Difference Makers receive well-deserved recognition

Several residents, a block club and a community organization were honored during last night's 6th District town hall meeting by **Alderman Milele A. Coggs** for making the district a great place in which to live, and each was presented with a **2013 Dr. James G. White 6th District Difference Makers Award**.

Alderman Coggs, who presented the awards during the meeting (held in the **Martin Luther King, Jr. Library, 310 W. Locust St.**), said selfless and dedicated work to improve the district, neighborhoods and the community is truly worthy of recognition and thanks. "It takes a certain amount of love and respect for one's community and neighbors to tirelessly do positive things without regard for what reward or gain may come of it," she said.

"That selfless attitude and generosity of spirit and energy is what the Difference Makers Award is all about, as it truly embodies the beliefs and actions of the late Dr. James G. White," Alderman Coggs said.

Last night's 2013 Dr. James G. White 6th District Difference Makers Award winners were:
