## MEDIA ADVISORY

**Ald. Ashanti Hamilton** will join **WHEDA Executive Director Antonio Riley** at **Holy Redeemer Church, 3500 W. Mother Daniels Way, TODAY at 2:00 p.m.** to open the job fair dedicated to the Bishop's Creek Family Housing development.

Job fair coordinators will interview the more than 350 pre-registered applicants on hand for trade positions featured by 15 contractors constructing the affordable housing development.

16 positions are being offered exclusively to neighborhood residents; however, additional employers were recruited to the fair as the pre-registration numbers grew. At least six other employers will be on hand to interview both registrants and walk-in job seekers. There are an estimated 73 construction positions being created by the project.

Ald. Hamilton said, "WHEDA has been a strong sponsor of this project and to not only offer local residents work on Bishop's Creek but to bring in six other employers to interview the candidates and provide additional opportunity is definitely a commitment to the job seekers in our area."
