## Thank you, Mr. Davis

### Statement of Alderman Willie C. Wade February 26, 2013

Upon hearing of the format change at WMCS 1290, I would like to take this opportunity to thank Mr. Willie Davis for his commitment to the community from the time he purchased WAWA, until the present. His sincere dedication has been unwavering, even during times when it may not have been profitable from a business standpoint.

In fact, WMCS 1290 represents just the tip of the iceberg when it comes to his support for our community, and especially our youth. 1290 is a business in my aldermanic district and it is my desire that it remain successful and prosperous.

I thank Mr. Davis for allowing 1290 to be the voice of the community for many years. And on that note, I would like to thank him and wish him much success with his business endeavors in the future. He has always been a true Hall of Famer to this community.
