Ceremony Today for Jackson Park Neighborhood Marker

Alderman Bob Donovan will serve as a co-host today (**Thursday, September 22**) of a dedication ceremony for a new stone “**Jackson Park Neighborhood**” marker which has been placed on the triangle at the three-way intersection of S. 43rd St., W. Oklahoma Ave. and W. Forest Home Ave.

The alderman will be joined by state **Rep. Josh Zepnick** and **Ken Franzen** of the Jackson Park Community/Business Association.

The triangle-shaped Lannon stone marker stands six feet tall and weighs 1.5 tons. It includes “Jackson Park Business District” signage visible from 43rd St./Oklahoma and Forest Home. It was paid for by the Jackson Park Community Association and created by Artistic Stone of Lannon, WI, and erected by the BAC Brick Layers Union on a volunteer basis.

The ceremony will be followed by a farewell reception for Alderman Donovan and Rep. Zepnick (through redistricting their district boundaries have been changed so that Jackson Park is no longer in their districts). The reception will start at 5:30 p.m. at Milwaukee’s Firehouse Pub, 2758 S. 35th St.
