th and Center to the park. P.O. FLORYANCE stated upon arrival, he pulled his car into the parking lot at Madison Park.

When he pulled in, he stated that the shooting victim's vehicle was in about the middle of the lot, facing

Supplement

eastbound, and he stated that P.O. MENSAH's vehicle was facing the subject's car at an angle, off to the right, on the driver's side. As he was pulling in, he observed (3) of his fellow Wauwatosa Police Officers in a "LINE FORMATION" moving around, and clearing the shooting victim's vehicle. He stated the only officer he could remember recognizing in that formation, was Police Officer SALYERS, and that at least one of those officers had a long gun.

P.O. FLORYANCE stated that he pulled his squad past the (2) vehicles, to the north end of the parking lot. P.O. FLORYANCE stated that he pulled his car up at the walking path leading to the lot, to block any possible pedestrian traffic. He exited his squad car, and never drew his service weapon. P.O. FLORYANCE approached the vehicles, and off to the side, he observed P.O. MENSAH standing next to a Police Officer WONG.

P.O. FLORYANCE stated he asked them "ARE YOU OKAY," and he stated that P.O. WONG responded "WE'RE OKAY." He did not have a conversation with P.O. MENSAH. Shortly there after, he stated that he went to assist P.O. SALYERS who was about to render aid to the subject later identified as Jay L ANDERSON (B/M [redacted]. P.O. FLORYANCE stated that he did not have any latex gloves, so he returned to his vehicle to get some. By the time he returned to where ANDERSON was lying on the ground, Fire Department personnel were already on the scene. P.O. FLORYANCE stated he never touched ANDERSON, and never touched any firearm recovered from ANDERSON's vehicle. P.O. FLORYANCE stated he remembered seeing the rear driver's side window broken out on the vehicle ANDERSON pulled from.

P.O. FLORYANCE stated from there, he provided assistance to the Fire Department by shining down light on them from his flashlight, while they were rendering life saving measures to ANDERSON. P.O. FLORYANCE stated that once the Fire Department loaded ANDERSON into MED Rig 52, he followed the ambulance in his marked police cruiser to Froedtert Hospital. Upon arrival, he checked the back of the ambulance, and recovered the items listed in my previous supplemental report.

P.O. FLORYANCE then assisted me while at the hospital, with an initial inventory assessment of items recovered.

This report is written by Detective Steven S. Johnson, assigned to Metropolitan Division, Homicide Unit (Late Shift).

On Thursday, June 23, 2016, at 4:05 AM, I, along with other members of the Metropolitan Division, was directed by Sqd 9509, Lt. Joseph McLIN, to respond to the Officer Involved Shooting (Wauwatosa PD) at Madison Park, 9800 W. Glendale Ave. (CAD #16-175-0406).

Upon arrival, Wauwatosa PD, Sqd 370, Lt. Gary GABRISH, briefed us at 3:03 AM, Sqd 305, PO Joseph MENSAH, had conducted a routine park check when he encountered a subject inside a parked vehicle. He found the subject incapacitated and attempted to wake him up by knocking on the window. The subject woke up, ignored his commands, and reached for a handgun on the front passenger seat. Fearing for his safety, PO MENSAH fired into the vehicle. The subject sustained several gunshot wounds and ultimately became deceased at Froedtert Memorial Hospital.

I was instructed by Lt. McLin to conduct the next of kin notification for the subject, identified as Jay L. Anderson Jr. B/M [redacted] MPD PIN #405261, [redacted]. I changed location to the address of [redacted] where I was met by PO Nate Woods (Squad 4390) in order to make the notification.

Upon arriving at the address of [redacted], I made contact with a male, identified as Jay L. Anderson Sr. B/M [redacted], phone number [redacted] Anderson invited PO Woods and I into his residence and stated "I hope you ain't bringing any bad news". I conducted this interview with Anderson Sr. in the kitchen of the residence, at which time he provided the following information.

****Interview of Jay Anderson Sr.****

Anderson Sr. identified his son as Jay L. Anderson Jr. B/M [redacted], who resides at his residence with his girlfriend, identified as Starkeisha DeLaRosa, and her two children. Anderson Sr. stated that his son has one child in common with DeLaRosa, and they live in the basement. In addition, Anderson Sr. identified his wife, who was on scene, as Linda M. Anderson B/F [redacted]

Anderson Sr. stated that he last saw Anderson Jr. last night, Wednesday, June 22, 2016, at approximately 10:00pm, at which time Anderson Jr. was watching television in the living room of the residence. Anderson Sr. sated he went to bed at 10:00am, and woke up shortly before my arrival. Anderson Sr. stated when he went to

Supplement

bed, Anderson Jr. was wearing a white in color Polo shirt with thin blue stripes, blue jeans and blue and white Jordan shoes.

Anderson Sr. asked if something bad had happened because he had turned on the television when he woke up and observed the news broadcasting that there had been a shooting and observed a vehicle involved in the incident looked similar to the vehicle owned by DeLaRosa's mother. Anderson Sr. stated he needed to know now if something had happened.

I advised Anderson Sr. that there had been a officer involved shooting in the City of Wauwatosa and that Anderson Jr. was possibly involved. I advised Anderson Sr. that I would have to show him a photograph of a subject to positively identify if that was Anderson Jr., at which time Anderson Sr. agreed to view the photograph.

I had Anderson Sr. view a photograph that was taken by Detective Matthew Gadzalinski (Squad 9536) at Froedtert Hospital, 9200 W. Wisconsin Av. and sent view a text message to my cell phone. This photograph was photo of Anderson Jr. head. I had Anderson Sr. view the photograph, at which time he positively identified the person in the photograph as his son, Jay L. Anderson, at 7:12am..

Anderson Sr. began despondent upon viewing the photograph and began to yell to his wife that Anderson Jr. was dead. I was able to briefly speak with Anderson Sr. at which time I asked him if he had ever seen Anderson Jr. with a firearm inside of his residence, at which time he said that he had never seen Anderson Jr. in possession of any firearm inside the residence. Due to Anderson Sr. emotional state he was unable to answer any additional questions.

This report is written by Detective Steven S. Johnson, assigned to Metropolitan Division, Homicide Unit (Late Shift).

On Thursday, June 23, 2016, at 4:05 AM, I, along with other members of the Metropolitan Division, was directed by Sqd 9509, Lt. Joseph McLIN, to respond to the Officer Involved Shooting (Wauwatosa PD) at Madison Park, 9800 W. Glendale Ave. (CAD #16-175-0406).

Upon arrival, Wauwatosa PD, Sqd 370, Lt. Gary GABRISH, briefed us at 3:03 AM, Sqd 305, PO Joseph MENSAH, had conducted a routine park check when he encountered a subject inside a parked vehicle. He found the subject incapacitated and attempted to wake him up by knocking on the window. The subject woke up, ignored his commands, and reached for a handgun on the front passenger seat. Fearing for his safety, PO MENSAH fired into the vehicle. The subject sustained several gunshot wounds and ultimately became deceased at Froedtert Memorial Hospital.

I was instructed by Lt. McLin to conduct the next of kin notification for the subject, identified as Jay L. Anderson Jr. B/M[redacted], MPD PIN #405261,[redacted]. I changed location to the address of[redacted], where I was met by PO Nate Woods (Squad 4390) in order to make the notification.

During the next of kin notification at this location I identified as female on scene as Starkeisha M. DeLaRosa B/F[redacted], who identified herself as the girlfriend of Jay Anderson. I conducted an interview of DeLaRosa as she was seated inside of my unmarked squad car, who provided the following information .

****Interview of Starkeisha DeLaRosa****

DeLaRosa identified herself as the live-in girlfriend of Jay Anderson Jr., whom she has known for five (5) years. DeLaRosa stated that she has one child in common with Anderson, identified as[redacted] DeLaRosa stated that they both currently live with Anderson's parents at the address of[redacted], along with her two children.

DeLaRosa stated that on yesterdays date, Wednesday, June 22, 2016, she, along with Anderson, slept in their room, which is located in the basement of the residence. DeLaRosa stated she woke up at approximately 9:00am with the children and Anderson slept until approximately 11:30am..

Supplement

DeLaRosa stated she took the children to her mothers, identified as [redacted], [redacted] at approximately 1:00pm, at which time they took the children to the splash pad at Madison Park. DeLaRosa stated when she left the residence, Anderson was watching tv in the living room. DeLaRosa stated that her car had recently been over heating and her mother allowed her to use her vehicle, 2006 Nissan Altima, black in color, which she believed she picked up at her mothers residence on Tuesday.

DeLaRosa stated she dropped her mother off at her residence at approximately 2:00pm, where she then drove back to her residence of [redacted] in the Nissan Altima. DeLaRosa stated upon entering the residence, Anderson was still at home but could not remember exactly what he was doing.

DeLaRosa stated at approximately 3:30pm, she drove alone to the Materson Staffing, 1509 S. 108th St., leaving the children at home with Anderson in the living room of the residence. DeLaRosa stated she applied form jobs and stayed until approximately 5:00pm, before returning home. DeLaRosa stated upon returning home, Anderson was still inside the residence with the children.

DeLaRosa stated they both stayed at the residence, playing with the children inside and outside and watching television and Anderson did not leave the residence for any extended period of time. DeLaRosa stated she went to sleep with the children at approximately 10:30pm, and Anderson was watching television upstairs.

DeLaRosa stated at approximately 11:30pm, Anderson woke her up and told her he was going to the gas station and she told him to make sure to put the car in the driveway so it would not get a ticket. DeLaRosa stated she fell back asleep and awoke at approximately 1:00am and observed Anderson was not at home. DeLaRosa stated she tried calling his phone, [redacted] at which time she did not receive an answer. DeLaRosa stated she tried calling numerous times and still did not get an answer.

DeLaRosa stated she fell back asleep and awoke several hours later and she observed Anderson was still not at home. DeLaRosa stated she checked upstairs and found Anderson was not there and tried numerous times to call him with no answer. DeLaRosa she fell back asleep and was awoken by the sound of Anderson's parents screaming and crying, at which time she came upstairs and was told Anderson Jr. had been shot by police.

DeLaRosa stated the last time she saw Anderson Jr. he was wearing a white in color short sleeve polo shirt with dark blue thin stripes, blue jeans and unknown shoes. DeLaRosa stated Anderson Jr. is a heavy marijuana user, usually smoking at least seven marijuana "blunts" each day and to the best of her knowledge he does not sell marijuana.. DeLaRosa stated she has never seen Anderson Jr. in possession of a firearm inside their bedroom or at any other times since she has known him. DeLaRosa stated she was aware that Anderson Jr. was arrested regarding a firearm in the past but could not remember the details regarding the incident.

DeLaRosa stated she did not know why Anderson Jr. would have been in the Wauwatosa park in the vehicle, but her mother lived close to the park and one of Anderson Jr. sisters, Tasha Johnson, lived in the "high" numbers on W. Capital Dr.. DeLaRosa stated she does allow Anderson Jr to drive her mothers vehicle, but only for short trips because it is her mothers vehicle. DeLaRosa stated to the best of her knowledge Anderson Jr. was not having any problems with anyone that would require him to be carrying a gun.

DeLaRosa was highly emotional and crying throughout the interview and could provide no additional information.

This report is written by Detective Steven S. Johnson, assigned to Metropolitan Division, Homicide Unit (Late Shift).

On Thursday, June 23, 2016, at 4:05 AM, I, along with other members of the Metropolitan Division, was directed by Sqd 9509, Lt. Joseph McLIN, to respond to the Officer Involved Shooting (Wauwatosa PD) at Madison Park, 9800 W. Glendale Ave. (CAD #16-175-0406).

Upon arrival, Wauwatosa PD, Sqd 370, Lt. Gary GABRISH, briefed us at 3:03 AM, Sqd 305, PO Joseph MENSAH, had conducted a routine park check when he encountered a subject inside a parked vehicle. He found the subject incapacitated and attempted to wake him up by knocking on the window. The subject woke up, ignored his commands, and reached for a handgun on the front passenger seat. Fearing for his safety, PO MENSAH fired into the vehicle. The subject sustained several gunshot wounds and ultimately became deceased at Froedtert Memorial Hospital.

During the course of the on scene investigation, Wauwatosa Police Officer Ralph Salyers recovered property, suspected marijuana and US Currency, from the left front pants pocket of the subject, identified as Jay L. Anderson B/M[redacted] MPD PIN #405261. This property was transferred into the custody of Detective Troy Porter on scene at the address of 9800 W. Glendale Av.

Detective Porter conveyed this property to the Milwaukee Police Administration Building, 749 W. State St., where I took custody of the property from Detective Porter while inside of the Metropolitan Investigation Unit, which is located on the Sixth Floor of the Police Administration Building on Thursday, June 23, 2016 at 8:30am.

I hand carried the suspected marijuana to the District #1 Assembly, which is located on the Second Floor of the Police Administration Building to test the suspected marijuana. I, Detective Johnson, tested the substance using the Nark II 05 field test, which tested positive for THC, and had a total weight of 9.98 grams. This marijuana was packaged in one (1) clear plastic sandwich bag. I placed the marijuana on MPD Inventory #16022231, item #1. This piece of evidence was secured inside of drug dropbox in the Investigations Property Room, which is located on the Basement Floor of the Police Administration Building.

In addition to the above listed marijuana, I took custody of US Currency from Detective Porter. This currency was found to be in the following denominations:

Supplement

1) $1.00 Bill: Quantity of seven (7). Total value $7.00
2) $10.00 Bill: Quantity of six (6). Total value $60.00
3) $20. 00 Bill: Quantity of thirty one (31). Total value $620.00
4) $50.00 Bill: Quantity of one (1). Total value $50.00
5) $100.00 Bill: Quantity of one (1). Total value $100.00

Total value $837.00.

I placed the US Currency on MPD Inventory #16022225, items #1 - 5. This piece of evidence was secured inside of money dropbox in the Investigations Property Room, which is located on the Basement Floor of the Police Administration Building.

This incident occurred inside of a parked vehicle at the address of 9800 W. Glendale Av., in the City of Wauwatosa. The vehicle the subject was inside of was found to be a 2006 Nissan Altima, Wi plates [redacted] four door, black in color. A check with WDOT found the vehicle to list to Olena DeLaRosa W/F [redacted]

I changed location to the address of [redacted], where I spoke with DeLaRosa (see supplemental report). During the interview, I asked for and received consent to search the vehicle involved in this incident for any evidence. DeLaRosa read and signed the Milwaukee Police Department Consent to Search Authorization form, PF-3, at which time she signed the consent form on Thursday, June 23, 2016 at 10:55am, consenting to the search of the vehicle. I provided DeLaRosa with a copy of the Consent to Search form.

I placed this Consent to Search form, PF-3 on Milwaukee Police Department Inventory #16022239, item #1. This piece of evidence was secured inside of the Metropolitan Investigations Evidence Locker, which is located on the Basement Floor of the MPD Police Administration Building, 749 W. State St..

This report is written by Detective Troy PORTER (Squad 9539) assigned to the Metropolitan Investigations Division - Homicide Unit, Late Shift.

On Thursday, June 23, 2016 at approximately 3:59AM, Lieutenant Joseph MCLIN (Squad 9509) instructed me to respond to the address of 9800 W. Glendale Avenue in regards to an Officer Involved Shooting involving a Police Officer from the Wauwatosa Police Department.

It should be noted that also responding from the Metropolitan Investigations Division were the following personnel:

-Squad 9540, Detective Nicholas JOHNSON
-Squad 9559, Detective Luke O'DAY
-Squad 9536, Detective Matthew GADZALINSKI
-Squad 9537, Detective Steven JOHNSON

Upon my arrival we were briefed by Wauwatosa Police Department Lieutenant Gary GABRISH (Squad 37). After the briefing I was assigned to conduct Police Officer witness interviews.

Interview of: Wauwatosa Police Officer Ralph SALYERS (Squad 318)

I then located Officer SALYERS and conducted an interview with him while onscene. Police Officer SALYERS related that his appointment date to the Wauwatosa Police Department was June 3, 2012. He said that his work hours are from 10:00PM to 6:24AM. He said that he is a Patrol Specialist / Crash Investigator.

Regarding the incident, PO SALYERS said that while he was at the Wauwatosa Police Station, 1700 N. 116th Street, Wauwatosa, WI, he was called out to backup Wauwatosa Police Officer Joseph MENSAH (Squad 305 in regards to an occupied vehicle that was parked in Madison Park (9800 W. Glendale Avenue). PO SALYERS said that it's normal to find occupied vehicles parked in the park parking lot after the park is closed. He said that they usually find people smoking marijuana and "making out" while parked there.

PO SALYERS said that while enroute, when he reached N. Mayfair Rd and W. North Av, PO MENSAH came over the radio and said, "The subject has a gun. Step it up." Shortly after that PO MENSAH came over the radio saying, "Shots fired."

PO SALYERS said that during this time he activated his lights and siren. He said that Wauwatosa Police Officer

Supplement

Stephen MILLS (Squad 304) was few blocks ahead him, but he caught up to PO MILLS prior to entering the park. He said that PO MILLS entered the park and he followed behind. He said PO MILLS parked his squad to the north and behind PO MENSAH'S squad. He said that he (PO SALYERS) parked to the south and behind PO MENSAH'S squad.

PO SALYERS said that as he parked observed PO MENSAH standing at the driver's side of his (PO MENSAH) squad. He said that he observed that the subject (later identified as Jay Loren ANDERSON JR, B/M, [redacted]) was seated in the driver's seat of the vehicle *(Black Nissan Altima 2.5S, 4dr, WI Plate* [redacted] with his head back and chin out. He could see that ANDERSON was bleeding from his left ear. He and PO MILLS grouped up. He grabbed the long gun and they began to clear the vehicle. He said as they were clearing he Nissan, PO MILLS spotted a gun in the front passenger seat portion of the Nissan. PO SALYERS did not know where exactly in the front passenger seat PO MILLS located the gun. He said that PO MILLS then recovered the gun that was in the front passenger seat area.

PO SALYERS then opened the driver side doors to clear the Nissan for any other guns. He observed that ANDERSON was bleeding from the back of his head. He then put the long gun away. He could not recall if he did the first check for a pulse on ANDERSON'S neck before he put the long gun away or after. He said when he did check ANDERSON'S neck for a pulse; he did not feel a pulse. He then checked ANDERSON'S left arm for a radial pulse. He then felt that ANDERSON had a pulse. He and Wauwatosa Police Officer Tyler L'ALLIER (Squad 306) then pulled ANDERSON out of the Nissan and laid him on his back on the ground. ANDERSON'S head was facing to the North and his feet were facing to the South. He said at this time the med unit arrived and began life saving measures. He stated that the med unit must have been near by due to the fact that he recalled that at some point the dispatcher asked if the scene was safe. He added that none of the Police Officers were able to start performing life saving measures due to the fact that by the time they pulled ANDERSON out of the Nissan, the med unit pulled up.

PO SALYERS also informed me that he did check ANDERSON'S pants pockets for any form of identification to get him identified. PO SALYERS located a plastic bag containing a green plant-like substance, money (U.S. Currency) and a black phone in ANDERSON'S front left pocket. PO SALYERS also located ANDERSON'S State of Wisconsin Identification Card, but he could not recall which pocket he located the WI ID in. PO SALYERS then turned over the items to me.

PO SALYERS said that he located and marked 6 casings that were on the ground at the northside of ANDERSON'S vehicle.

I later conveyed the items recovered by PO SALYERS to the Police Administration Building (PAB), 749 W. State Street. Upon my arrival I turned over the green plant-like substance to DET S. JOHNSON to be weighed and tested. I also turned over the money that was recovered to DET S. JOHNSON. DET S. JOHNSON will be filing a supplement report in regards to the testing and inventory of the plant-like substance along with the money.

While at the PAB I placed the black iPhone and ANDERSON'S State of Wisconsin ID Card on Milwaukee Police Department Property Inventory #16022226.

PO SALYERS had no further information to provide in regards to the shooting incident.

This report is written by Det. Luke O'DAY assigned to Metropolitan Division, Homicide Unit (Late Shift).

On Thursday, June 23, 2016, at about 4:05 AM, I, along with other members of the Metropolitan Division, was directed by Sqd 9509, Police Lieutenant Joseph McLIN, to respond to the Officer Involved Shooting (Wauwatosa PD) at Madison Park, 9800 W. Glendale Ave. (CAD #16-175-0406).

Upon arrival, Wauwatosa PD, Sqd 370, Police Lieutenant Gary GABRISH, briefed us at 3:03 AM, Sqd 305, PO Joseph MENSAH, had conducted a routine park check when he encountered a subject inside a parked vehicle. He found the subject incapacitated and attempted to wake him up by knocking on the window. The subject woke up, ignored his commands, and reached for a handgun on the front passenger seat. Fearing for his safety, PO MENSAH fired into the vehicle. The subject sustained several gunshot wounds and ultimately became deceased at Froedtert Memorial Hospital.

Lt. McLIN directed me to conduct an interview with PO MENSAH. I located PO MENSAH, sitting with Wauwatosa PO Bryan WADE, who informed me Atty Jennifer HELLMER, legal counsel for Wauwatosa Police Officers, was en route. HELLMER arrived on scene and informed me she wanted PO MENSAH to have a full sleep cycle before he was interviewed.

I explained to Atty HELLMER there were a few things I needed, per the investigation, that would not violate PO MENSAH's request. I related to her that I would like to take photos of PO MENSAH in his uniform, depicting his appearance at the time of the incident. Sqd 1930, Forensic Investigator Lee VEDBRAATEN , arrived on scene and took those photos. PO MENSAH was wearing a dark blue, Wauwatosa Police Department uniform, equipped with a badge on his left chest and a duty belt (handgun, taser, magazines, handcuffs, flashlight, etc.) around his waist.

I next explained to Atty HELLMER that I needed to recover PO MENSAH's weapon and magazine. I transported PO MENSAH, along with PO WADE, to the Wauwatosa Police Department to obtain the weapon. Atty HELLMER followed us in her vehicle.

Once inside a conference room located inside Wauwatosa PD, I obtained the following items from PO MENSAH:

Black, Glock, model #22, .40 cal, semi-automatic, S/N [redacted], with a 15 round capacity magazine, equipped with

Supplement

a TLR-1's Streamlight (#198510 1214) tactical flashlight. **(MPD inv #16022232, item #2)** (MPD gun tag #75462)

I examined the magazine that was inserted inside the magazine well and found it loaded with (9) Federal 40 S&W nickel plated brass unfired cartridges. I also found (1) Federal 40 S&W nickel-plated brass unfired cartridge in the chamber of the weapon. **(MPD inv #16022232, item #1)**

PO MENSAH was carrying 3 additional 15 round capacity magazines on his duty belt. All three magazines were loaded with 15 unfired cartridges.

I packaged the items at Wauwatosa PD and hand carried them to the Police Administration Building, where I placed them on MPD inventory #16022232, items #1-2.

Additionally, prior to leaving Wauwatosa PD, I obtained a copy of the Computer Aided Dispatch for this assignment: 16.018370. I placed the original on **MPD inv #16022232 as item #3**.

PO MENSAH will give a statement on Friday, June 24, 2016, at 9:30 AM.

This report was written by Detective Nicholas JOHNSON assigned to the Metropolitan Investigations Division-Homicide Unit, Late Shift.

On June 24th, 2016 I compiled a Letter of Transmittal to the State of Wisconsin Crime Lab regarding analysis of evidence recovered regarding this investigation. Items sent out to the crime lab included the Glock 22 .40 caliber handgun that was recovered from P.O. MENSAH, 6 .40 caliber cartridge casings, 3 fired jacketed hollow point bullets and 4 lead fragments that were recovered over the course of the investigation.

On July 25th, 2016 I received a Confidential Report of Laboratory Findings from Xai XIONG who is a Firearms and Toolmark Examiner of the State of Wisconsin Regional Crime Lab that was dated July 8th, 2016. The case was assigned number R16-2393.

In the report it states that the 6 .40 caliber casings were fired from the Glock 22 .40 caliber handgun recovered from P.O. MENSAH. The report further stated that the 3 fired jacketed hollow point bullets were also fired from the Glock 22 .40 caliber handgun from P.O. MENSAH. The 4 lead fragments were not suitable for firearm identification comparison.

Also sent out and requested for analysis was the Ruger SR9C 9mm caliber handgun that was recovered from the vehicle that the deceased was located. The firearm was tested for functionality. The firearm was tested and found to be mechanically functional.

THIS CONCLUDES MY REPORT.

Supplement

This report is submitted by PSSI Michael BRAUNREITER assigned Squad 9522 of the Metropolitan Investigations Division.

On Thursday 06/23/2016 Squad 9522 PSSI Michael BRAUNREITER was assigned to conduct follow-up relative to this investigation. The follow-up needed is to respond to the Milwaukee County Medical Examiner's Office located at 933 W. Highland Ave. to monitor the autopsy be performed on the victim was been tentatively identified as Jay L ANDERSON Jr. B/M [redacted]

Upon my arrival I did observe the victim, he arrived at the Medical Examiner's Office without clothing. The medical examiner's staff did measure the victim and determined that he was 72 inches long and weighed 166 pounds. The medical examiner's staff to assign this victim their case #16-03222.

Squad 1725 Forensic Investigator Douglas BRAHM responded and did take several photographs as well as right index finger prints. These fingerprints were compared to fingerprints already on file with the Milwaukee Police Department at which time a positive identification was made of the victim Jay L ANDERSON Jr. B/M [redacted] with a PIN of 405261.

Also present for this procedure was Wauwatosa Police Detective Joseph LEWANDOWSKI.

I then observed Dr. TLOMAK who was assisted by Autopsy Technician Amanda MEEKER conduct the external examination of the victim. This exam located six (6) gunshot wounds. These wounds are located as follows,

GSW #1 right ear,

GSW #2 behind left ear,

GSW #3 slightly above and behind right ear,

GSW #4 slightly above and behind left ear,

GSW #5 right cheek,

Supplement

GSW #6 right shoulder.

Dr. TLOMAK conducted the autopsy procedure and stated the bullets that caused these wounds were fired from indeterminate ranges. Dr. TLOMAK then provided the following bullet paths,

(A) this is a perforating gunshot wound, entrance is on the right ear GSW #1 the bullet struck the victim traveling from right to left with no significant front to back or up or down deviation. The bullet passed through the victim's skull and brain exiting GSW #2 behind the left ear.

(B) this is a perforating gunshot wound, entrance is on the right side of the victim's head GSW #3 the bullet struck the victim traveling from right to left with no significant front to back or up to down deviation. The bullet passed through the victim's skull and brain exiting GSW #4 the left side of the head.

(C) this is a penetrating gunshot wound, the entrance is on the right cheek GSW #5 this bullet struck the victim traveling from front to back, right to left and downward traveling through the right cheek and soft tissue of the right side of the neck. This bullet which was recovered at the back of the neck is deformed, semi-jacketed and weighed 162 grain.

(D) this is a penetrating gunshot wound, the entrance is the right shoulder GSW #6 this bullet struck the victim traveling from right to left slightly front to back and downward traveling through the tissue of the right shoulder and muscles of the back. This bullet was recovered in the upper left side of the victim's back, it is deformed, copper jacketed and weighed 182 grain.

Dr. TLOMAK states the victim died as a result of these gunshot wounds and ruled his death a homicide.

I did take 55 photographs during this autopsy procedure.

Forensic Investigator Jason RUDELICH did turnover items of evidence that had been collected during this autopsy procedure. These items were packaged and placed on Milwaukee Police Department inventory #16022260. For a detailed description of these items refer to the property tab.

This investigations pending review.

Supplement

This incident supplement report is written by Forensic Investigator Dawn VEYTSMAN, assigned to the Forensics Section, Day Shift.

On June 23, 2016, DET. M. GADZALINSKI brought to the Forensics Lab the following items to be processed : one clear fold top baggie. These items were listed on MPD INV #16022217 . I processed this case on June 23 , 2016.

Using two sterile cotton swabs, one dry and one moistened with distilled water, I collected possible DNA samples:

DNA sample #1: collected from the edges of the baggie Item 1

These samples were placed on Inventory #16022245.

I processed the items with Cyanoacrylate and Ardrox, and was unable to recover any latent impressions.

I turned all of the evidence over to the Milwaukee Police Property Section.

I took three photos of this incident.

This incident was assigned Case #16-3530.

This report is written by Forensic Investigator Chet ST. CLAIR, assigned to Forensics, Early Shift Squad 1831.

On Thursday, 06-23-2016 at approximately 12:30pm, I processed evidence brought in by Detective Nicholas JOHNSON for latent fingerprints and possible DNA evidence.

Using cyanoacrylate and ardrox, I processed a black and silver Ruger 9mm pistol, S/N 334-60459, and magazine (16022240 #11). I was unable to recover any lifts of comparative value.

Using two sterile cotton swabs for each sample, one of each pair moistened with distilled water, I collected the following samples for possible DNA evidence:

Sample #1 - collected from the grip and trigger area

Sample #2 - collected from the slide

Sample #3 - collected from the barrel

Sample #4 - collected from the magazine

Following collection, I secured each sample individually and placed them all on MPD Inventory #16022269.

I took six digital photographs and assigned this case Latent Case #16-3537.

Supplement

This report is written by Detective Troy PORTER (Squad 9539) assigned to the Metropolitan Investigations Division - Homicide Unit, Late Shift.

On Thursday, June 23, 2016 at approximately 3:59AM, Lieutenant Joseph MCLIN (Squad 9509) instructed me to respond to the address of 9800 W. Glendale Avenue in regards to an Officer Involved Shooting involving a Police Officer from the Wauwatosa Police Department.

It should be noted that also responding from the Metropolitan Investigations Division were the following personnel:

-Squad 9540, Detective Nicholas JOHNSON
-Squad 9559, Detective Luke O'DAY
-Squad 9536, Detective Matthew GADZALINSKI
-Squad 9537, Detective Steven JOHNSON

Upon my arrival we were briefed by Wauwatosa Police Department Lieutenant Gary GABRISH (Squad 37). After the briefing I was assigned to conduct Police Officer witness interviews.

Interview of: Wauwatosa Police Officer Stephen MILLS (Squad 304)

I located Police Officer MILLS and conducted and interview with him while on scene. Police Officer MILLS related to me that his appointment date to the Wauwatosa Police Department was March 3, 2013. He said that his work hours are from 10:00PM to 6:00AM. He said he is assigned to Patrol.

Regarding the incident, PO MILLS said that the original call came over as an occupied auto in Madison Park (9800 W. Glendale Ave). He said within 1 minute or so Police Officer Joseph MENSAH (Squad 305) called out over the radio, subject with gun. PO MILLS stated that he was at W. Center Street and N. Mayfair Road at that time. Shortly after, PO MENSAH then called out over the radio, shots fired. PO MILLS activated his lights and siren.

PO MILLS said upon his arrival he observed PO MENSAH'S Squad car parked in front of ANDERSON'S car. He parked his squad car to the north and rear of PO MENSAH'S squad car. He then turned his focus on ANDERSON'S car and ANDERSON who was seated in the driver's seat. He said he did not see PO MENSAH at first. PO MILLS then exited his squad car and covered on ANDERSON'S car. He then observed PO MENSAH

Supplement

between his squad car and PO MENSAH'S squad car. He said he thinks he saw PO MENSAH covering (with his gun drawn) on ANDERSON'S car, but he wasn't 100% sure. He said PO Ralph SALYERS, who arrived with him (PO MILLS) and was covering on ANDERSON'S car.

PO MILLS said that he then told PO MENSAH to get back, behind his squad car. He said PO Andrew FLORYANCE (Squad 301) or PO Joseph WONG, he could not recall who exactly, then arrived. He and PO SALYERS then approached ANDERSON at the driver's side of his (ANDERSON) car to clear the car. He observed that ANDERSON was seated in the driver's seat with his head back and mouth open. He observed blood coming from ANDERSON'S left ear. He then observed a baby car seat in the back seat, behind the passenger seat. PO MILLS moved to the rear driver seat to check the car seat for a baby. He said the car seat was empty. He then made his way to the passenger side of ANDERSON'S car. PO MILLS then observed a gun on the front passenger seat.

PO MILLS said the he then recovered the gun from the front passenger seat of ANDERSON'S car. He said he was wearing his black duty gloves when he picked up the gun by the handle using 2 fingers and his thumb. He placed the gun in a plastic bag and then placed the gun in the trunk of his (PO MILLS) squad car to secure it. He then checked on PO MENSAH making sure that PO MENSAH was ok and not injured or bleeding.

PO MILLS could not recall if ANDERSON'S car was running or if ANDERSON'S headlights were on.

PO MILLS had no further information to provide.

It should be noted that supplement report #10 was deleted due to the fact that I duplicated supplement report #10 with this supplement report #15.

END OF REPORT.

This report is written by Detective Steven S. Johnson, assigned to Metropolitan Division, Homicide Unit (Late Shift).

On Thursday, June 23, 2016, at 4:05 AM, I, along with other members of the Metropolitan Division, was directed by Sqd 9509, Lt. Joseph McLIN, to respond to the Officer Involved Shooting (Wauwatosa PD) at Madison Park, 9800 W. Glendale Ave. (CAD #16-175-0406).

Upon arrival, Wauwatosa PD, Sqd 370, Lt. Gary GABRISH, briefed us at 3:03 AM, Sqd 305, PO Joseph MENSAH, had conducted a routine park check when he encountered a subject inside a parked vehicle. He found the subject incapacitated and attempted to wake him up by knocking on the window. The subject woke up, ignored his commands, and reached for a handgun on the front passenger seat. Fearing for his safety, PO MENSAH fired into the vehicle. The subject sustained several gunshot wounds and ultimately became deceased at Froedtert Memorial Hospital.

During the on scene investigation, the subject involved in this incident was identified as Jay L. Anderson Jr. B/M [redacted], MPD PIN #405261. This incident occurred as Anderson was seated inside of a 2006 Nissan Altima, 4dr, black in color, Wi plates [redacted].

A routine check with Wisconsin Department of transportation found the vehicle's registered owner listed as Olena E. DeLaRosa W/F [redacted]. I changed location to the address, where I conducted an interview with DeLaRosa, who was able to provide the following information regarding the vehicle.

****Interview of Olena DeLaRosa****

I spoke with DeLaRosa inside her living room of the address of [redacted] at which time DeLaRosa stated that she is the owner of the 2006 Nissan Altima, Wi plates [redacted]. DeLaRosa stated at the current time, the vehicle is being used by her daughter, identified as Starkeisha DeLaRosa B/F [redacted] due to the fact the her daughter's vehicle overheats and she needed a reliable vehicle to drive to a job that she is starting today, Thursday, June 23, 2016. DeLaRosa stated her daughter has had the vehicle for the past two days and left her vehicle in her garage.

DeLaRosa stated that her daughter currently resides with her boyfriend, identified as Jay Anderson, in the area

Supplement

of N. 83rd St. and W. Medford Av. in the City of Milwaukee. DeLaRosa stated her daughter has been dating Anderson for five years and they have one child in common. DeLaRosa stated to the best of her knowledge, they live with his parents, whom she believed were named Jay Sr. and Lynn Anderson.

DeLaRosa stated that she saw her daughter yesterday, Wednesday, June 22, 2016, when she came to her residence with her two children to take them swimming in Madison Park at the splash pad. DeLaRosa stated she drove them in her minivan to the park, where they stayed for close to two hours before returning to her residence. DeLaRosa stated Anderson was not with her and she has not physically seen him in the last week.

DeLaRosa stated her daughter left her residence in the 2006 Nissan Altima and she did not speak with her for the rest of the day. DeLaRosa stated her daughter had consent to have the vehicle but Anderson was not supposed to be driving the vehicle because she knows that he has no license and she did want to held responsible for anything if he was driving the vehicle.

Supplement

This report is written by Detective Erik VILLARREAL assigned to the Metropolitan Investigation Division, Cold Case Unit, dayshift.

On Tuesday June 28, 2016, while assigned to Squad 9541, I was instructed to have the suspect auto involved in the Wauwatosa Officer Involved Shooting processed for evidence (OIS #8). The incident occurred at 9800 W. Glendale Ave, on June 23, 2016. The 2006, black Nissan Altima 4-dr, WI Plates, [redacted] Vin# [redacted] was located in the "X building" at the City of Milwaukee Tow Lot. Squad 1721 Forensic Investigator Yvette BENITEZ met me at that location. Prior to handling the evidence, Tow Lot Officer, Joe ANDERER, had the vehicle moved to the "Z Building" to be processed. Forensic Investigator BENITEZ then video taped the vehicle in its original state and photographed the vehicle as well. BENITEZ later downloaded the video to a DVD, which was then submitted to the file. Forensic Investigator BENITEZ also recovered a blood sample and will file a supplement report regarding her investigation.

Prior to searching the vehicle, I conducted a preliminary check of the auto for visible ballistic evidence and or additional damage from the gunfire and located 3 circular dents / impressions on the upper part of the front passenger side door, just beneath the open window in addition to the broken rear driver side door window, and bullet holes in the driver side front seat headrest. It should be noted that there was a large quantity of dried blood on the front driver seat surrounded by blood spatter on the front inside doors, the roof, and the dashboard. As well as a dried pool of blood under the driver side front seat. Forensic Investigator BENITEZ took detailed photographs of the blood spatter. I also located and recovered a small bullet fragment on the front passenger seat and a "Transaction Record" (ATM receipt) from the front passenger door map holder. After the preliminary examination of the auto I conducted a thorough search of the entire vehicle for any other evidence but did not locate any.

Upon conferring with reports from the initial investigation, I learned that the officer fired his service weapon through the open front passenger side window on a slight angle towards the driver. Subsequently, I found 2 through and through bullet holes that passed through the front driver seat headrest. Using trajectory rods to display the bullet paths it was apparent that the 2 bullets traveled through the headrest and out through the rear drivers side door window, breaking the window. Additionally, according to the Medical Examiners report, the suspect, Jay L. ANDERSON (B/M [redacted]), had 2 through and through gunshot wounds to his head from right to left also consistent with the Officer firing his service weapon from the front passenger side. Those 2 bullets would have also passed through the rear driver side door window as well. ANDERSON had the remaining 2-fired bullets recovered from his body during the autopsy. The 2 aforementioned bullets entered the passenger side of the

Supplement

driver headrest at the following locations:

Bullet 1 entered 3" high and exited the other side of the headrest at 1" high
Bullet 2 entered 8" high and exited the back of the headrest 8" high

The headrest was a rounded rectangular shape approximately 10" high by 9" wide.
At the conclusion of the examination of the suspect auto, I later placed the bullet fragment (#1) and the ATM slip (#2) on MPD Inventory #16022963. The ATM slip was a receipt from VK Petro 5208 N Teutonia Ave, for $80.00 on June 21, 2016 at 5:57 am. This investigation is pending.

Supplement

This report is being written by Forensic Investigator Yvette Panfil assigned to the MPD's Forensic Section, day shift.

On Tuesday, June 28, 2016, at approximately 10:15 A.M., I, Squad 1721, was dispatched to a homicide investigation at the Milwaukee Tow Lot.

Squad 9541, Detective Erik Villarreal, was investigating and requested I photograph the auto involved, a black 4dr 2006 Nissan Altima with WI plates of [redacted] video tape it and collect a blood sample.

Using sterile cotton swabs one dry, one moistened with distilled water, I collected a blood sample from the driver's seat of auto.

This sample was then placed on inventory #16022960.

This incident was assigned latent case #16-3649.

Using a Sony Camcorder I video taped the auto, burned the recording to DVD and turned it over to Detective Villarreal.

Using a Nikon D300 camera I also took 126 digital photographs.

This report is written by Det. Luke O'DAY assigned to Metropolitan Division, Homicide Unit (Late Shift).

This report details follow-up conducted regarding the Officer Involved Shooting (Wauwatosa PD) at Madison Park, 9800 W. Glendale Ave. (IR #16-175-0037).

On Friday, June 24, 2016, at about 9:50 AM, Police Lieutenant Joseph McLIN and I traveled to the Wauwatosa Police Department, 1700 N. 116th St., to meet with Wauwatosa PO Joseph MENSAH and his representative, Attorney of Law Jennifer HELLMER.

Lt. McLIN and I met with PO MENSAH and Atty HELLER in a conference room on the first floor. Additionally, Attorney Jaclyn SCHWARTZ (with HELLMER) and Union Representative Wauwatosa Detective John MILOTZKY were also present inside the room.

PO MENSAH identified himself as Joseph Anthony MENSAH (B/M [redacted]), appointment date with Wauwatosa PD 1-3-15, payroll #6701. PO MENSAH stated he had prior law enforcement experience:

- 2009 - 2012 Reserves
- 2012 - 2013 Dane County Sheriff Office
- 2013 - 2014 UW-Madison Patrol Officer

PO MENSAH stated on Thursday, June 23, 2016, he worked Late Shift (11:00 PM - 7:24 AM; Wednesday night into Thursday morning), and was assigned to Squad 305, vehicle P224, as a one-person unit. He was assigned to the area that encompassed W. Burleigh St. to W. Capitol Dr., N. 92nd St. to N. 124th St. PO MENSAH stated was in full uniform that night: dark blue shirt and pants, ballistic vest inside a blue carrier over the shirt, a shield patch on the left breast, and was equipped with a taser, expandable baton, 2 set of handcuffs, Extreme LED flashlight, department issued handgun (equipped with a tactical light), and 3 magazines.

PO MENSAH stated he was on routine patrol and headed to Madison Park to do a "park check" around 2:50 - 3:00 AM. He entered the park by traveling eastbound on W. Glendale Ave. He stated the park was extremely dark without any lighting, except for a light mounted on the exterior of a multi-unit residential complex (located on the east side of the park at 4611 N. 92nd St.).

Supplement

PO MENSAH observed a single vehicle parked in the center of the lot, facing westbound. (He believed the park was closed after 12:00 AM.) He approached the vehicle, parking about 1-2 car lengths in front of it, and activated his take-down lights. Prior to activating the lights, PO MENSAH stated he believed he had observed some movement inside the vehicle by the driver. Once the take-down lights were on, however, he did not observe any further movement.

PO MENSAH advised Dispatch as he prepared to exit his squad, "305. Occupied auto. Madison Park." He then scanned the rest of the area, looking for additional vehicles or subjects on foot. He then focused on the vehicle as he approached it on foot. PO MENSAH believed the vehicle was a black Nissan Maxima, but was not certain.

PO MENSAH stated he approached the vehicle from the passenger side and observed the passenger front window was rolled up. He used a flashlight to illuminate the inside to check for additional occupants; he did not observe anyone. PO MENSAH stated as he focused the light on the driver, he observed he was "breathing fast" as if nervous or scared. He described him as lying back against the car seat. PO MENSAH felt the driver was faking being asleep.

PO MENSAH tapped the passenger front window and announced, "Police Officer MENSAH with the Wauwatosa Police Department" but did not get a response. After tapping a few more times, the driver "woke up" and looked at PO MENSAH. He scanned his uniform with his eyes and then looked down toward the front passenger seat. PO MENSAH stated the driver looked visibly annoyed and shrugged his shoulders. He then closed his eyes and leaned back in the seat again.

PO MENSAH stated he called out again, "Police Officer MENSAH with the Wauwatosa Police Department. Wake up. Gotta talk to you." After a couple of times repeating himself, the driver "woke up again," turned the key in the ignition and rolled down the passenger front window. (PO MENSAH did not recall if the vehicle started.) PO MENSAH asked if the driver had an ID or a Driver License. The driver replied, "No."

PO MENSAH stated he had been standing about an arm length away from the passenger front door as he addressed the driver. He observed the driver make several glances over to the passenger front seat then back up at him. On one of the occasions, the driver looked at PO MENSAH's chest (badge area) and then back down toward the seat. PO MENSAH asked the driver if he had anything that would identify his name. The driver replied, "No."

PO MENSAH became concerned that the driver had made several separate and distinct glances toward the passenger front seat. He stepped forward and looked into the interior of the vehicle. PO MENSAH observed a black and silver semiautomatic handgun, with an extended magazine inserted in the weapon, on the front seat. (He did not remember seeing anything else on the seat or in which direction the barrel was facing.)

PO MENSAH stated he was a "hazy" with the exact chain of events moving forward, but he believed he immediately un-holstered his weapon, kept it close to his body, and pointed the barrel down to the ground. At the same time, he ordered, "I see the gun! Keep your hands where I can see them!"

PO MENSAH stated the driver initially complied with his order and placed his hands in the air about chest / shoulder height. However, he suddenly reached toward the seat with his right hand while looking at the weapon (on the seat). PO MENSAH stated he immediately moved his weapon to the high ready position (weapon at eye level, arm extended from his body) and ordered, "Hands up!" At about the same time, he radioed Dispatch, "305. He has a gun! Step it up!" (He believed he heard something on the radio, "All squads ¿" but didn't remember anything further.) The driver immediately placed both hands in the air, stating, "What? There's nothing there! It's nothing!" (PO MENSAH stated it appeared the driver was annoyed with him and that the officer was bothering him.) PO MENSAH repeated, "I see the gun! Don't reach for it!"

PO MENSAH stated the driver again reached toward the front passenger seat. He (PO MENSAH) ordered, "Stop reaching for the weapon!" The driver pulled back and said, "It's nothing!" PO MENSAH stated the driver made at least 4 separate movements with his right arm toward the front passenger seat. Each time PO MENSAH ordered him to stop, and the driver returned both of his hands into the air.

PO MENSAH stated the last time the driver made a movement, instead of just his right arm moving toward the

gun on the seat, his whole body lunged toward it. PO MENSAH yelled, "Keep your hands up!" The driver did not comply and PO MENSAH believed he discharged his weapon approximately 3-4 times.

PO MENSAH stated he took a couple of steps backward as he fired. As he backed away, he did not know if the driver had taken possession of the weapon. PO MENSAH stated he felt exposed because he was in an open parking lot without any cover to place between him and the driver (vehicles, trees, etc.). Additionally, he could not move laterally because the driver would have protection from the vehicle's engine block, which would be in between them.

PO MENSAH stated immediately after discharging his weapon, he pressed the button on his squad mic that activated the camera. (He explained the video goes back 20 seconds without audio.)

PO MENSAH maintained a distance from the vehicle as he waited for backup. He stated the park was huge and extremely dark. He further stated he couldn't see anything because of the take-down lights of his squad. He believed Wauwatosa Officers Ralph SALYERS and Stephen MILLS were the first to arrive on scene. The three of them cleared the vehicle for additional occupants and then PO MENSAH removed himself from the immediate area. At this point, he described himself as "kinda out of it" as a result of the incident.

PO MENSAH stated, at some point, Dispatch asked for his location inside Madison Park. He believed he responded "in the middle" and that the "Fire (Fire Department) can stage on 100th St."

PO MENSAH stated Wauwatosa Police Lieutenant Gary GABRISH was the first supervisor on scene. He (PO MENSAH) provided a brief public safety statement to him. Squad 302, Wauwatosa PO Bryan WADE, was assigned to sit with PO MENSAH. He believed they sat inside WADE's vehicle during the investigation.

I asked PO MENSAH specifically why did he discharge his weapon. He responded that he discharged his weapon because he knew the firearm was on the passenger front seat of the vehicle. He stated he ordered and pleaded with the driver numerous times to not reach for the weapon. He (PO MENSAH) shot because the driver reached for the weapon and he believed the driver was going to use it against him; he knew the potential for the amount of injury the weapon (on the seat) could cause. He stopped firing because he believed the threat had been neutralized / incapacitated. PO MENSAH believed he saw the rounds go into the driver's body. He also observed him slump toward the driver front door; he did not know if the driver had been successful in possessing the weapon on his front seat.

PO MENSAH described the driver as a black male, 25-26 yoa, long dreads / braids. He was unable to describe the driver's clothing. He believed he was inside a black Nissan Maxima but was not sure. He did not recall any prior contact with either the driver or the vehicle.

PO MENSAH stated previous checks in the Madison Park (by himself and other officers) had resulted in recovery of illegal drugs, stolen cars, foot pursuits, etc. When he observed the vehicle inside the lot, PO MENSAH's intention was to simply learn why the driver was there after closing hours. He stated he had numerous contacts with vehicles and occupants after closing hours, prior to that night, and had never before issued a citation. He would learn the reason for being inside the park and direct the occupants to leave.

PO MENSAH stated he had conducted an earlier park check around 12:30 AM. He had encountered 2 vehicles after closing hours. When he turned his squad lights on, one vehicle immediately exited the park. A subject walked up to the second vehicle and PO MENSAH instructed him to leave the park. The subject entered his vehicle and complied. Neither of the two vehicles matched the vehicle that was involved in this incident.

This concluded PO MENSAH's statement and the interview was terminated at 10:37 AM.

This report is written by Det. Luke O'DAY assigned to Metropolitan Division, Homicide Unit (Late Shift).

This report details follow-up conducted regarding the Officer Involved Shooting (Wauwatosa PD) at Madison Park, 9800 W. Glendale Ave. (IR #16-175-0037).

On Monday, June 27, 2016, I was directed by Police Lieutenant Paul KAVANAGH to contact the immediate family of Jay ANDERSON JR. (B/M[redacted] and provide them an opportunity to view a portion of the squad video that depicted the incident. This was offered as a courtesy to them and would be done prior to the case being presented to the District Attorney's Office.

On Tuesday, June 28, 2016, at about 8:00 AM, I spoke with Attorney Yoa O. DINIZULU who informed me and the ANDERSON family had retained his firm and that they would like to view the video. We arranged a time for 3 family members to accompany Atty. DINIZULU to the Police Administration Building (PAB).

At about 11:40 AM, Lt. KAVANAGH, Police Lieutenant Joseph ERWIN, and I met with Atty. DINIZULU, ANDERSONS's parents, Jay L. ANDERSON Sr. (B/M [redacted] and Linda M. ANDERSON (B/F [redacted]), his aunt Jacqueline D. ANDERSON (B/F [redacted]), and his fiancee Starkeisha M. DELAROSA (B/F [redacted]) on the 6th floor of the PAB. Jay Sr., Jacqueline, and Starkeisha accompanied us to the Line-Up room to show the video.

I played approximately 20 seconds of the video obtained from PO Joe MENSAH's squad car. The family asked me to play it one more time, which I did.

I explained that the Metropolitan Investigations Division was handling the investigation, and that upon completion, the reports would be handed over to the District Attorney's office.

Only the three members of the family were provided the opportunity to view the video. They were not permitted to bring any recording devices into the room.

This report is written by Detective Steven S. Johnson, assigned to Metropolitan Division, Homicide Unit (Late Shift).

On Thursday, June 23, 2016, at 4:05 AM, I, along with other members of the Metropolitan Division, was directed by Sqd 9509, Lt. Joseph McLIN, to respond to the Officer Involved Shooting (Wauwatosa PD) at Madison Park, 9800 W. Glendale Ave. (CAD #16-175-0406).

Upon arrival, Wauwatosa PD, Sqd 370, Lt. Gary GABRISH, briefed us at 3:03 AM, Sqd 305, PO Joseph MENSAH, had conducted a routine park check when he encountered a subject inside a parked vehicle. He found the subject incapacitated and attempted to wake him up by knocking on the window. The subject woke up, ignored his commands, and reached for a handgun on the front passenger seat. Fearing for his safety, PO MENSAH fired into the vehicle. The subject sustained several gunshot wounds and ultimately became deceased at Froedtert Memorial Hospital.

I was instructed by Lt. Joseph McLin to conduct an interview with the City of Wauwatosa Fire Department personnel that responded to the scene of this incident. I identified one of the responding Wauwatosa Fire Fighters as Patrick C. Quinlevan W/M [redacted], at which time I conducted this interview with Quinlevan as he was seated in my unmarked squad car parked in the parking lot of Madison Park, 9800 W. Glendale Av..

****Interview of Patrick Quinlevan****

Quinlevan stated that he is currently employed by the City of Wauwatosa Fire Department as an Motor Pump Operator, where he has been employed for twenty six years. Quinlevan stated that he is currently assigned to Engine #52, Crew #3, which is located at 4187 N. Mayfair Rd.. Quinlevan stated that on today's date, Thursday, June 23, 2016, he worked Engine #52 along with Captain Scott Friedrick and Fire Fighter Christopher Schultz for their tour of duty hours of 8:00am - 8:00pm.

Quinlevan stated that at approximately 3:05am they were dispatched to "Assist PD" call at 9800 W. Glendale Av.. Quinlevan stated Wauwatosa Fire Department Med #52, which is housed in the same location, responded along with them. Quinlevan identified the Wauwatosa Fire Department personal on Med #52 as Lt. Brian O'Day and Fire Fighter / Paramedic Dave Tipple.

Quinlevan stated as they were en route to the location, the service call was updated to a "Gun shot wound" and

Supplement

they were advised to stage until the scene was safe. Quinlevan, who was operating the fire truck, advised they arrived on scene several minutes later and staged briefly on the access road from W. Glendale Av. that lead into the parking lot of Madison Park. Quinlevan stated after approximately thirty seconds, they were advised the scene was secured and they followed a uniformed marked squad and the Med unit into the parking lot.

Quinlevan stated upon entering the parking lot, he observed at least four uniformed marked squad cars in the parking lot, and one dark colored vehicle parked approximately twenty feet from the squad cars. Quinlevan stated at least two of the uniformed marked squad cars were parked facing the vehicle and were parked to the west of the vehicle. Quinlevan stated he observed several City of Wauwatosa Police Officers removing a subject out of a drivers side door and he pulled to the south of the vehicles and used the trucks emergency flood lights, which are located on the side of the truck, to illuminate the parking lot.

Quinlevan stated upon exiting the truck he grabbed the O2 bag to assist with medical treatment for the subject. Quinlevan stated the Wauwatosa Police Officers had fully removed the person from the drivers side of the vehicle and placed the subject on the ground. Quinlevan was able to describe the person he observed laying on the ground as a B/M late 20's, 5'9", 160 lbs, medium build, dread lock hairstyle to shoulders wearing a lighter color short sleeve polo shirt, unknown pants, with at least one gun shot wound to the right cheek. Quinlevan stated the subjects head was facing north and feet facing south.

Quinlevan stated Lt. O'Day used the portable defibrillator to check for an EKG reading, at which time they were able to get a faint reading. Quinlevan stated as a result, the decision was made to immediately bring the subject into the Med unit. Quinlevan stated upon being loaded into Med #52, he began to hook up a bag of saline for Fire Fighter /Paramedic Tipple, who was starting an IV line in the subjects left arm.

Quinlevan stated as this was happening, Lt. O'Day was giving the subject chest compressions and Schultz was using the bag for rescue breaths. Quinlevan stated after several minutes, he switched positions with Lt. O'Day and performed chest compressions for several minutes. Quinlevan stated he switched positions wit Captain Friedrick, who continued chest compressions for several minutes.

Quinlevan stated they checked for a pulse on the subject, at which time Schultz was able to get a pulse from the subject, along with a blood pressure reading that he believed was possibly 104 / 60. Quinlevan stated as a result of the subject having a faint pulse, the decision was made to transport the subject to Froedtrert Hospital. Quinlevan stated he exited the Med unit and was going to follow them to Froedtert Hospital but was asked by Lt. Gabrish of the Wauwatosa PD to remain on scene and provide light for the investigation due to the fact the incident happened during the hours of darkness.

Quinlevan stated he remained on scene to provide light for the police department and did not have any other responsibilities for the remainder of the investigation prior to speaking with myself. Quinlevan stated he only observed one gunshot wound to the subjects right upper cheek and observed a large amount of blood on the subject. Quinlevan stated he did not look inside the vehicle when they approached the subject laying on the ground next to the vehicle and he did not observe any firearms on the ground next to the vehicle. Quinlevan could provide no additional information regarding this incident.

This report is written by Det. Luke O'DAY assigned to Metropolitan Division, Homicide Unit (Late Shift).

This report details follow-up conducted regarding the Officer Involved Shooting (Wauwatosa PD) at Madison Park, 9800 W. Glendale Ave. (IR #16-175-0037).

On Wednesday, June 29, 2016, I reviewed squad car video obtained from the Wauwatosa Police Department. It had been downloaded from Wauwatosa PO Joseph MENSAH's squad camera. I located the video in Mfile folder *Police Related.* Folder *OIS 08-2016Wauwatosa* was located inside. Through a series of folders, I located the player AVViewer. Through the viewer, I was able to access file *0307251.av*.

The video was from 3:06:55 AM - 5:18:43 AM.

I made the following observations:

The video depicts the view of an empty parking lot from the windshield of PO MENSAH's squad, looking east. Two lights are visible in the distance to the east.. A black vehicle is positioned possibly 2-3 car lengths in front of the squad, facing the camera. PO MENSAH is wearing a dark blue uniform and is standing outside the passenger front door of the vehicle. His right arm is extended toward the passenger front window as if he was pointing a weapon at the driver (weapon is not observed). A subject is sitting in the driver seat and his right arm can be observed in the air.

The numbers "P2245@5 <mailto:P2245@5>" depicts the squad number (P2245) in the lower left corner. The date "06/23/2016" and time "03:06:55" can be viewed underneath the squad information. Displayed underneath the recording, was a box indicating the "Lights" and "Mic" were activated.

03:06:55 - The video began without audio. The driver was moving around with both hands in the air. A circle of light could be observed at PO MENSAH's feet, indicating his flashlight was on.

03:06:59 - PO MENSAH's left hand dropped from his weapon to the area of his duty belt on the left side. The circle of light disappeared, indicating he had holstered his flashlight. The driver's right hand was moving side to side. PO MENSAH's left hand returned to his weapon.

Supplement

03:07:13 - I observed movement by the driver and the right hand could be seen extending toward the passenger front seat. It disappeared for a fraction of a second, then reappeared above the dashboard in front of the passenger front seat. The right hand then immediately dropped from view in front of the passenger front seat..

03:07:15 - PO MENSAH immediately discharged his weapon 6 times as he disengaged, walking backwards (north), disappearing from camera view.

03:07:23 - Audio starts up.

03:07:27 - Dispatch: "305. You ok?"

03:07:31 - PO MENSAH: "305. I'm Ok. Suspect down."
Dispach: "Dispatch copy. Suspect down."

03:07:45 - PO MENSAH could be observed approximately 20 feet from the vehicle. His weapon was trained on the vehicle and it appeared he was attempting to check on the status of the driver from a distance. PO MENSAH can be heard taking deep breaths heavily over the radio.

03:08:16 - PO MENSAH: "305. I'm okay. Suspect down."

03:08:21 - Unknown officer came over the air asking if the fire department could come onto the scene. PO MENSAH instructs the officer, "305. You can have fire stage on 100th St." Dispatch asked if other squads could come into the lot. He replied, "Affirmative for now. I have no idea who else is in the park. It's just me and him right now."

03:08:55 - Dispatch asked if there was anyone else in the car. PO MENSAH replied, "Negative. Just me and him." Sirens could be heard in the background of responding officers.

03:09:40 - The lights of a responding squad appear to the right (south) of the camera.

03:09:41 - PO MENSAH can be heard off camera stating to the responding squad, "I have no idea if there is anyone else in the park. I'm fine."

03:09:55 - Unknown officer over the air asked (PO MENSAH) 305 how was it looking, was he okay, and to confirm if shots had been fired. PO MENSAH responded, "Affirmative. Shots fired. Suspect down."

03:10:33 - Unknown officer can be heard asking if "they were going to go up on it (vehicle)?" A different officer stated, "When we get a third squad we will go up on it (vehicle)." PO MENSAH stated, "He's alone by himself."

03:10:42 - PO MENSAH stated, "The firearm is right next to him on the passenger seat."

03:10:53 - 3 Wauwatosa Police Officers approached the driver side of the vehicle. PO MENSAH was the third officer, a step behind the first two.

03:11:15 - One of the officers opened the driver door and positioned himself at the door. The second officer continued to check the rest of the vehicle for additional occupants.

03:11:29 - PO MENSAH disengaged from assisting in clearing the vehicle and walked away westbound toward the direction of his squad.

03:11:55 - Squad 318 radioed over the air, "318. I have a 30 something year old male black. He's not breathing at this time." Dispatch responded, "10-4. I have Fire (Wauwatosa Fire Department) staging."

03:11:57 - Wauwatosa squads arrive to set up a perimeter on the east side of the parking lot.

03:12:02 - PO MENSAH reappeared on the passenger side of the vehicle but remained about 10 feet away.

03:12:05 - One of the officers (possibly the one at the driver door) asks - "You got it or no?"

03:12:09 - The same officer can be heard stating, "¿ go on and grab it out of there."
The second officer reached in through the passenger front window and appeared to remove an item from the front passenger seat.

Supplement

03:12:26 - The second officer walked around the vehicle, from behind, to the driver side and then both officers disengaged from the scene toward the direction of the squad camera.

03:12:28 - PO MENSAH notified Dispatch that the scene was inside Madison Park parking lot. He walked away west as the two clearing officers disengaged.

03:12:31 - As the officers disengage, I observed what appeared to be a handgun in the left hand of the second officer as he walked off the screen.

03:13:18 - Conversation off screen with a male subject and PO MENSAH: "¿there's going to be one guy so. There are no runners, no other passengers?" PO MENSAH replied, "I don't why he's here by himself. I have no idea if anyone is here out in the park. I have no clue."

03:13:31 - Unknown officer walks over to the driver side of the vehicle and appears to be checking on the driver. "Let's see if we can do something for this guy." Two additional officers walk over and attempt medical aid. One of the officers brought with him a medical kit.

03:14:05 - Lt. Gary GABRISH asked PO MENSAH, "Ok, so who shot who?" PO MENSAH replied, "I did."

03:15:25 - WFD arrived on scene. Officers removed the driver from the vehicle to attempt further medical attention. He was then transported from the scene.

03:16:29 - PO MENSAH gave the following account to Lt. GABRISH.
Lt. GABRISH - "Did you have this recorded by any chance?"

PO MENSAH - "I tried to hit the button a couple of times." "Just a regular occupied auto. I went around to the passenger seat. Knock and knock and knock. Nothing and nothing. Looked down, just doing my search, whatever, and I see a gun there. Pop it out, "Hey, is that a gun? Step it up." (to Dispatch) Then whole time, kept doing this, kept doing this¿" (Driver) "I'm not reaching for it, it's nothing there, nothing there." (PO MENSAH) "Stop there's the gun. Right there."

Lt. GABRISH - "Is he up?"

PO MENSAH - "Yeah, he's up. Coherent and everything. Put his hands up¿ as soon as I woke him up, 'Wauwatosa Police, Wauwatosa Police. Saw the gun there. Get your hands up, hands up.' Put his hands up. Kept saying, 'Keep your hands up, keep your hands up. And lets leave it at that.' And he (Driver) kept reaching for it. Kept reaching for it. And the last thing was he lunged forward again."

PO MENSAH - "Silver semi automatic on the passenger seat.

Lt. GABRISH - "Did you announce police?"

PO MENSAH - "Oh yeah. He knew I was a cop. I kept saying it over and over. 'Wauwatosa Police.' 'Wauwatosa Police.' He looked right over at my name tag. Right at my uniform. Kept looking at it. (Driver stated) "There's nothing there. Nothing there." (PO MENSAH stated) 'Theres a gun right there. I'm seeing it.'"

Lt. GABRISH - "How many rounds did you shoot?"

PO MENSAH - " Maybe 4 or 5."

Lt. GABRISH - "Did you change any magazines out?"

PO MENSAH - "No."

Lt. GABRISH notified PO MENSAH he would change with him (implying his weapon). "Did they do this stuff with you last time?" PO MENSAH replied, "I kept everything. Everything that I have right now, they want photos of exactly how I look right now. And then they take all that stuff at the station. (Lt. GABRISH did not change out PO MENSAH's weapon.)

Lt. GABRISH advised him to stay with Officer WADE.

Supplement

03:18:58 - "I tried to hit record. Kept hitting record over and over but it wouldn't turn on."

03:20:18 - Conversation with PO WADE:

PO WADE, "Was he reaching for a gun or what?"

PO MENSAH, "Yeah."

PO WADE, "So he was like passed out or what?"

PO MENSAH, "He was faking it."

I watched the remaining video. There was nothing further of evidentiary value.

This report is submitted by Detective Matthew GADZALINSKI, assigned to the Metropolitan Investigations Division, Homicide Unit. On 06-29-16, I recovered items from the Milwaukee Police Department, evidence drying room, which had I had placed inside on 06-23-16. Those items were initially recovered regarding the shooting death of Jay L ANDERSON (B/M [redacted]) which had taken place on 06-23-16 inside of Madison Park, 9800 W Glendale Ave, OIS 2016-8.

Those items were annotated as Item(s) # 4, 5, and 7, on MPD inventory # 16-022217. Once they were removed from the drying room, I had Forensic Investigator James PETERSON (Squad 1921,) photograph the items after they were laid out. This allowed for a better view of the probable bullet hole in the shirt that had been recovered. I the packaged the items for storage.

This report was written by Detective Nicholas JOHNSON, assigned to the Metropolitan Investigations Division-Homicide Unit, Late Shift.

On Thursday, June 23rd 2016, at approximately 3:59am, I was instructed by Lieutenant Joseph McLIN to respond to an Officer Involved Shooting that occurred at Madison Park, located at 9800 W. Glendale Ave., in the City of Wauwatosa, Wisconsin. I was further advised that the Officer involved was from the City of Wauwatosa Police Department and that our agency would be conducting the investigation.

On scene, myself and other members of the Metropolitan Investigations Division were briefed by Lieutenant Gary GABRISH from the Wauwatosa P.D. as to the status and nature of the incident. Lt. GABRISH informed us that at approximately 3:03am, Police Officer Joseph MENSAH was conducting an "After Hour Park Check" at Madison Park and observed a vehicle in the parking lot with one occupant in the drivers seat. He then informed us that Officer MENSAH observed the subject in the vehicle reach for a firearm and fearing for his safety, Police Officer MENSAH fired his duty weapon striking the subject multiple times. Lt. GABRISH then stated that the subject was transported to Froedtert Hospital where he was pronounced deceased.

Lt. GABRISH then identified the deceased as Jay L. ANDERSON (B/M, [redacted]).

After being briefed by Lt. GABRISH, Lt. McLIN informed me that I would be conducting the scene portion of the investigation.

The following Law Enforcement personnel were on scene during the investigation:

Milwaukee Police Department

Squad 9509-Lt. Joseph McLIN
Squad 9536-Det. Matthew GADZALINSKI
Squad 9537-Det. Steven JOHNSON
Squad 9539-Det. Troy PORTER
Squad 9540-Det. Nicholas JOHNSON
Squad 9559-Det. Luke O'DAY
Squad 1921-Forensic Investigator James PETERSON
Squad 1930-Forensic Investigator Lee VEDBRAATEN

Supplement

Squad 4123-Police Officer Robert MOORE

Wauwatosa Police Department

Lt. Gary GABRISH
Police Officer Joseph MENSHA
Police Officer Brian WADE
Police Officer Ralph SALYERS
Police Officer Stephen MILLS
Police Officer Joseph WANG
Police Officer Tyler L'ALLIER
Police Officer Andrew FLORYANCE

The Following members from the Wauwatosa Fire Department were scene:

ENGINE 52
Captain Scott FRIEDRICK
MPO Patrick QUINLEVAN
Fire Fighter Christopher SCHULTZ

MED UNIT 52
Lieutenant Brian O'DAY
Driver/Fire Fighter David TIPPEL

BATTALION 5
Deputy Chief Brent LEE

During the investigation, Medical Investigator Jason RUDELICH from the Milwaukee County Medical Examiners Office also responded to the scene.

SCENE DESCRIPTION

The location of the incident occurred at the Milwaukee County Madison Park, which is located at 9800 W. Glendale Ave., Wauwatosa, Wisconsin.

The park is located between N. 92nd St. and N. 100th St. to the east and west and between W. Hampton Ave. and W. Ruby Ave. to the north and south. The only accessible roadway to the parking lot of the park is W. Glendale Ave. from N. 100th St.

The incident occurred in the parking lot of the park. This is the only parking lot and is accessible from W. Glendale Ave. To the north of the parking lot are tennis courts and basketball courts. To the northwest of the parking lot is the pavilion. That is accessible from a path in the northwest corner of the parking lot. To the West of the parking lot is a volleyball court and Madison Elementary School. To the south is a large field to play soccer. To the east of the parking lot is a Service Yard/Maintenance Garage. Directly east of the garage is the Luther Manor Retirement Community.

The only lighting in the parking lot is a single light that is on the west side of the Service Yard/Maintenance Garage. No surveillance cameras are located within the park, however there are surveillance cameras on the exterior of Madison Elementary School.

The length of the parking lot from North to South Measures 224 feet and 8 inches. The length of the parking lot from East to West measures 358 feet and 4 inches.

During the investigation I took note of 4 vehicles that were in the immediate scene where the incident occurred.

The first vehicle is the deceased's vehicle which was a 2006 Black 4-Door Nissan Altima 2.5S with Wisconsin Registration Plate number [redacted] and Vin # [redacted] The vehicle did not have a front license plate. The vehicle was parked with the front facing to the west in a slight southern angle. I did observe that the front driver door, rear driver side door and front passenger side door were open. I further observed that the front passenger door window was in the down position and that the rear driver side door was broken. I further smelled

Supplement

a strong odor of marijuana in the vehicle. I did not observe any bullet holes on the exterior of the vehicle. I did notice that there was a significant amount of blood on the interior of the vehicle and on the ground next to the front driver side door. I did note that there was $8.00 (1x $5.00 bill and 3x $1.00 bills) in US currency on the front passenger seat of the vehicle. The money was collected and placed on MPD Inventory # 16022241 as safekeeping. This vehicle was later towed to the City of Milwaukee Tow Lot Z-Building under Evidence Tow # 1641003 which was followed by MPD Squad 4123 (Police Officer Robert MOORE).

The second vehicle of note was the patrol squad being operated by Police Officer MENSAH, Patrol Car # P224. The vehicle was a 2015 Marked black Wauwatosa Police Ford Explorer Police Interceptor with operating red and blue police lights. This vehicle was parked to the west of the Nissan Altima, and was facing a northeast direction. The Plate number is [redacted] and Vin # [redacted] I did observe that the front driver door of this vehicle was still open as well as the rear tailgate.

Vehicle #3 was another Wauwatosa Police Vehicle (Car # P222) that was parked just north of where Police Officer MENSAH parked his squad. This vehicle is a 2015 Ford Taurus Police Interceptor 4-door Black in color Sedan marked Police Vehicle with operating Red and Blue police lights. The plate number is [redacted] and Vin # [redacted]. This vehicle was not part of the incident, however was one of the first responding squads on the scene. The vehicle was also parked facing a northeast direction

Vehicle #4 was another Wauwatosa Police Vehicle (Car # P219) that was parked just south of where Police Officer MENSAH parked his squad. This vehicle is a 2015 Ford Explorer Police Interceptor 4-Door black in color SUV marked Police Vehicle with operating Red and Blue police lights. The plate number is [redacted] and Vin# [redacted] This vehicle was not part of the incident, however was one of the first responding squads on the scene. The vehicle was also parked facing a northeast direction.

For measuring the evidence as well as the deceased's vehicle and Police Officer MENSAH's vehicle, I used a square sewer grate that was located in the parking lot as my reference point. The sewer grate measured 2 feet 4 inches x 2 feet 2 inches. The sewer grate measured 99 feet south from the north side of the parking lot and 108 feet and 10 inches from the east side of the parking lot.

I did measure the deceased's vehicle in relation to the reference point. The passenger side rear tire measured 21 feet and 8 inches West and 7 inches South of the reference point. The Front passenger tire measured 30 feet and 7 inches West and 11 inches South of the reference point. The rear drivers side tire measured 20 feet and 4 inches West and 5 feet 8 inches south of the reference point. The front drivers side tire measured 29 feet and 2 inches West and 6 feet and 9 inches South of the reference point.

I did measure Police Officer MENSAH's vehicle in relation to the reference point. The passenger side rear tire measured 69 feet and 8 inches West and 23 feet and 10 inches South of the reference point. The front passengers side tire measured 60 feet and 9 inches West and 20 feet and 1 inch South of the reference point. The rear drivers side tire measured 71 feet and 1 inch West and 17 feet and 5 inches South of the reference point. The front drivers side tire measured 62 feet and 6 inches West and 14 feet and 4 inches South of the reference point.

The distance from the front center bumper of the deceased's vehicle to the front center bumper of Police Officer MENSAH's squad car measured 26 feet and 2 inches.

The two other Wauwatosa Police Squads were not measured, as they were not part of the initial incident.

I did measure the sole light source that was observed on the utility/maintenance garage that is just east of the parking lot. The light measured 118 feet and 1 inch East and 11 feet and 6 inches South of the reference point.

EVIDENCE

During the investigation I observed and took note of several pieces of evidence. The items of evidence were marked with Yellow Police Markers, measured from the same reference point, and later placed on MPD Inventory # 16022240.

The items are as follows:

Supplement

- Yellow evidence Marker #1 (Inventory 16022240, Item #1)-Silver .40 caliber Federal S & W cartridge casing. Measured 36 feet and 4 inches West/ 3 feet and 2 inches North.

- Yellow evidence Marker #2 (Inventory 16022240, Item #2)-Silver .40 caliber Federal S & W cartridge casing. Measured 37 feet and 2 inches West/ 6 feet and 0 inches North.

- Yellow evidence Marker #3 (Inventory 16022240, Item #3)-Silver .40 caliber Federal S & W cartridge casing. Measured 34 feet and 6 inches West/ 6 feet and 7 inches North.

- Yellow evidence Marker #4 (Inventory 16022240, Item #4)-Silver .40 caliber Federal S & W cartridge casing. Measured 32 feet and 11 inches West/ 6 feet and 0 inches North.

- Yellow evidence Marker #5 (Inventory 16022240, Item #5)-Silver .40 caliber Federal S & W cartridge casing. Measured 35 feet and 8 inches West/ 9 feet and 1 inch North.

- Yellow evidence Marker #6 (Inventory 16022240, Item #6)-Silver .40 caliber Federal S & W cartridge casing. Measured 26 feet and 4 inches West/ 13 feet and 9 inches North.

- Yellow evidence Marker #7 (Inventory 16022240, Item #7)-White towel with blood stains. Measured 32 feet and 1 inch West/ 9 feet and 9 inches South.

- Yellow evidence Marker #8 (Inventory 16022240, Item #8)-Gold and Diamond praying hands pendent/charm. Measured 24 feet and 8 inches West/ 10 feet and 8 inches South.

- Yellow evidence Marker #9 (Inventory 16022240, Item #9)-Deformed copper jacketed projectile. Measured 35 feet and 1 inch East/ 70 feet and 11 inches South.

The following items were also recovered and placed on MPD Inventory # 16022240 during the investigation, however they were not measured. The items and recovery locations are as follows:

- Yellow Evidence Marker #10 (Inventory 16022240, Item #10)-White "Blu" brand touch screen cell phone. Item recovered from the front passenger seat of the deceased's vehicle. The item was recovered from the vehicle so that it would not get lost or damaged during the transport. Serial No. G1507283030968.

- Yellow Evidence Marker #11 (Inventory 16022240, Item #11)-9mm Ruger SR9c semi-auto handgun with silver slide and black handle with a 17 shot capacity magazine. Serial No. [redacted] Milwaukee Gun Tag 75495. The firearm was recovered from the trunk of Wauwatosa Sqaud # P222. I did note that the gun was loaded with 16 rounds in the magazine and 1 round in the chamber.

- Yellow Evidence Marker #12 (Inventory 16022240, Item #12)-Total of 7-9mm Luger CBC copper jacketed unfired cartridges that were recovered from Item #11.

- Yellow Evidence Marker #12 (Inventory 16022240, Item #13)-Total of 5-9mm Luger RP copper jacketed unfired cartridges that were recovered from Item #11.

- Yellow Evidence Marker #12 (Inventory 16022240, Item #14)-Total of 5-9mm Aguila copper jacketed unfired cartridges that were recovered from Item #11.

During the investigation, Forensic Investigator VEDBRAATEN did video record the scene using a handheld video recorder. He was then able to transfer the recording onto a DVD which was later placed on Inventory # 16022240 as item #15.

Supplement

During the investigation, the area was thoroughly checked using metal detectors for any other casings or fired projectiles, however none were located.

The firearm that I recovered during the incident (Inventory 16022240, Item #1) was later turned over to Forensic Investigator Chet. ST. CLAIR at the Bureau of Identification to be processed for fingerprints and DNA.

THIS CONCLUDES MY REPORT.

This report is typed by Det. James CAMPBELL assigned to squad 9527 of The Metropolitan Division, Homicide Unit on The Early Shift.

On Friday 07/08/2016, Lt. Lucretia THOMAS did assign me follow-up regarding the Officer Involved Shooting (Wauwatosa PD), 06/23/2016 that occurred at Madison Park, 9800 W. Glendale Ave. (CAD #16-175-0406). Jay L. ANDERSON was identified as the victim in the offense. The follow-up consisted of conducting an interview of J[redacted] L[redacted], B/M[redacted] The interview occurred in the Conference room at District 7 while L[redacted] was uncuffed. The interview was specifically geared toward the Ruger SR9C 9mm, Serial #[redacted] purchased by L[redacted] 07/14/2014.

L[redacted] stated that he is a CCW permit holder, and he got his license after he turned 21 (March or April 2014). L[redacted] stated that he purchased the gun to carry in July 2014. L[redacted] stated that he often carried it in his car. L[redacted] stated that he last remembers bringing the gun into his house before they had a fire at his house in July 2015. L[redacted] related that he currently does not know where the firearm is.

L[redacted] stated that after the fire, the family moved to a hotel on 107th and Good Hope for several weeks, then moved to St. James Place, then moved back to [redacted] in February 2016. L[redacted] stated that he was scared to tell his Father that he could not find the gun. L[redacted] stated that he is the only person who would have had access to the gun. L[redacted] stated that he has been recently travelling the world, making basketball mix tapes with ELITEMIXTAPE. L[redacted] stated that he had a lot of things going on his life and had kind of forgot about the gun.

L[redacted] stated that he had often carried the gun when he first got it, however carried it less frequently because the tint in his car caused him to get stopped. L[redacted] stated that he has a 2015 Kia Optima , Plate [redacted] L[redacted] stated that he purchased the gun from Gander Mountain in the company of [redacted], T[redacted] M[redacted] L[redacted] denied that he had purchased the gun for someone else, and denied loaning it or giving it to anyone.

L[redacted] identified a photo (111508625) of Jay L. ANDERSON, B/M[redacted] as Jay. L[redacted] stated that he knows of Jay from playing pick up Basketball at the West Suburban YMCA. L[redacted] stated that it has been about 5 years since he has seen Jay, and that the last time he had seen him, he had short hair. L[redacted] stated that he had no idea how the gun got into Jays hands. L[redacted] stated that he had seen Jays photo in the news. L[redacted] did inquire about getting his firearm back and I refererred him to The MPD Gun Desk.

Incident Report
MILWAUKEE POLICE DEPT

161750037 Supplement No 0026

Supplement

A check of RMS revealed there was a fire at his house 06/08/2015, 15-159-0161. The damage to the house was estimated at $50,000.

L[redacted] is not listed in RMS, and has only a paid traffic ticket for an illegal Uturn in CCAP. I was unable to determine any linkage between L[redacted] and ANDERSON from MPD CAD or Incidents.

This report is written by Detective Troy PORTER (Squad 9539) assigned to the Metropolitan Investigations Division-Homicide Unit, Late Shift.

This report details follow-up conducted regarding the Officer Involved Shooting, involving a Wauwatosa Police Department Police Officer that occurred on Thursday 06-23-16 at Madison Park, 9800 W. Glendale Avenue, Wauwatosa, WI (IR #16-175-0037).

On Monday, July 10, 2016, I was directed by Lieutenant Joseph MCLIN to assist him in a meeting with Attorney Yoa O. DINIZULU to provide Atty. DINIZULU an opportunity to view a portion of the squad video that depicted the incident. This was offered as a courtesy to Atty. DINIZULU and would be done prior to the case being presented at the District Attorney's Office.

At approximately 11:30 a.m. Lt. MCLIN and I met with Atty. DINIZULU, Investigator Dennis K. WALLER, and Jay ANDERESON JR'S father, Jay L. ANDERSON SR (B/M, [redacted] on the 6th floor of the Police Administration Building (PAB), 749 W. State Street. Atty. DINIZULU, WALLER, and ANDERSON SR accompanied Lt. MCLIN and I to the Line-up room to show the video.

Lt. MCLIN played approximately 20 seconds of the video obtained from Police Officer Joseph MENSAH'S squad car. It was viewed on the big projection screen. Atty. DINIZULU asked to view the video on the computer monitor, which appeared to be a clearer view of the video. He was provided with that request.

Lt. MCLIN explained that the Metropolitan Investigations Division was handling the investigation, and that upon completion, the reports would be handed over to the District Attorney's office.

Only the persons mentioned above were provided the opportunity to view the video. They were not permitted to bring any recording devices into the room.

Supplement

This report is written by Det. Luke O'DAY assigned to Metropolitan Division, Homicide Unit (Late Shift).

This report details follow-up conducted regarding the Officer Involved Shooting (Wauwatosa PD) at Madison Park, 9800 W. Glendale Ave. (IR #16-175-0037).

On Tuesday, July 12, 2016, I reviewed Wauwatosa Police Department radio traffic recorded during the time of the incident . The file had been downloaded from their department and hand delivered to Metro. I located the file in Mfile folder *Police Related.* Folder *OIS 08-2016Wauwatosa* was located inside. Wav file *16-18370 PD radio* was located inside folder *16-18370- Sqd video OIS 2016-8.* The file was 34:18 in length.

PO Joseph MENSAH was assigned to Squad 305.

I made the following observations:

00:02 - PO MENSAH - "(Squad) 305 Occupied auto at Madison Park."

00:05 - Dispatch - "10-4. (Squad) 318"

00:12 - Squad 318 - "10-4. From the station."

00:48 - PO MENSAH - "305"

00:50 - Dispatch - "305"

00:53 - PO MENSAH - "28. 749-Union Sam David, 749-USD."

01:24 - Dispatch - "305. 29's a negative. 2016 for an Altima, silver in color. To an [redacted]

01:44 - PO MENSAH - "10-4"

03:36 - PO MENSAH - "305. Step it up. He has a gun."

03:41 - Dispatch - "All squads respond to Madison Park. All squads respond to Madison Park."

Supplement

04:00 - Dispatch - "370. Did you copy?"

04:04 - Squad 370 - "I did not. I'm sorry, can you go ahead?"

04:08 - Dispatch - "305 is out with a subject at Madison Park who has a firearm."

04:18 - Squad 370 - (unable to understand what the squad is saying)

04:22 - Dispatch - "Affirmative. Everybody is going."

04:40 - PO MENSAH - "305! Shots fired! Shots fired!"

04:45 - Dispatch - "All squads step it up at Madison Park. All Squads. 305 are you okay?"

04:54 - PO MENSAH - "305. I'm ok. Suspect down."

04:59 - Dispatch - "Dispatch copies. Suspect down."

05:27 - Sqd 370 - "370 en route."

05:30 - Dispatch - "10-4"

05:34 - Dispatch - "305 status?"

05:38 - PO MENSAH - "305. I'm ok. Suspect down"

05:41 - Dispatch - "10-4"

05:44 - WFD - "Fire to Base Command"

05:53 - PO MENSAH - "305. You can have Fire stage on 100th St."

05:58 - Dispatch - "10-4. Is it safe for other squads to come in?"

06:03 - PO MENSAH - "Um. Affirmative. But now I have no idea if there is anyone else in the park. It's just me and him right now."

06:17 - Dispatch - "10-4. Was there anyone else in the car?"

06:21 - PO MENSAH - "Negative. Just me and him."

06:24 - Dispatch - "10-4"

06:28 - Squad 318 - "Squad 318 10-23."

06:30 - Dispatch - "10-4"

07:04 - Dispatch - "370"

07:05 - Squad 370 - "Go ahead."

07:07 - Dispatch - "Would you like any assistance from West Allis?"

07:15 - Squad 370 - "Let see what we have a minute. 370 to 305"

07:20 - PO MENSAH - "305 go."

07:24 - Squad 370 - "How's it looking? Are you okay. And shot's fired correct?"

07:30 - PO MENSAH - "Affirmative. Shots fired. Suspect down."

07:38 - Squad 370 -"10-4"

07:44 - Squad 370 - "Dispatch. At this point why don't you have Milwaukee County Sheriff's to respond for mutual aid."

Supplement

07:52 - Dispatch - "10-4"

07:59 - Squad 301 - "301 23."

08:04 - Dispatch - "10-4 301."

08:05 - Dispatch - "318 were you calling?

08:42 - Dispatch - "305. You have a better area of the park you are in?"

08:48 - Squad 301 - "301 to Dispatch. They are clearing the vehicle right now. I'm headed around the park to see it anyone else is in here."

08:58 - Dispatch - 10-4. "The Sheriffs were asking if there was a better location to respond to in the park."

09:06 - Squad 301 - "The main entrance to the park, the main driveway, is probably best way now."

09:15 - Squad 318 - "318. I have a 30 something year old male black. He's not breathing at this time."

09:25 - Dispatch - "10-4. I have Fire staging."

09:30 - Squad 315 - "315. I'm 23."

09:38 - Dispatch - "10-4"

09:44 - PO MENSAH - "305. We are in the parking lot."

09:48 - Dispatch - "10-4"

10:20 - Squad 370 - "370 is on scene."

10:23 - Dispatch - "10-4"

11:23 - Squad 318 - "318. P&B

11:28 - Dispatch - "10-4 318. Is it safe for Fire to enter?"

11:32 - Squad 318 - "Affirmative."

11:35 - Dispatch - "10-4"

11:52 - Dispatch - "303. Were you calling?"

11:55 - Squad 303 - "Not for now."

11:58 - Dispatch - "10-4"

12:00 - Squad 370 "370. Have command here."

12:07 - Dispatch - "10-4 370."

12:13 - Squad 22 (?) - "22 is 23."

12:39 - Squad 318 - "318. He does have a pulse."

12:44 - Dispatch - "10-4"

12:45 - Squad 370 - "370. Mark this time right now for Med making contact with the subject."

12:52 - Dispatch - "10-4"

Supplement

I listened to the remaining 21:26 minutes of audio and did not hear anything further of evidentiary value.

Supplement

This report is written by Det. Luke O'DAY assigned to Metropolitan Division, Homicide Unit (Late Shift).

This report details follow-up conducted regarding the Officer Involved Shooting (Wauwatosa PD) at Madison Park, 9800 W. Glendale Ave. (IR #16-175-0037).

On Saturday, July 16, 2016, I reviewed squad car video obtained from the Wauwatosa Police Department. It had been downloaded from Wauwatosa PO Stephen MILLS' squad camera. I located the video in Mfile folder *Police Related.* Folder *OIS 08-2016Wauwatosa* was located inside. Through a series of folders, I located the player AVViewer. Through the viewer, I was able to access file *030642.av*.

The video was from 3:06:21 AM - 3:17:11 AM.

I made the following observations:

The numbers "P222@4" is depicted in the lower right corner of the camera video. The date "06/23/2016" and time "03:06:21" can be viewed underneath.

The video depicts the view from the front dashboard of the squad car. The audio begins at 03:06:41. Lights and siren were activated at 03:06:42.

The squad arrived at 3:09:30 and took a position to the left (north) of PO Joseph MENSAH's vehicle; slightly to the west. PO MILLS was the first backup unit to arrive on scene. PO MENSAH could be observed standing at the driver rear of his squad, monitoring the suspect vehicle while awaiting the arrival of backup.

(* The video depicted a similar viewpoint of PO MENSAH's squad video. That video was described in detail in Supplement report #22.)

03:10:53 - PO Ralph SALYERS, PO MILLS, and PO MENSAH, tactically approach the driver side of the vehicle.

03:11:13 - The driver side door was opened by one of the officers.

03:12:07 - PO MILLS removed an item from the passenger front seat with his right hand and walked around the rear of the vehicle with his arm extended in down toward the ground. He rejoined PO SALYERS and together

Supplement

they disengaged from the vehicle.

03:13:34 - An officer approached the driver front door and appeared to check the driver. Other officers join him.

03:15:28 - The officers removed the suspect from the driver seat to administer first aid.

** It should be noted I did not transcribe any radio traffic heard in this video. All radio traffic was previously transcribed in Supplement report #28.

This report was written by Detective Nicholas JOHNSON assigned to the Metropolitan Investigations Division-Homicide Unit, Late Shift.

On June 24th, 2016 I compiled a Letter of Transmittal to the State of Wisconsin Crime Lab regarding analysis of evidence recovered regarding this investigation. Items sent out to the crime lab included DNA swabs that were taken from a firearm that was recovered from the deceased, identified as Jay L. ANDERSON (B/M, [redacted] as well as his DNA standard.

On July 21st, 2016 I received a Confidential Report of Laboratory Findings from Michelle M. BURNS of the State of Wisconsin Regional Crime Lab that was dated July 7th, 2016. The case was assigned number R16-2393.

In the report it states "An STR profile that is a mixture of DNA from at least three individuals was detected from the pistol grip and trigger swabs (Item J1). Assuming DNA from only three individuals in this mixture, a major male contributor can be determined at nine genetic markers. The major contributor STR DNA profile determined from Item J1 is consistent with the STR DNA profile detected from Jay L. ANDERSON."

A copy of the report will be kept with the Metropolitan Investigations File regarding this incident.

THIS CONCLUDES MY REPORT.

This report is written by Det. Luke O'DAY assigned to Metropolitan Division, Homicide Unit (Late Shift).

This report details follow-up conducted regarding the Officer Involved Shooting (Wauwatosa PD) at Madison Park, 9800 W. Glendale Ave. (IR #16-175-0037).

On Saturday, July 16, 2016, I reviewed squad car video obtained from the Wauwatosa Police Department. It had been downloaded from Wauwatosa PO Ralph SALYERS squad camera. I located the video in Mfile folder *Police Related.* Folder *OIS 08-2016Wauwatosa* was located inside. Through a series of folders, I located the player AVViewer. Through the viewer, I was able to access file *030615.av.*

The video was from 3:05:54 AM - 3:24:08 AM.

I made the following observations:

The numbers "P219@Sq318" is depicted in the lower right corner of the camera video. The date "06/23/2016" and time "03:05:54" can be viewed underneath.

The video depicts the view from the front dashboard of the squad car. The audio begins at 03:05:54. Lights and siren were activated at 03:06:16.

The squad arrived at 3:09:37 and took a position to the right (south) of PO Joseph MENSAH's vehicle. PO SALYERS parked his squad about half a car length to the west of PO MENSAH's squad. He arrived a few seconds behind PO MILLS who parked on the north side of PO MENSAH's vehicle.

(* The video depicted a similar viewpoint of PO MENSAH's squad video. That video was described in detail in Supplement report #22.)

03:10:02 - PO SALYERS appeared from the driver side of his squad armed with a patrol rifle.

03:10:17 - PO SALYERS - "Joe's (PO MENSAH), are we getting up on there on it or what?" PO MENSAH replied that he wasn't. PO SALYERS asks another officer off (who was off screen), "Are we getting up there or what?" That officer replies, "When we get a third squad here we will go up on it."

Incident Report
MILWAUKEE POLICE DEPT

Supplement

03:10:40 - PO MILLS stacks up behind PO SALYERS with a handgun and PO MENSAH takes the third position as they make the decision to approach the vehicle.

03:10:41 - PO MENSAH can be heard stating, **"The firearm is right next to him on the passenger seat."**

03:10:44 - The three officers approach the driver front of the vehicle.

03:11:12 - The driver front door was opened by PO MILLS.

03:11:17 - One of the officers asked, **"Where's the gun?"** Another officer responds, **"Passenger seat."**

03:11:22 - An officer asks, "Do you want to go secure it?"

03:11:26 - PO MENSAH disengages and walks back toward the squads.

03:11:34 - An officer asks, "Is he still breathing?"

03:11:41 - One of the officers states, **"Just go to the side and secure the gun, ok?"** PO MILLS walks around the rear of the vehicle to the passenger front.

03:11:55 - "318. I have a 30 something year old male black. He is not breathing at this time."

03:12:02 - PO SALYERS asked PO MILLS, "Can you grab it or no?" "Put your glove on and grab it out of there."

03:12:08 - PO MILLS reached into the passenger front of the vehicle. "Got it." And returned to the driver side of the vehicle.

03:12:19 - PO MILLS asked, "Come with me? And I can secure the gun." Both officers disengage from the vehicle. PO MILLS left arm was fully extended down by his left side as if he was carrying something.

03:12:34 - PO MILLS changes the object to his right hand and asks, "Do you want me to clear it?" A third officer walks up and asked if the weapon was secured. PO SALYERS responded, **"He scooped it up just to get it out of there."**

03:13:02 - PO SALYERS stated, "Well, secure that." PO MILLS transfers the weapon back to his left hand. He appears to have some sort of a bag in his right hand (back is to the camera).

03:13:09 - The sound of a weapon being cleared can be heard. (PO SALYERS clearing the patrol rifle.)

03:13:19 - PO SALYRES approached PO MILLS after clearing his patrol rifle. PO MILLS began to ask if he should clear the weapon. PO SALYERS interrupts him to say he wants to check on the subject inside the vehicle; "I just want to make sure to see if I can do anything."

(03:13:45 - 03:13:56 - A handgun can be observed in PO MILLS' left hand.)

03:13:46 - A second police officer walks toward the vehicle to join PO SALYERS.

03:13:55 - PO SALYERS had returned to the vehicle to check on the status of the driver. He stated, "Nothing. He's got no pulse."

03:13:58 - PO SALYERS stated to Dispatch, "318. P & B." At the same time, PO MILLS walks away out of camera view to the northwest. Additionally, a police officer walks up to the vehicle with what appears to be some sort of a med kit.

03:14:04 - Dispatch - "10-4 318. Safe for fire engine?"

03:14:08 - PO SALYERS responded, "Affirmative."

03:14:45 - An officer asked if he was breathing at all. PO SALYERS responded, "No. There's nothing. There's ¿"

03:14:54 - The officer asked if they should pull him out and start CPR. PO SALYERS responded that, "He's got a pulse."

03:15:01 - One of the officers says to pull him out.

Supplement

03:15:05 - One of the officer's calls out (unknown if to Dispatch) - "57E - He's got a pulse." Pull him out, grab his head, watch his head." The driver is then moved to the ground from the vehicle. The officer directs PO SALYERS to notify Dispatch, which he does.

03:15:16 - Wauwatosa Fire Department arrives on scene, stopping to the south of the vehicle.

03:15:20 - Squad 370 - "370. Mark this time now for Med making contact with subject."

I watched the remaining video. There was nothing further of evidentiary value.

This report is written by Det. Luke O'DAY assigned to Metropolitan Division, Homicide Unit (Late Shift).

This report details follow-up conducted regarding the Officer Involved Shooting (Wauwatosa PD) at Madison Park, 9800 W. Glendale Ave. (IR #16-175-0037).

On Thursday, July 21, 2016, I reviewed squad car video obtained from the Wauwatosa Police Department. It had been downloaded from Wauwatosa PO Bryan Wade's squad camera. I located the video in Mfile folder *Police Related*. Folder *OIS 08-2016Wauwatosa* was located inside. Through a series of folders, I located the player AVViewer. Through the viewer, I was able to access file *031447.av*.

The video was from 03:14:17 AM - 03:17:23 AM.

I made the following observations:

The numbers "P232@302" is depicted in the lower right corner of the camera video. The date "06/23/2016" and time "03:14:17" can be viewed underneath.

The video depicts the view from the front dashboard of the squad car. The audio begins at 03:14:48; the emergency lights are activated from the start of the video.

03:14:17 - The squad is traveling toward the scene.

03:15:10 - The squad arrives as the Wauwatosa Fire Department is also arriving. It follows the fire truck onto the scene.

03:15:18 - An officer calls out over the air, "¿ He's got a pulse."

03:15:24 - Squad 370 - "370. Mark this time now for Med making contact with subject."

03:15:35 - The squad parked on scene (to the south and west of PO MENSAH's vehicle). It appeared the driver of the vehicle was laying outside the vehicle with officers and medical attention around him. Neither PO MENSAH nor PO MILLS (with the firearm) were in view of the squad camera.

Supplement

03:16:11 - PO WADE was assigned to stay with PO MENSAH by Sqd 370, Lt. GABRISH.

03:17:23 - The video ends.

This report is written by Det. Luke O'DAY assigned to Metropolitan Division, Homicide Unit (Late Shift).

This report details follow-up conducted regarding the Officer Involved Shooting (Wauwatosa PD) at Madison Park, 9800 W. Glendale Ave. (IR #16-175-0037).

On Thursday, July 21, 2016, I reviewed surveillance video obtained from the Wauwatosa Police Department. It had been downloaded from Madison Elementary School located at 9925 W. Glendale Ave. in Wauwatosa. It was delivered to MPD recorded on a Kingston 8GB flash drive. The content was downloaded to Mfile folder titled *Police Related.* Folder *OIS 08-2016Wauwatosa* was located inside. Through a series of folders, I located the player DS Media Player. Through the viewer, I was able to access file *Wauwatosa PD case 16-18370 Madison Elementary_.xpa.*

A supplement report filed by Wauwatosa Police Officer Joel KUTZ was delivered along with the flash drive. PO KUTZ, assigned as a School Resource Officer, authored a report regarding viewing the surveillance video.

I reviewed the video and found PO KUTZ's observations were accurately reported.

Supplement

This report is submitted by Detective Gust Petropoulos assigned to the Homicide Unit.

On Thursday, July 21st, 2016 Lieutenant Joe McLin requested that I retrieve items from a vehicle being stored at the "X" building at the city tow lot and bring them to the office of Deputy District Attorney Kent Lovern. These items specifically were a child's car seat and a wallet. I made contact with Police Officer Jon Parker, who advised that a prior request had been made for these items and that they had been retrieved from the vehicle by Police Officer Joseph Anderer and placed aside the vehicle. I went to the city tow lot, obtained these items, and conveyed them to Mr. Lovern's office where I personally gave them to him.

Supplement

This report is submitted by Detective Doreen Gordy, of the Intelligence Fusion Center, High Technology Unit, day shift.

On July 25, 2016, Detective Nicholas Johnson submitted a request for the forensic exam of a cell phone listed on inventory 16022240, item 10. The request was based on the death of the owner of the phone.

I obtained the phone from the Property Bureau warehouse on July 25, 2016, and conveyed it to the High Technology Unit for the exam.

The phone was a Blu Studio G, model D790U, with the following identification numbers:
Serial Number: G1507283030968
IMEI 1: 359015064990125
IMEI 2: 359015065090172
Sim Card: Family Mobile: 8901260772182509448

The phone contained a 4GB Sandisk micro sd card.

I powered on the phone inside a Faraday box at the beginning of the exam and observed that the phone was PIN protected.

Using the Cellebrite Physical bootloader, lock bypass, extraction, I acquired the following:
call log, chats, contacts, cookies, locations, users, emails, installed apps, mms, passwords, powering events, searched items, sms, user accounts, user dictionary, Web bookmarks, Web history, wireless networks, audio files, images and videos, as well as the PIN code to the phone.

The Cellebrite Physical extraction results in the creation of a binary dump file. The .bin file can be imported into Magnet Forensic's Internet Evidence Finder, (IEF), for further analysis.

I imported the .bin file into IEF, which was successful in parsing the following:
Facebook URL's, email messages, pictures, and voicemail.

I removed the micro sd card from the phone. Using the Cellebrite Physical micro sd card extraction, I acquired the following:
audio files, images and videos.

Supplement

At the conclusion of the exam, I unlocked the phone using the PIN code extracted by Cellebrite. I viewed the phone number to the phone as it displayed on the phone; [redacted].

I exported the forensic exam reports for the phone to DVD and placed that DVD on inventory 16027044. I have provided the Homicide Unit with three copies of the exam disc.

This concludes my portion of the investigation at this time, but does not exhaust the possibility of additional items of evidentiary value residing on the media. Additionally, although Cellebrite acquired the call history from the device, the most accurate information as to call history must come from the service provider.

Supplement

This report is written by P.O. Michael PEREZ, assigned to the IFC Crime Gun Intelligence Center as a Forensic Technology Certified IBIS Technician. I was certified by the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) as an IBIS technician on 07-30-2015.

IBIS stands for Integrated Ballistics Identification System, which is part of the National Integrated Ballistics Information Network (NIBIN).

On 08-19-2016, I proceeded to Property Control Section (PCS) and retrieved the firearm listed on inventory #16022240 item #11, a Ruger model SR9c, 9mm pistol with a serial number [redacted] and MPD gun tag #75495.

I performed a test firing of the pistol using two 9mm cartridges.
#1, a PMC brand with brass casing and brass primer.
#2, a Blazer brand with brass casing and nickel primer.

Both casings were recovered and this **test fire was assigned case #F16-2812**.

The firearm was returned to PCS.

On 08-23-2016, I examined both test fire casings under a stereo microscope and determined that casing #1 was the most suitable for entry into IBIS. I cleaned the head stamp of casing #1 with a nylon bristle brush to remove any debris. I observed the firing pin to be circular shaped with drag marking. I observed it had granular breech face characteristics. I observed definitive extractor and definitive ejector marks on the casing.

I entered the firearm into IBIS as exhibit # 1.
I entered the casing into IBIS as exhibit #2.

Both test fire casings were packaged, sealed and secured in the Milwaukee Police Department NIBIN lab.

On 08-31-2016 I reviewed the correlations regarding **F16-2812** exhibit #2. I determined **there is (1) NIBIN leads developed** at this time for this exhibit.

NIBIN leads developed

F16-1544 exhibit #1, which is a ESBUODW casing on inventory #16010670, item #1. This incident is an ESBUODW investigation, incident #16-089-0009, which occurred on 03-29-2016 at 4761 N. 30th Str.

Supplement

These findings are based on IBIS/NIBIN training and the findings are highly probable. MPD IBIS/NIBIN technicians are not Tool Mark Specialist and all confirmations are to be directed to the Wisconsin State Crime Lab (WSCL).

Supplement

This report is written by Det. Luke O'DAY assigned to Metropolitan Division, Homicide Unit (Late Shift).

This report details follow-up conducted regarding the Officer Involved Shooting (Wauwatosa PD) at Madison Park, 9800 W. Glendale Ave. (IR #16-175-0037).

On Wednesday, October 19, 2016, Metropolitan Investigation Division received a packet containing enhanced video and digital charts from the FBI.

On Friday, October 21, 2016, Lt. Paul KAVANAGH delivered the packet to me for review. I opened the packet and observed the following items:

1 - Manila envelope containing 2 DVD's:
  1 - processed segment
  2 - processed digital charts

2 - Letter from Metro Division to FBI, Special Agent COSTABILE, regarding request for enhanced video

3 - 2 manila folders containing 6 prepared charts in each folder

4 - Content list from FBI containing items in this inventory.

On 10-26-16, Metropolitan Investigation Division received a second packet containing a single DVD from the FBI. The packet contained the following item:

5 - Manila folder containing 1 DVD of processed segment

I subsequently made copies of the DVD's and placed the original DVD's, charts, and letter on **MPD inv #16039356, items #1-5.**

I reviewed the 2 DVD's from item #1 (received on 10-19-16) and the 1 DVD from item #5 (received on 10-26-16) and made the following observations:

MPD inv #16039356, item #1
DVD #1 - labeled "Processed video from HQQ005628"
  00:00 - 04:43 in length
  Lab #HQQ160819003 AI
  Case #343G-MW-2063008
"Processed video from pertinent segment of HQQ005628 recording (Slow Motion /Enlarged)"

The video segment is of time stamp 6-23-16 03:06:55 to 03:08:00 of PO MENSAH's squad video. It is in slow motion and enlarged. Due to the enlargement, it is highly pixelated, but the right arm movement is more easily viewed and followed. It depicts the same video earlier described in supplement report #22.

MPD inv #16039356, item #1
DVD #2 - labeled "Processed digital charts"

The DVD contains 6 TFF image files:

ContactSheet-001
ContactSheet-002
ContactSheet-003
ContactSheet-004
ContactSheet-005
ContactSheet-006

The charts depict a series of still photos in sequential order of time from 03:06:55 - 03:07:14

Incident Report
MILWAUKEE POLICE DEPT

161750037 Supplement No 0038

Supplement

MPD Inv #16039356, item #5
DVD #1 - labeled "Processed video from HQQ005628"
00:00 - 04:43 in length
Lab #HQQ160819003 AI
Case #343G-MW-2063008
"Processed video from pertinent segment of HQQ005628 recording (Slow Motion/Enlarged)"

The enhanced video appeared to be the same video depicted in DVD #1 (Item #1)

I made copies of the DVD's and placed them in the electronic Mfile. Copies of the DVD's are to be delivered by myself to Chief Deputy District Attorney Kent LOVERN.

Form PF-3 06/14

MILWAUKEE POLICE DEPARTMENT
Consent to Search Authorization

I, Olena De La Rosa DOB: 08-10-77 acknowledge the following:

1. I am voluntarily, freely, and knowingly, without threats or promises, allowing a search of the below listed person, property and/or vehicle by police. I also have the right to end this search at any time after it has begun.

2. I am the legal owner of the below listed location and/or property or it is under my legal control.

3. I give the police officer(s) the authority to remove any contraband, stolen property or evidence of any other crime that is found during their search.

4. I have the constitutional right to refuse this consent search and I have the right to require the police officer(s) to obtain a search warrant before a search is made.

Signed: X Olena De La Rosa Date: 06-23-16 Time: 10:55 AM/PM

CRIME LAB NUMBER:

VICTIM: PO Joseph Mensah

SUSPECT: Jay L. ANDERSON Jr. (B/M, [redacted]

LOCATION: 9800 W. Glendale Ave. Wauwatosa, WI

DATE: 06-23-2016

ISSUING D.A.:

STATUS OF SUSPECT: Deceased

DESCRIPTION OF EVIDENCE

A. Glock 22, Black .40 caliber handgun serial # [redacted] placed on Milwaukee Police Department Inv# 16022232 as Item #2

B. Silver .40 caliber Federal S&W spent cartridge casing placed on Milwaukee Police Department Inv# 16022240 as Item #1

C. Silver .40 caliber Federal S&W spent cartridge casing placed on Milwaukee Police Department Inv# 16022240 as Item #2

D. Silver .40 caliber Federal S&W spent cartridge casing placed on Milwaukee Police Department Inv# 16022240 as Item #3

E. Silver .40 caliber Federal S&W spent cartridge casing placed on Milwaukee Police Department Inv# 16022240 as Item #4

F. Silver .40 caliber Federal S&W spent cartridge casing placed on Milwaukee Police Department Inv# 16022240 as Item #5

G. Silver .40 caliber Federal S&W spent cartridge casing placed on Milwaukee Police Department Inv# 16022240 as Item #6

H. Deformed copper jacketed bullet placed on Milwaukee Police Department inv # 16022240 Item # 9.

I. Ruger SR9c 9mm handgun with a silver slide and black handle, serial # [redacted] [redacted] placed on Milwaukee Police Department Inv# 16022240 as item # 11

J. DNA swabs collected from the grip and trigger of the 9mm Ruger (Item I) placed on Milwaukee Police Department inv # 16022269 item 1.

K. DNA swabs collected from the slide of the 9mm Ruger (Item I) placed on Milwaukee Police Department inv # 16022269 item 2.

L. DNA swabs collected from the barrel the 9mm Ruger (Item I) placed on Milwaukee Police Department inv # 16022269 item 3

M. DNA swabs collected from the magazine of the 9mm Ruger (Item I) placed on Milwaukee Police Department inv # 16022269 item 4.

N. Dried blood standard collected from ANDERSON placed on Milwaukee Police Department Inv# 16022260 as Item #1

O. Five (5) grain of bullet fragments placed on Milwaukee Police Department Inv# 16022260 as Item #2

P. 162 grain deformed copper jacketed bullet placed Milwaukee Police Department Inv# 16022260 as Item #3

Q. 162 grain deformed copper jacketed bullet placed Milwaukee Police Department Inv# 16022260 as Item #4

EXAMINATION OF EVIDENCE

It is requested that items A (Glock 22 serial # [redacted]) and I (9mm Ruger SR9c serial # [redacted] be examined to determine functionability and trigger pull.

It is requested that Items B, C, D, E, F, and G be examined and compared to Items A and I.

It is requested that items H, O, P, and Q be examined and determine (if possible) the caliber, make or type of firearm these projectiles originated from along with examining these items to determine if they were fired from the submitted guns, items A and I. Further request that these items be examined for any other trace evidence you deem appropriate.

It is requested that an examination be performed to determine genetic profile of items J, K, L, and M. Item N is supplied as a comparison standard to any questioned DNA evidence determined in physical evidence within this transmittal.

STATEMENT OF FACTS

On 6-23-2016, Wauwatosa Police Officer MENSAH was conducting an After Hour Park check at Madison Park located at 9800 W. Glendale Ave. Officer MENSAH observed the suspect asleep in a 2006 Nissan Altima. PO MENSAH attempted to awake the suspect and when he did, he observed a semi-auto handgun next to the suspect. The suspect was ordered to keep his hands up, however the suspect then made movement for his handgun. PO MENSAH fearing for his safety, discharged his duty weapon, striking the suspect several times. The suspect died as a result of his injuries.

WHERE ITEMS OBTAINED

Items A was recovered from PO MENSAH at the Wauwatosa Police Department at 1700 N 116th ST. Items B thru I were recovered from the scene of the incident at 9800 W. Glendale Ave (Madison Park), Wauwatosa, WI. Items J through M were recovered from suspects gun at the Milwaukee Police Department Administration Building located at 749 W. State St. Items N through Q were recovered from ANDERSON's body at the Medical Examiners Office.

**Note, when items of evidence are ready to be returned, request that the Criminal Investigation Bureau be notified.

Respectfully submitted

Detective Nicholas JOHNSON – P.S. #016252
Metropolitan Investigation Division/Late Shift.

AUTOPSY PROTOCOL

NAME: ANDERSON, JAY L., JR. SEX: MALE AGE: 25 YEARS

DOB: 07/04/1990

DATE OF DEATH: JUNE 23, 2016 TIME: 0405 HOURS

DATE OF AUTOPSY: JUNE 23, 2016 TIME: 0820 HOURS

PLACE OF AUTOPSY: Milwaukee County Medical Examiner's Office

PERFORMED BY: Wieslawa Tlomak, MD
Deputy Chief Medical Examiner

WITNESSED BY: Amanda Meeker
Forensic Pathology Assistant

Detective Joe Lewandowski
City of Wauwatosa Police Department

Michael Braunreiter, PSSI
Milwaukee Police Department

Forensic Investigator Doug Brahm
Milwaukee Police Department

CAUSE OF DEATH: Gunshot Wounds of the Head

MANNER OF DEATH: Homicide

Signed W. Tlomak, MD 7/19/2016
Wieslawa Tlomak, MD Date Signed
Deputy Chief Medical Examiner

NOTES BY: WE TYPE/SG, MEDICAL TRANSCRIBER

Milwaukee County Medical Examiner
933 West Highland Avenue
Milwaukee, WI 53233

AUTOPSY PROTOCOL

Final Diagnoses:

I. Gunshot wound of the head, indeterminate range of fire with exit
   - A. Entrance gunshot wound on the right ear
   - B. Perforation of the right ear, petrous part of the right temporal bone, clivus, petrous part of the left temporal bone, and left mastoid process
   - C. No projectile recovered
   - D. Exit gunshot wound on the left temporal scalp, behind the left ear
   - E. Trajectory: from the decedent's right-to-left with no significant front/back or upward/downward deviation

II. Gunshot wound of the head, indeterminate range of fire with exit
   - A. Entrance gunshot wound on the right temporal/parietal scalp
   - B. Perforation of the right parietal bone, dura, brain, dura, and left parietal bone
   - C. No projectile recovered
   - D. Exit gunshot wound on the left temporal/parietal scalp
   - E. Trajectory: from the decedent's right-to-left with no significant front/back or upward/downward deviation

III. Gunshot wound of the head, indeterminate range of fire without exit
   - A. Entrance gunshot wound on the right cheek
   - B. Perforation of the right cheek and penetration of soft tissue of the right side of the neck
   - C. A 162 grain projectile recovered
   - D. No exit gunshot wound
   - E. Trajectory: from the decedent's front-to-back, right-to-left and downward

IV. Gunshot wound of the back, indeterminate range of fire without exit
   - A. Entrance gunshot wound on the right shoulder
   - B. Perforation of subcutaneous tissue of the right shoulder and penetration of muscles of the back
   - C. A 182 grain projectile recovered
   - D. No exit gunshot wound

E. Trajectory: from the decedent's right-to-left, slightly front-to-back, and slightly downward

V. 5 grain in aggregate projectile fragments recovered from hair

The body is received within a body bag.

WITNESSES:

Personnel present during portions of the autopsy include Wieslawa Tlomak, MD, Deputy Chief Medical Examiner; Amanda Meeker, Forensic Pathology Assistant, Detective Joe Lewandowski, Wauwatosa Police Department, Michael Braunreiter, PSSI, Milwaukee Police Department; and Forensic Investigator Doug Brahm, Milwaukee Police Department.

RADIOGRAPHS:

Radiographs of the head, neck, and upper chest reveal radiopaque shadows consistent with projectiles and projectile fragments recovered at autopsy.

CLOTHING:

The body is received undressed.

GENERAL EXTERNAL EXAMINATION:

The body is that of a well-developed, well-nourished (body mass index of 22.5), adult, black male that weighs 166 pounds, is 72 inches in length, and appears compatible with the reported age of 25 years.

The body is cold. At the time of autopsy, rigor mortis is partially fixed. Blanchable, purple livor mortis extends over the posterior surfaces of the body, except in areas exposed to pressure.

HEAD: The head is normocephalic. The scalp hair is black, curly, and measures up to 15 inches in length over the crown. **EYES:** The irides are brown. The pupils are round. The corneae are translucent. The sclerae are white and the conjunctivae are unremarkable. No petechial hemorrhages are identified on the sclerae or conjunctivae. **NOSE:** The nose is normally formed and the septum is in the midline. **MOUTH:** The teeth are natural and in good condition. No petechial hemorrhages are on the oral mucosa. **EARS:** The ears are normally formed. **FACE:** The decedent wears black, short mustache and beard. No petechial hemorrhages are on the facial skin.

NECK:

The neck organs are in the normal midline position and appear unremarkable.

CHEST:
The thorax is well developed and symmetrical.

ABDOMEN:
The abdomen is flat.

GENITALIA:
The external genitalia are those of a normal adult male.

ANUS:
The anus is free of lesions.

EXTREMITIES:
UPPER EXTREMITIES: The upper extremities are well developed and symmetrical without absence of digits. The right hand has long, intact fingernails. The left hand has short, intact fingernails. **LOWER EXTREMITIES:** The lower extremities are well developed and symmetrical without absence of digits.

BACK:
The spine is normally formed.

IDENTIFYING MARKS, SCARS, AND TATTOOS:
Identifying marks, scars, and tattoos include: two, 1/2 inch, each scars on the left lateral upper eyelid; a 2 inch oblique scar on the left side of the upper abdomen; a 7 x 6 inch tattoo on the right lateral proximal upper arm; a 1/4 x 1/4 inch white scar on the dorsal surface of the third finger of the right hand; a 3 x 3-1/2 inch tattoo on the left lateral proximal upper arm; and a 3/4 x 3/16 inch scar on the right anterior distal lower extremity.

EVIDENCE OF MEDICAL INTERVENTION:
Evidence of medical intervention includes: a properly placed endotracheal tube, two intravenous accesses, one in the right antecubital fossa and the other on the left dorsal wrist, a needle puncture mark in the left antecubital fossa, one electrocardiograph patch, and a white hospital identification band around the left ankle.

EVIDENCE OF INJURY:
DESCRIPTION OF GUNSHOT WOUNDS:

GUNSHOT WOUND OF THE HEAD:
ENTRANCE: On the right ear, close to the external ear canal, with its midpoint 5 inches below the top of the head, 4 inches right of the anterior midline is a 5/16 inch in diameter, round defect with a pink-red, circumferential marginal abrasion consistent with an entrance gunshot wound. The marginal abrasion is widest (3/16 inch) at the 10:00 position, tapering at the 1:00 and 7:00 positions. Soot is not visible on the skin edges or within the hemorrhagic wound track. No stippling or unburned or burned gunpowder particles are on the skin surrounding the entrance gunshot wound.

PATH: The hemorrhagic wound track sequentially perforates the right ear (On the skin behind the right ear is a 1/4 inch in diameter round defect with a 3/16 inch in width, red marginal abrasion extending from the 6:00 position to 11:00 position. There is a 1/4 inch radiating laceration at the 4:00 position.), petrous part of the right temporal bone, clivus, petrous part of the left temporal bone, and left mastoid process.

ASSOCIATED INJURIES: There are extensive fractures of the base of the skull. Blood is present in the lower airways.

PROJECTILE: No projectile is recovered.

EXIT: On the left temporal scalp, behind the left ear, 5 inches below the top of the head, 3-1/2 inches left of the anterior midline is a 1/2 inch, gaping laceration without marginal abrasion consistent with an exit gunshot wound.

TRAJECTORY: The trajectory is from the decedent's right-to-left with no significant front/back or upward/downward deviation.

GUNSHOT WOUND OF THE HEAD:
ENTRANCE: On the right temporal-parietal scalp, above and behind the right ear, with its midpoint 2-1/2 inches below the top of the head, 4-1/2 inches right of the anterior midline is a 5/16 inch in diameter, round defect with a 1/16 inch in width, pink, circumferential marginal abrasion consistent with an entrance gunshot wound. Soot is not visible on the skin edges or within the hemorrhagic wound track. No stippling or

unburned or burned gunpowder particles are on the skin surrounding the entrance gunshot wound.

PATH: The hemorrhagic wound track sequentially perforates the right parietal bone (There is a 5/16 inch in diameter defect with an internal beveling.), dura, brain (right and left parietal lobes) dura, and left parietal bone (There is a 5/16 inch in diameter defect with an external beveling.).

ASSOCIATED INJURIES: Reflection of the scalp reveals subcutaneous and subgaleal hemorrhages overlying calvarium in a patchy distribution. There are hemorrhages in both temporalis muscles. There are extensive fractures of the skull including calvarium and base of the skull. The dura is lacerated. Acute subdural hemorrhage overlies convexities of the cerebral hemispheres. Acute subarachnoid hemorrhage overlies cerebral hemispheres and cerebellum in a patchy distribution. The parietal and occipital lobes of the brain are partially pulpified.

Blood is present in the lower airways.

PROJECTILE: No projectile is recovered.

EXIT: On the left temporal-parietal scalp, 2-1/2 inches below the top of the head, 4 inches left of the anterior midline is a 3/4 x 1/4 inch, gaping laceration without marginal abrasion consistent with an exit gunshot wound.

TRAJECTORY: The trajectory is from the decedent's right-to-left with no significant front/back or upward/downward deviation.

GUNSHOT WOUND OF THE HEAD:

ENTRANCE: On the right cheek, in front of the right ear, with its midpoint 5 inches below the top of the head, 3 inches right of the anterior midline is a 5/16 inch in diameter, round defect with a dark red, circumferential marginal abrasion consistent with an entrance gunshot wound. There are radiating lacerations located at the 7:00 position (1/4 inch) and at the 8:00 position (1/4 inch). Soot is not visible on the skin edges or within the hemorrhagic wound track. No stippling or unburned or burned gunpowder particles are on the skin surrounding the entrance gunshot wound.

PATH: The hemorrhagic wound track perforates right cheek and penetrates soft tissue of the right side of the neck.

PROJECTILE: A 162 grain, markedly deformed, jacketed projectile is recovered from the subcutaneous tissue of the right side of the posterior neck, 9 inches below the top of the head, 1 inch right of the posterior midline.

EXIT: There is no exit gunshot wound.

TRAJECTORY: The trajectory is from the decedent's front-to-back, right-to-left, and downward.

GUNSHOT WOUND OF THE BACK:

ENTRANCE: On the right shoulder with its midpoint 8-1/2 inches below the top of the head, 5-1/2 inches right of the posterior midline is a 3/8 x 3/8 inch defect with a pink, circumferential marginal abrasion consistent with an entrance gunshot wound. The marginal abrasion is widest (1/2 inch) at the 2:00 position, tapering at the 12:00 and 6:00 positions. Soot is not visible on the skin edges or within the hemorrhagic wound track. No stippling or unburned or burned gunpowder particles are on the skin surrounding the entrance gunshot wound.

PATH: The hemorrhagic wound track perforates subcutaneous tissue of the right shoulder and penetrates muscles of the upper back.

PROJECTILE: A 182 grain, jacketed projectile is recovered from the muscles of the left side of the upper back, 9-1/4 inches below the top of the head, 3-1/4 inches left of the posterior midline.

EXIT: There is no exit gunshot wound.

TRAJECTORY: The trajectory is from the decedent's right-to-left, slightly front-to-back and slightly downward.

RECOVERY: 5 grain in aggregate, projectile fragments are recovered from hair.

HANDS: No soot or high velocity blood is seen on hands by visual examination.

GENERAL INTERNAL EXAMINATION:

The body is opened with a routine thoracoabdominal incision. The skeletal muscle has a dark red-brown color and a normal smooth texture.

BODY CAVITIES:

No adhesions or abnormal collections of fluid are in the pleural spaces or peritoneal cavity. All body organs are in normal and anatomic position. The serous surfaces are smooth and glistening.

HEAD:

The skull is of normal thickness. **BRAIN:** The brain weighs 1400 grams. The dura mater and falx cerebri are not adherent to the brain. The leptomeninges are thin and transparent. The cerebral hemispheres have a normal gyral pattern. The structures at the base of the brain, including cranial nerves and blood vessels, are free of abnormality. With the exception of injuries described in "Evidence of Injury", sections through the cerebral hemispheres reveal no lesions within the cortex, subcortical white matter or deep parenchyma of either hemisphere. The cerebral ventricles are of normal size and configuration. Sections through the brainstem and cerebellum reveal no lesions.

NECK:

Examination of the soft tissues of the neck, including strap muscles and large vessels, reveals no abnormalities. The hyoid bone and thyroid cartilage are intact. The laryngeal mucosa is unremarkable. The tongue is normal.

CARDIOVASCULAR SYSTEM:

HEART: The heart weighs 350 grams. The pericardial sac is free of significant fluid or adhesions. The pericardial surfaces are smooth and glistening. The coronary arteries arise normally and follow the distribution of a right dominant pattern with no significant atherosclerosis. The coronary ostia are patent. The chambers are not dilated. The chambers and valves are proportionate. The valves are normally formed, thin and pliable and free of vegetations and degenerative changes. The following circumferential valve measurements are obtained: tricuspid valve, 13.5 cm; pulmonic valve, 6.5 cm; mitral valve, 11.5 cm; and aortic valve, 7.0 cm. The myocardium is dark red-brown, firm, and free of fibrosis, erythema, pallor, and softening. The atrial and ventricular septa are intact and the septum and free walls are free of muscular bulges. The left ventricle

measures 1.5 cm and the right ventricle measures 0.5 cm in thickness as measured 1.0 cm below the respective atrioventricular valve annulus. The interventricular septum measures 1.5 cm in thickness. **BLOOD VESSELS:** The aorta and its major branches arise normally and follow the usual course, with no significant atherosclerosis. The orifices of the major aortic vascular branches are patent. The vena cava and its major tributaries are patent and return to the heart in the usual distribution and are unremarkable.

RESPIRATORY SYSTEM:

The right and left lungs weigh 300 grams, each. The upper airways are unobstructed. Blood is present in the lower airways. The mucosal surfaces are smooth and yellow-tan. The pleural surfaces are smooth, glistening and unremarkable. The pulmonary parenchyma is light pink and the cut surfaces exude mild amounts of blood and frothy fluid. The pulmonary arteries are normally developed and unremarkable. There is no saddle embolus on *in situ* examination of the pulmonary trunk.

LIVER AND BILIARY SYSTEM:

LIVER: The liver weighs 1500 grams. The hepatic capsule is smooth, glistening, and intact, covering a red-brown parenchyma. **GALLBLADDER:** A thin-walled gallbladder contains yellow, watery bile without stones.

GASTROINTESTINAL TRACT:

ESOPHAGUS: The esophagus is lined by a gray-white smooth mucosa. **STOMACH:** The gastroesophageal junction is unremarkable. The gastric mucosa is flattened and the lumen contains 100 mL of fluid with partially digested food fragments. **SMALL AND LARGE INTESTINE:** The small intestine has uniform dimension and appears unremarkable. The vermiform appendix is present. The colon has uniform dimension and appears unremarkable. There are no diverticula or externally obvious masses.

PANCREAS:

The pancreas has a normal size, shape, position, and tan lobulated appearance.

GENITOURINARY TRACT:

KIDNEYS: The right and left kidneys weigh 140 grams, each. The renal capsules are smooth, thin, semitransparent, and strip with ease from the underlying smooth, red-brown, firm, cortical surfaces. The cortices are of normal thickness and delineated from

the medullary pyramids. The calyces, pelves, and ureters are non-dilated and free of stones. **URINARY BLADDER:** The urinary bladder contains a large amount of yellow, clear urine. The bladder mucosa is gray-tan and smooth. **MALE INTERNAL GENITALIA:** The prostate has a tan cut surface and is unremarkable.

RETICULOENDOTHELIAL SYSTEM:

SPLEEN: The spleen weighs 240 grams and has a smooth, intact capsule covering red-purple, moderately firm parenchyma. The splenic white pulp is grossly prominent.

LYMPH NODES: The regional lymph nodes are unremarkable.

ENDOCRINE SYSTEM:

PITUITARY GLAND: The pituitary gland is unremarkable.

THYROID GLAND: The thyroid gland is of normal position, size and texture.

ADRENAL GLANDS: The adrenal glands have normal cut surfaces with yellow cortices and brown medullae with the expected corticomedullary ratio.

MUSCULOSKELETAL SYSTEM:

The cervical spinal column is stable on internal palpation.

The bony framework, supporting musculature, and soft tissues are not unusual.

ADDITIONAL DISSECTION:

Longitudinal dissection of back and extremities reveals hemorrhagic gunshot wound track in the upper back and no evidence of other injuries.

SPECIMENS:

At the time of autopsy, vitreous fluid, iliac and right heart blood, liver, gastric contents, and urine are retained.

EVIDENCE:

Evidence collected at autopsy includes: hand bags, fingernail clippings, pubic hair, DNA blood card, two projectiles and projectile fragments recovered at autopsy.

Report Date: 7/19/2016

TOXICOLOGY REPORT

SPECIMENS COLLECTED

The following Specimens were received by the Toxicology laboratory:

Item	Description
Liver 80182	Liver 80182 was reportedly recovered from Autopsy and was received by the lab on Jun 23, 2016.
Gastric 80181	Gastric 80181 was reportedly recovered from Autopsy and was received by the lab on Jun 23, 2016.
Urine 80180	Urine 80180 was reportedly recovered from Autopsy and was received by the lab on Jun 23, 2016.
Cardiac Blood 80179	Cardiac Blood 80179 was reportedly recovered from Autopsy and was received by the lab on Jun 23, 2016.
Cardiac Blood 80178	Cardiac Blood 80178 was reportedly recovered from Autopsy and was received by the lab on Jun 23, 2016.
Iliac Blood 80177	Iliac Blood 80177 was reportedly recovered from Autopsy and was received by the lab on Jun 23, 2016.
Vitreous 80176	Vitreous 80176 was reportedly recovered from Autopsy and was received by the lab on Jun 23, 2016.

SCREENING RESULTS

Specimen	Compound	Result	Analyst	Instrument
Cardiac Blood 80178	Cannabinoids	Indicated	Juan Lezama	ELISA

QUANTITATIVE RESULTS

Specimen	Compound	Result	Units	Analyst	Instrument
Cardiac Blood 80179	Ethanol	0.114	g/dL	Juan Lezama	HSGC
Vitreous 80176	Ethanol	0.157	g/dL	Juan Lezama	HSGC
Cardiac Blood 80179	Caffeine	Confirmed Present		Gregory Johnson	GCMS
Cardiac Blood 80179	Cotinine	Confirmed Present		Gregory Johnson	GCMS
Cardiac Blood 80179	Etomidate	Indicated		Gregory Johnson	GCMS

Comments

Presumptive positive result by enzyme linked immunosorbent assay (ELISA). Further tests are required to confirm these results.

NARRATIVE

On 06-23-2016 at 3:03 AM, a Wauwatosa Police Officer located an occupied automobile at Madison Park, 9800 W Glendale Ave. Upon contact the subject, listed on the back side, attempted to arm himself with a hand gun resulting in deadly force being used to stop the threat presented to the officer.

This investigation was turned over to the Milwaukee Police Department.

NARRATIVE

On 6-23-16, I sqd 135 (Griffin) was assigned by Lt. Mastrocola to interview the two Wauwatosa Fire Department Paramedics who worked on and transported our suspect to the hospital. I went to fire station number 2 and spoke with each subject individually.

INTERVIEW OF WAUWATOSA PARAMEDIC BRIAN O'DAY

I first spoke with Lieutenant Brian O'Day (w/m [redacted]) who stated he has been with the fire department for 15 years, a paramedic for 13 years, and a Lieutenant for 6 years. This morning Lt O'Day was the supervisor on Med 52. He rode in the passenger seat and was responsible for reports and decisions on patient care.

Lt O'Day stated as they drove to the scene he did not see any other cars on the street and he did not observe anyone walking or loitering in the area.

Lt O'Day stated when they pulled into the lot he saw the police officers pulling a subject out of the car from the driver's door. The subject was placed face up on the ground with his head near the car and feet away from the car. The officers then checked the subject using their flashlights.

Lt. O'Day did not hear any comments from the officers or the suspect.

Lt. O'Day observed two wounds on the subject. A wound on the subject's right cheek just below the eye and a wound behind the subjects left ear. A large pool of blood formed as the subject lay on the ground.

Lt. O'Day put pads on the subject and the subject had a rhythm and a pulse, but he was not breathing. The subject was placed on a cot and placed in the ambulance where they started ventilation with a bag valve mask and established an IV. As they monitored the subject a rhythm change was noticed and CPR was administered, a tube was also placed down the subject's throat for controlled ventilation. A second IV was established.

An organized rhythm was observed and the subject did have a pulse so he was transported to the hospital. On the way to the hospital the subject's clothes were cut off and bagged. Lt O'Day did not see any other signs of trauma on the subject's body.

Reporting Officer(s): Griffin, Jeffrey S.	Payroll Number: 5311	Payroll Number:	Report Date: 06/23/2016
Reviewed by: 5462	Payroll Number: 5462	Copy To:	Page: 1 Of 3

At the hospital the subject was wheeled into the trauma team and turned over the hospital staff. Lt O'Day stated he completed his paperwork at the hospital and before he left he was told the subject had passed.

INTERVIEW OF WAUWATOSA PARAMEDIC DAVID TIPPEL

I spoke with firefighter/paramedic David P. Tippel (w/m [redacted] who stated he has been with the fire department for 16 years and a paramedic for 3 years. This morning Paramedic Tippel was the driver of Med 52.

Paramedic Tippel stated as he drove to the scene he did not see any other cars and he did not observe anyone in the area when he arrived.

When Paramedic Tippel drove into the lot he saw two police officers pulling a subject out of the driver's door of a parked auto. Paramedic Tippel drove east past the officers and parked the rig on the driver's side of the subject's car, with the back of the rig stopping just past the driver's door. The subject was placed on the ground face up with his head near the car and his feet away.

Paramedic Tippel did not hear any comments coming from the officers or the suspect.

Paramedic Tippel checked the subject's left arm for a pulse and did find a good pulse, but the subject was not breathing. Paramedic Tippel saw a wound to the subject's right cheek just below the eye. Paramedic Tippel also observed a large (2ft) pool of blood on the ground below the subject's head.

The subject was placed on a cot and put in the ambulance where Paramedic Tippel started an IV in the subject's left arm and then a second IV in the subject's right arm. Both IV's were to introduce saline into the subject's body. The subject was being monitored in the rig when a rhythm change occurred and CPR was started. Paramedic Tippel stated the subject was pulseless, but his pulse did come back as they worked on him.

At the hospital the subject was wheeled into the trauma center where they were met by a team of doctors. Paramedic Tippel stated he wheeled the cart out of the room and went back to the rig to wait for Lt. O'Day. He learned from Lt O'Day that they subject had died.

NARRATIVE

Case Assignment

On 06-23-2016 I, Detective Joe Lewandowski, was assigned, by Detective Lieutenant James Mastrocola, to assist with this investigation. My first assignment was to make contact with Wauwatosa Police Officers Tyler L'Allier and Andy Floryance at Froedtert Hospital. At the time of my assignment, the condition of the suspect was unknown.

Froedtert Hospital

Upon my arrival at Froedtert, I entered into the Trauma room and learned that the suspect, later identified as Jay Loren Anderson Jr (M/B [redacted]), was deceased. Milwaukee Police Detective Matthew Gadzalinski (squad 9536) was already present and gathering information; for additional information, see Det Gadzalinski's report (MPD Case # 16-175-0037).

Wauwatosa Fire Station #2

After leaving Froedtert Hospital, I was assigned to interview Wauwatosa Fire Fighter Christopher L Schultz at Fire Station #2.

Upon arrival, Firefighter Schultz and I talked in the kitchen away from any other employees. Firefighter Schultz is assigned to Fire Engine #52. He recalls being dispatched to an "ALS assignment" (Advanced Life Support). While en route, dispatch advised that this call was an Officer Involved Shooting and they were directed to stage at the corner of N 100 St/Glendale Ave. They were stopped there for less than a minute when dispatch notified responding WFD vehicles that the scene was secure.

Reporting Officer(s): Lewandowski, Joseph	Payroll Number: 6089	Payroll Number:	Report Date: 06/23/2016
Reviewed by: 5462	Payroll Number: 5462	Copy To:	Page: 1 Of 3

When the engine arrived in the parking lot of Madison Park, Firefighter Schultz observed two officers carrying a subject next to a vehicle, Firefighter Schultz assumed that the suspect was removed from the vehicle. Firefighter Schultz assisted WFD Paramedic Tipple with equipment; he first took over a stretcher and then went back to retrieve the Oxygen tank and Medical bag.

Firefighter Schultz helped WFD members load the patient onto the stretcher and overheard another firefighter announce that the patient had a pulse. Once in the ambulance, Firefighter Schultz placed an oral airway. At one point, Paramedic Tipple removed the oral airway and switched to a King Airway. Firefighter Schultz took over on the bag and continued to operate it until they arrived at the hospital.

At the hospital, Firefighter Schultz passed the bagging responsibility over to WFD Captain Scot R Freidrick. Firefighter Schultz then assisted Paramedic Tipple clean out the back of the ambulance.

I asked Firefighter Schultz if he was able to make any observations about the patient. He told me that the patient was never breathing on his own but did have a pulse. There were, at least, two times that Firefighter Schultz obtained a carotid pulse of 112 beats/minute. He recalls seeing, at least, two gunshot wounds; one in the cheek and one behind his ear. Firefighter Schultz recalls a significant amount of blood and thinks that he smelled alcohol coming from the patient.

Milwaukee County Medical Examiner

Following my interview with Firefighter Schultz, I arrived at the Milwaukee County Medical Examiner's Office for the autopsy of Jay L Anderson. Also present was Milwaukee Police Investigator Michael Braunreiter (Squad 9522). For additional information, see MPD supplemental report by Braunreiter (MPD Case # 16-175-0037).

Suspicious Circumstances

This report is written by Detective Paula Roberson.

Assignment
On Thursday, June 23, 2016 at 0455, I responded to Madison Park, 9800 W. Glendale Avenue, to assist with the investigation. Once on scene, I learned that Milwaukee Police Department would be handling this investigation. I was then assigned to conduct the neighborhood canvas with Detective Joseph Roy.

[redacted]

Detective Roy and I responded to [redacted] and me with J[redacted] W[redacted], the security officer at the front desk. After advising W[redacted] of the situation and obtaining a property map, we proceeded to canvas buildings [redacted], [redacted], [redacted] and [redacted]. I obtained the following results:

[redacted]

None of the apartments in this building have west facing windows. The sitting area does have one west facing window but appears to have been unoccupied at the time of this incident.

[redacted] is the westernmost apartment on the third floor. The resident is listed as E[redacted] C[redacted] but I was not able to make contact with her.

[redacted] is occupied by G[redacted] S[redacted]. S[redacted] stated he was sleeping at that time and did not hear anything unusual.

[redacted] is occupied by F[redacted] C[redacted]. C[redacted] stated he was asleep all night and did not wake up until 0600. He was not even aware of the police presence at

ASSIGNMENT

On 06-23-16 I was given the assignment by Detective Sergeant Brian Skornia of performing a canvass related to an officer involved shooting in Madison Park at about 3:00 AM on 06-23-16. I was given the following apartment units at [redacted] to make contact with:

[redacted], [redacted], [redacted], [redacted], [redacted], [redacted]

[redacted], [redacted], [redacted], [redacted], [redacted], [redacted]

[redacted], [redacted]

[redacted]

I made contact with the following Luther Manor residents:

[redacted]: R[redacted] H[redacted] F/W, [redacted] who did not know anything about a police incident until I knocked on her door. I asked her for her phone number, but she did not recall it.

[redacted]: J[redacted] K[redacted] M/W, [redacted] C-[redacted] who stated he woke up around 3:00 AM to use the bathroom. He saw a police car without red and blue emergency lights drive past his unit on the perimeter road of Luther Manor (this does not connect to Madison Park). He did not see any emergency lights or hear any sirens. He did not hear any gun fire and did not know about the shooting until morning.

[redacted]: A[redacted] A[redacted] F/W, [redacted], H-[redacted] who stated she was sleeping at 3:00 AM and did not hear or see anything related to the shooting.

Wauwatosa Police Department			Supplementary Report
Incident Report Number: 16-018370	Incident Location: 9800 W Glendale Av, Wauwatosa, WI, 53225		Incident Date: 06/23/2016
New Incident:	Original CFS Code - 1: 0999	New CFS Code - 1 :	New CFS Code - 2:

NARRATIVE

INTERVIEW OF WAUWATOSA FIRE DEPT. CAPTAIN SCOT FRIDRICK

On 06-23-16, I was assigned to interview Wauwatosa Fire Department Captain Scot Fridrick regarding the officer involved shooting at Madison Park.

I met with Fridrick at Wauwatosa Fire Station 52 located at 4187 N. Mayfair Rd. at approximately 7:10 AM. Fridrick was the station commander at the time of the incident.

Fridrick believed that the call came in at approximately 3:00 AM and they were dispatched to an ALS (advanced life support) call for engine 52 and med 52 (paramedic unit) at Madison Park. Once they had got to the engine and med unit, they acknowledged the call to dispatch and they were advised that the call was an officer involved shooting. Fridrick advised he was assigned to Engine 52 with MPO Patrick Quinlevan and Firefighter Christopher Schultz. Med 52 was staffed by Lt. Brian O'Day and Firefighter/Paramedic David Tippel.

As they were arriving at the scene, they were advised by dispatch that the scene was secure so they continued into the parking lot and parked to the South of the suspect's vehicle. Fridrick said upon their arrival he observed at least two police officers removing the suspect, later identified as Jay L. Anderson M/B [redacted] from the driver's seat of a dark colored sedan. Fridrick said the suspect vehicle was facing west and the Officers placed the suspect outside the driver side of the car with his head facing to the North and his feet to the South. Fridrick noted a pool of blood forming under the suspect's head. Fridrick said Johnson was unconscious and was not breathing but did have a pulse.

Fridrick said Johnson was placed on a cot and moved to the rescue squad where Lt. O'Day and Tipple began to treat him. This included rescue breathing for Johnson using a bag valve mask, placing "D-fib" pads on his chest, inserting a #4 King airway and starting one IV in each arm for fluids. While they were treating Johnson, he went pulseless. Fridrick and MPO Quinlevan switched off providing chest compressions until they were able to regain a pulse.

At this point, Fridrick said the decision was made to transport Johnson to Froedtert Hospital. Fridrick drove the rescue squad while Lt. O'Day FF/Paramedic Tipple and FF Schultz remained with Johnson. Also present in the rescue squad was a Wauwatosa Police Officer. Fridrick did not know the Officer's name. MPO Quinlevan remained at the scene with Engine 52. Fridrick

drove in Emergency mode to Froedtert with a Wauwatosa Police Squad following the rescue squad. Fridrick said he took N. 100 St. to Hampton Ave., went West on Hampton to the freeway (Highway 45), took the freeway South and exited on Watertown Plank Rd and then went East to Froedtert.

Fridrick said Johnson condition remained the same when they turned him over to the trauma room staff. While they were at the hospital cleaning up, they learned from hospital staff that Johnson had passed away.

Fridrick added that while at Froedtert, Johnson's shirt, which had been cut off him during treatment, was turned over to a Wauwatosa Police Officer. Fridrick said while he was at the hospital he spoke briefly with an MPD detective about this incident.

Fridrick stated that during his contact with Johnson he never regained consciousness and did not say anything. Fridrick said he spoke with two Wauwatosa Police Officers at the scene. Fridrick did not know either of the Officers that he spoke to. Fridrick said he asked one Officer for the suspect's name. The Officer, who had a beard, gave Fridrick Johnson's driver's license. Fridrick recorded the information and returned the Driver's License to the Officer.

Fridrick asked the second Officer which Officer shot the suspect. The officer gave him a name, which Fridrick could not recall. Fridrick asked if the Officer was OK and was told that he was. Fridrick then asked if Johnson had been shot at close range and he was advised that he had been.

I also asked Fridrick if he had observed any witnesses at the scene and he said that he had not observed anyone.

STATEMENT OF L[redacted] P[redacted]

On 06-23-16 at approximately 8:00 AM Det. Jeffrey Griffin and I responded to [redacted] where we met with resident L[redacted] P[redacted] W/M [redacted] regarding this incident.

P[redacted] said last evening he went to bed at about 2:20 AM. P[redacted] said he was sleeping with the windows in his bedroom open. P[redacted] bedroom is located in the Northeast corner of his home.

At 3:05 AM, P[redacted] said he awoke to the sound of gunshots. P[redacted] was sure of the time because he looked at his clock. P[redacted] said the shots were in the distance. P[redacted] said he heard eight to ten shots in a rapid, evenly spaced cadence. At 3:08 AM, P[redacted] said he heard a police squad go through the intersection of N. 100 St. and W. Ruby Ave headed north, followed

by a number of additional squads. P[redacted] assumed that something had happened at the Fountains Apartments because of previous problems there.

At about 5:00 AM, P[redacted] went for a walk and observed the police activity at Madison Park.

CANVASS OF RESIDENTS AT [redacted]

On Thursday, 06/23/16 I (Det. Martin Keck, Sq. 234) was directed to assist with a canvass of some residents at [redacted], [redacted]. I spoke to residents at the following apartments:

APARTMENT [redacted]

I attempted contact but received no answer. I left my business card and requested a call.

APARTMENT [redacted]

I attempted contact but received no answer. I left my business card and requested a call.

APARTMENT [redacted]

I spoke to the resident, L[redacted] S[redacted] (F/W [redacted]). She advised she was home asleep during the overnight hours of 06/22/16 to 06/23/16. She did not hear or see anything out of the ordinary.

APARTMENT [redacted]

I spoke to the resident, R[redacted] M[redacted] (F/W [redacted]). She advised she was in bed lying awake. Her bedroom patio door was cracked open. Just after 3am, she heard "Bang, Bang, Bang." She believed the bangs were gunshots and estimated hearing five gunshots. Shortly thereafter, she heard a lot of sirens from emergency vehicles.

APARTMENT [redacted]

I spoke to the resident, V[redacted] S[redacted] (F/W [redacted]). She advised she was awoken by three "noises" outside of her bedroom at approximately 3:15am. She explained the noises sounding like pounding on her balcony railing. She then saw flashing lights from emergency vehicles and saw two or three police cars. She then went back to bed.

APARTMENT [redacted]

I attempted contact but received no answer. I left my business card and

NARRATIVE

I (P.O. Joel Kutz) assisted with this investigation. I am primarily assigned as a School Resource Officer, assigned to Whitman Middle School (11100 W. Center St.) and the elementary and private schools on the west side of Wauwatosa. One of my assigned schools is Madison Elementary School (9925 W. Glendale Ave.), which is adjacent to Madison Park.

Madison School has digital surveillance video cameras both on the interior and exterior of the school. I informed Det. Lt. Mastrocola (SQ 171) that I have access to and am able to retrieve archived footage from those cameras. He requested that I review and download video from the area for the early morning hours of 06-23-16 between 1:00 AM and 3:30 AM.

Below is a summary of my observations:

The cameras I reviewed were MA-E-02C, MA-E-02D, MA-E-01A, MA-E-01B, MA-E-01C, MA-E-05A, MA-E-05B, and MA-E-05C. The cameras labeled with 02 in the camera name are located on the west wall of the school along N. 100th St., just south of W. Glendale Ave. and cover sections of N. 100th St. both north and south of Glendale Ave., including the intersection and Glendale Ave. east and west of the intersection. The cameras labeled with 01 in the camera name are located on the north wall of the school near the main school entrance and point north. Those cameras cover the majority of W. Glendale Ave. east of N. 100th St. and into Madison Park, including the parking lot. The cameras labeled with 05 in the camera name are located on the east wall of the school. Those cameras cover part of W. Glendale Ave. (starting with the northeast corner of the school building and to the east), the parking lot east of the school, the parking lot of Madison Park and the grassy area south of Glendale Ave. (It should be noted that all of the cameras that provide coverage of Madison Park do have partial obstructions because of trees. Also, the times between cameras may be a little varied as they are recorded on 2 separate servers whose times are not exactly synced).

1:06 AM - A marked city of Wauwatosa Police SUV can be observed driving through the Madison Park lot and then leaving the area (W/B Glendale to N/B 100th).

1:15 AM - A dark colored minivan (possibly a Dodge or Chrysler) can be observed S/B on 100th to E/B on Glendale and into the Madison Park parking lot. The van parked near the northwest corner of the lot and extinguished its headlights at 1:17 AM.

1:37 AM - A dark colored 4 door sedan (believed to be the suspect vehicle based on the fact that it entered the lot and cannot be seen leaving the lot via Glendale Ave. prior to the incident with police shortly after 3:00 AM) can be observed S/B on 100th to E/B on Glendale and into the Madison Park parking lot. The vehicle parked southeast of the minivan (toward the center of the parking lot) and extinguished its headlights at 1:38 AM. The vehicle turned its headlights on at 1:39:16 AM and of again at 1:39:23 AM, but it did not move from its parked position.

1:58 AM - 1:59 AM - A clean top black and white city of Milwaukee Police squad car can be observed driving S/B on 100th to E/B on Glendale. As it passed Madison Elementary School, the spotlight on the squad was directed north to the grassy area of the park that is west of the parking lot. The squad can then be observed going toward the southeast end of the parking lot, turning around in the lot and exiting W/B on Glendale Ave. As it drove west on Glendale, the Milwaukee squad had its spotlight directed at Madison Elementary School. At the intersection, the Milwaukee squad turned right and went N/B on 100th St. and out of the camera view.

2:00 AM - The dark colored minivan that had parked in the Madison Park parking lot at 1:15 AM can be observed turning its headlights on and leaving the parking lot, traveling W/B on Glendale and N/B on 100th.

2:16 AM - A lighter colored 4 door sedan can be observed S/B on 100th to E/B Glendale and into the Madison Park parking lot. That vehicle leaves the lot via W/B Glendale and then stops facing west on Glendale across from the east parking lot of Madison Elementary School for about 2 minutes, before it continues W/B and then S/B on 100th. The vehicle appears to have a rounded top and curved tail lights (similar to a Ford Crown Victoria or a Mercury Grand Marquis).

2:21 AM - A dark colored sedan (possibly black and similar to a Dodge Charger) can be observed along with a light colored smaller sedan (similar to an older Toyota Corolla) N/B on 100th to E/B on Glendale and into the Madison Park parking lot. Both vehicles can be observed parking near the northwest corner of the lot for just under 2 minutes. Both leave the lot at 2:23 AM, this time with the lighter sedan in front of the dark sedan. They can be observed W/B on Glendale to S/B on 100th and out of the camera view.

3:00:56 AM - Two vehicles (they appear to be the same two that were first observed at 2:21 AM) can be observed N/B on 100th past Madison Elementary, past N. 100th St. and out of camera view.

3:01:10 AM - A marked city of Wauwatosa Police SUV squad can be observed entering the Madison Park parking lot via N/B 100th to E/B Glendale. The

squad pulls into the lot facing east to the rear of the area that the suspect vehicle had last been observed on video parking. Due to the dark conditions and the distance, the headlights and tail lights of the squad can be observed faintly.

3:06:45 AM - Near the upper left of the screen (near the squad), a series of small flashes (consistent with muzzle flashes based on my training and experience) can be observed via camera MA-E-01C and MA-E-05C.

3:08:40 AM - Other city of Wauwatosa Police squads can be observed arriving to assist P.O. Mensah (the officer in the squad that arrived at 3:01 AM).

A copy of the video was saved to a new (never before used) Kingston 8GB flash drive that I removed from its original packaging. A secondary copy was transferred from the first 8GB drive to a Kingston 16GB flash drive. Both flash drives were turned over to Lt. Mastrocola as evidence. The 8GB drive will be turned over to Milwaukee Police Department Detectives as they conduct their investigation. Footage is also saved on the secure Wauwatosa School District servers as a routine practice for all Wauwatosa School District school buildings' surveillance video.

Re: Client: Estate of Jay Anderson
DOI: June 23, 2016
Entity: Wauwatosa Police Department

Dear Chief Edward A. Flynn:

I have been retained to represent the family in the family's investigation of the circumstances of Jay Anderson's death on June 23, 2016. As you know, the shooting leading to Jay Ander's death occurred in Wauwatosa, Wisconsin.

On June 28, 2016, certain family members were afforded an opportunity to view a small portion of the video without audio. At that time, they were extremely distraught and, as lay people, could not fully comprehend the import of what was on the video.

Detective Luke O'Day and Lieutenant Paul Kavanaugh of the Milwaukee Police Department, did not allow counsel for the family an opportunity to view the video. Collectively, and as a result, the family was deprived of any meaningful interpretation of that video.

The family and I understand the Police Department's desire protect its investigation of Jay Anderson's death. In that regard, we do not wish to hinder that investigation in anyway.

However, by not permitting the family's counsel an opportunity to view the video, the Milwaukee Police Department deprived the family members of an opportunity to understand the full import of the video. Without that understanding, the family is also being deprived of any possibility of a timely closure regarding the death of their son.

Ultimately, the family would like to have the video released to the public. However, they would first like an opportunity to view the video, with audio, with counsel and/or their designee, in full before it is released to the media. The family members should not have to first see a complete sound includeddepiction of their son's death, if and when the media disseminates it. Additionally, the family would like to review accompanying police reports that provide information of the circumstances surrounding Jay Anderson's death, again with the aid of counsel.

Independent of the above request, we also have a right to these materials under the **Wisconsin Open Records Law, §19.31** ***et seq,*** To that end, please consider this letter a formal request for the materials delineated below pursuant to that Act:

1. An opportunity for the family and I, and/or a designee, to see the complete video of the events before during and after Jay Anderson's shooting and death, accompanied by the complete audio created at the scene.
2. A copy of the all reports or other documentation authored by the subject officer which provides any rendition of events surrounding Jay Anderson's death.
3. Any autopsy report and investigation as to cause of death.

Consistent with the Open Records Law, I request a written response within the 5 days should you deny this request. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify

Additionally, if you expect a significant delay in fulfilling this request, please inform me as to the bases of the delay, and your estimation as to when we can view or receive the materials requested.

In the event of denial, please also provide the appeal procedures available to me under the Act.

In order to facilitate compliance with our request, I propose the following in order to accommodate all parties concerned. If we receive all of the information requested items within 7 business days, and with exception of any consultant that can further give us guidance on this matter, we agree to keep the materials received confidential. This should provide you adequate time to preserve the confidentiality and integrity of the investigation, and, at the same time, provide us with prompt acquisition of the material requested.

If the information is not provided to us in a meaningful manner within 7 business days, you leave us with the only remaining option available to us in order to uncover the information required for the family to have a complete and meaningful understanding of the events surrounding their son's death: the filing of a lawsuit, a circumstance which, at present, we would like to avoid.

Thank you for your anticipated cooperation. I look forward to hearing from you shortly. Please don't hesitate to call me if you have any questions or concerns.

Sincerely,

Yao O. Dinizulu
