

*This guide is an initiative of the
Milwaukee Youth Council.*

The City of Milwaukee Youth Council is a powerful and diverse group of young leaders committed to making a difference in Milwaukee. We work on issues important to youth, talk to our peers, family, and neighbors about their concerns and take action to address them. Youth Council members represent young people in their aldermanic districts. We meet with leaders like the Mayor, Common Council, School Superintendent, business owners, and community groups to advocate for youth.

Safe House!

Add to the suspense, watch old Veronica Mars or dress up as Mr. and Mrs. Smith then hit up the Safe House for dinner. Learn the password before you go and impress your date. Your Safe House in Milwaukee is a popular spy-theme restaurant and night spot that since 1966 has provided Crafty Concoctions and Incredible Edibles to hungry agents on R & R. It is secreted behind International Exports Ltd. on Front Street in Milwaukee. Nowhere will you find a sign advertising "Safe House".

"Secret agents" find this spy-haven mostly by word-of-mouth.

(Remember, you are sworn not to reveal the location!)
