M&I Bank Celebrates Re-Opening in South Side Neighborhood

Alderman Bob Donovan to Attend Ribbon Cutting for "Operation Impact" Supporter

Alderman Bob Donovan will join representatives from M&I Bank, the largest Wisconsin-based bank, to cut the ribbon on their recently rebuilt location at **2701 W. National Ave.** The event, scheduled for **8:00 a.m. Friday, August 21, 2009**, will showcase the cooperation between the alderman, the neighborhood and bank representatives that made the facility convenient and neighborhood friendly.

"M&I Bank is a long-standing business in Milwaukee and I'm proud of the way they established themselves in our neighborhood. They have been a strong supporter of Operation Impact and clearly have made an investment in protecting south side residents' quality of life," Ald. Donovan said.

The alderman worked closely with neighbors to secure a consensus about the drive-through variance and expanded banking hours. M&I Bank has 193 offices throughout the state and this branch opened to the public on July 27, 2009. The press is invited to attend.
