MEDIA ADVISORY

Public to Get Chance to Draw Trial Aldermanic Districts

In an effort to maximize public participation in the city redistricting process, the non-partisan Legislative Reference Bureau (LRB) will be offering residents and community groups a chance to “try their hand” at drawing the map for the Common Council’s new districts.

Computer terminals will be set up in City Hall running redistricting software and LRB staff assigned to the redistricting process will be on hand to help make the technical aspects of redistricting as transparent as possible.

Please note that space is limited and requests will be honored on a first-come-first-served basis. Also, please note that some familiarity with mapping applications on the part of the user is desirable to make the most of this experience.

DATES: Friday, June 3 and Friday, June 24

TIME: 9 a.m. – 4 p.m.

LOCATION: City Hall, Room 307, 200 E. Wells St.
