Political Strategy Memo on High Speed Rail Offered to Gubernatorial Candidates

Alderman Robert J. Bauman has offered a blow-by-blow political strategy script (see attached memo) that could (literally) be followed to the letter by candidates running for Wisconsin governor. The alderman said he believes the candidates have most likely already adopted many of the memo's suggestions for their playbooks, but he wanted to "make sure their idea tanks were topped off in time for the fall and then into the next few years."
