SISTER CITIES COMMITTEE
COMMON COUNCIL - CITY CLERK'S OFFICE

Each year, dignitaries and guests from Galway, Ireland take part in Milwaukee's Irish Fest, with a visit to City Hall, and are hosted by Alderman Michael Murphy and members of the Common Council.

ABOUT MILWAUKEE'S SISTER CITIES INITIATIVE

Milwaukee has officially affiliated with Sister Cities International, a program with more than 50 years of promoting people-to-people diplomacy. As a result, our city-to-city relationships, including former friendship cities and unofficial sister cities, are now moving forward.

The six Sister Cities relationships that Milwaukee is fostering are Zadar, Croatia; Medan, Indonesia; uMhlathuze, KwaZulu Natal, South Africa; Carora, Venezuela; Galway, Ireland and Morogoro, Tanzania. There may be many more to come as residents of the city, local officials and business people come to recognize the benefits of people-to-people diplomacy in an age of contested borders.

The city also has had a friendly relationship with Ningbo, China, which has included exchanges between the two cities.

Please visit www.milwaukee.gov/sistercities to find out more about establishing a Sister Cities relationship with the City of Milwaukee.

“The City of Milwaukee currently enjoys six sister city relationships. These international partnerships promote cultural, educational and economic exchanges, which strengthen our understanding of the world in which we live and do business.”
