MEDIA ADVISORY

Fire and Police Commission nominee to join Ald. Pérez in meet and greet forum

Community members can learn more about **Marisabel Cabrera**, the latest mayoral appointee to the Fire and Police Commission, at her second meet and greet forum, which is being held at St. Anthony Parish's **Keyser Hall** on **Monday, July 1 at 6:00 p.m.**

Cabrera is an immigration attorney based out of Milwaukee who also serves on the Council for the Spanish Speaking Board of Directors, the American Immigration Lawyers Association and Voces de la Frontera. She applied online for a vacant seat on the commission, and the Common Council's Public Safety Committee will take up her appointment at an upcoming meeting (date to be determined).

Alderman José G. Pérez will moderate the forum, and invites community members to attend so they can pose their own questions to Cabrera directly. "The Common Council and the Mayor have implemented significant changes to make the appointments process more transparent and open to the public," Alderman Pérez said. "I hope my neighbors will join me in order to learn more about this appointee to an important city office."
