# Plainfield Curve Neighbors Pleased With I-94 Noise Walls

*Neighbors, DOT Officials to Join Alderman Witkowski at Saturday News Event*

If Robert Frost's saying that "Good fences make good neighbors" is true, then the saying "Good noise walls make freeway neighbors happy" is very true for people in one Milwaukee neighborhood.

**Alderman Terry Witkowski** will hold a news conference at 11 a.m. tomorrow (Saturday, May 1) at S. 5<sup>th</sup> St. and W. Plainfield Ave. to allow neighbors and state Department of Transportation officials an opportunity to comment on the noticeable positive attributes of new noise walls recently installed nearby along I-94.

"The fact that neighbors are enthusiastic enough to come out on a Saturday to talk about an I-94 improvement speaks volumes about what they think of these new noise walls," said Alderman Witkowski.
