Inaugural Garden District Days Festival Starts Friday

The city's **Garden District** (the 13th Aldermanic District) is hosting the first annual **Garden District Days Festival** Friday, July 29 through Sunday, July 31 at S. 5th St. and W. Layton Ave., according to **Alderman Terry L. Witkowski**.

Sponsored by the Garden District Neighborhood Association, Alderman Witkowski said the family-friendly festival will have "a little something for everyone." "The Garden District Neighborhood Association has done an excellent job of bringing together vendors, food, arts and crafts activities, rides, fire and law enforcement personnel with vehicles and equipment, car and motorcycle displays, and much more for this event," he said.

Daily events are scheduled, and persons can go to www.thegdna.com for event hours and more information. The association will also have an information tent at the festival where visitors can learn more about association activities, other affiliate associations serving the area, and where garden signs, hats/T-shirts, bottled water, and plants will be offered for sale.

Parking will be available along W. Layton Ave., on side streets, and at the ISM Community Center, 815 W. Layton Ave.
