## MEDIA ADVISORY

### **Alderman Pérez invites residents to Zilber Clarke Square Community Listening Café**

**Alderman José G. Pérez** invites residents to take part in the Zilber Clarke Square Neighborhood Initiative's (ZCSNI) Community Listening Café at 6:00 p.m. on **Thursday, March 7** at Ascension Lutheran Church, **1236 S. Layton Blvd.**

ZCSNI is hosting the event as a part of its series of community cafés aimed at discussing how residents can work together to build a more caring neighborhood. ZCSNI, with the help of residents, businesses and other stakeholders, recently put together a quality of life plan for the area, and discussion will center on the progress that has been made and what neighbors can do to help fulfill that vision. The get-together will also offer residents an opportunity to learn about different neighborhood resources and socialize with their neighbors. Alderman Pérez and his staff will be among those in attendance.

The event is free and open to the public. Refreshments will be provided.
