Session Moved Up to Draw Trial Aldermanic Districts

Session had originally been scheduled for June 24

To ensure proper Common Council feedback time prior to legislative filing deadlines, a free public session that offers residents and community groups a chance to “try their hand” at drawing the map for the Common Council’s new districts has been moved to this **Friday, June 17**.

The second and final public drawing session (first one was held June 3) will take place from 9 a.m. to 4 p.m. Friday in room 303 at City Hall, 200 E. Wells St. In an effort to maximize public participation in the city redistricting process, staff from the non-partisan Legislative Reference Bureau (LRB) will again be assisting the public during the session.

Please note that space is limited and requests will be honored on a first-come-first-served basis. Also, please note that some familiarity with mapping applications on the part of the user is desirable to make the most of the experience.

DATE: Friday, June 17

TIME: 9 a.m. – 4 p.m.

LOCATION: City Hall, Room 303, 200 E. Wells St.
