Re-opening of Gee's Clippers in Bronzeville is Saturday

Alderwoman Milele A. Coggs and Mayor Tom Barrett and other dignitaries and community members will be attending the grand re-opening of Gee's Clippers & Hair Design, 2215 N. Dr. Martin Luther King Dr., tomorrow (**Saturday, December 7, 2013**) in **Bronzeville** (Milwaukee's African-American Arts Cultural & Entertainment District). Attendees will also be able to see the newly paved parking lot adjacent to the barber shop.

"I am excited to welcome Gaulien Smith back to Bronzeville," Alderwoman Coggs said. "Bronzeville and North Dr. Martin Luther King Drive are getting back a valuable business and the amenity of public parking (on a former vacant lot) adjacent to it will hopefully not only help Gee's Clippers but will also attract additional businesses to the area."
