Gateway Days to Include Holler Park Dedication

Alderman Terry Witkowski, in conjunction with the Airport Gateway to Milwaukee Business Association, the Garden District Neighborhood Association and the Holler Park Neighborhood Association, will host a rain garden dedication in Holler Park **TODAY, July 22, 2009**. The event will take place just east of the Holler Park Lodge, 5151 S. 6th St.

The event is part of Gateway Days and includes a free cookout and networking event to promote the Gateway to Milwaukee, the vibrant business and residential district near the General Mitchell International Airport. The cookout, from **11:30 a.m. to 1:30 p.m.** will include the rain garden **dedication ceremony at 12:30 p.m.**

The rain garden is the result of a collaborative use of resources and invested residents to remake Holler Park. The project was supported with a U.S. Environmental Protection Agency grant through the City of Milwaukee and the Garden District and is a key part of the redevelopment efforts surrounding the Gateway to Milwaukee.
