National Night Out Celebration Comes to the 6th District

Resource Fairs and Public Events Available Twice This Week

Alderwoman Milele A. Coggs invites residents of the 6th District to share in the activities offered by the area's participation in the 26th annual National Night Out. The August 4, 2009 unique crime prevention event is sponsored by the National Association of Town Watch and brings together citizens, local law enforcement, neighborhood groups and businesses on the same night across the country.

"This national event brings communities like ours together and offers the opportunity to be out among your neighbors sharing in activities, job and information fairs, contests, music and more. I encourage our residents to spend time out in the streets of their neighborhood during this event and to participate in the local programs it brings," Alderwoman Coggs said.

The 6th District brings its residents the "best night of summer" twice this week through the coordination of the Department of Neighborhood Services, Riverworks Development Corporation, Safe and Sound and the Milwaukee Police Department.

District residents can join in the organized program on **August 4, 2009** from **3:00 p.m. to 7:00 p.m. at Columbia Park**, 1365 W. Columbia St. A second eventful evening is planned for **Thursday, August 6, 2009** from **5:30 p.m. to 8:00 p.m. at Hillside Resource Center**, 1452 N. 7th St. Both evenings include a variety of organized events including music, learning opportunities, job training opportunities and a family-friendly atmosphere.

“These events are a way for neighbors to show that together, they are an organized force for change in their community,” Alderwoman Coggs said. “This is the 26th year these nationally organized block parties have brought crime awareness and prevention to our neighborhoods and I’m proud that the 6th District can support two nights out for our residents.”
