## ABOUT MILWAUKEE'S SISTER CITIES INITIATIVE

Milwaukee has officially affiliated with Sister Cities International, a program with more than 50 years of promoting people-to-people diplomacy. As a result, our city-to-city relationships, including former friendship cities and unofficial sister cities, are now moving forward.

The four Sister Cities relationships that Milwaukee is fostering are Carora, Venezuela; Morogoro, Tanzania; Galway, Ireland; and uMhlathuze, South Africa. There may be many more to come as residents of the city, local officials and business people come to recognize the benefits of people-to-people diplomacy in an age of contested borders.

The city also has had a friendly relationship with Ningbo, China, which has included exchanges between the two cities.

Please visit [www.milwaukee.gov/sistercities](http://www.milwaukee.gov/sistercities) to find out more about establishing a Sister Cities relationship with the City of Milwaukee.

Each year, dignitaries and guests from Galway take part in Milwaukee's Irish Fest, with a visit to City Hall, and are hosted by Alderman Michael Murphy and members of the Common Council.

“The City of Milwaukee currently enjoys four sister city relationships. These international partnerships promote cultural, educational and economic exchanges, which strengthen our understanding of the world in which we live and do business.”
