We Support

Keep the Change

We all want to help make Milwaukee better. Giving your money to agencies that serve the poorest among us can really make a difference.

If you want to help those asking for money on the street – **Keep the Change** and instead, consider giving your money to a local non-profit that provides food, shelter and services for people in need.

When you **Keep the Change**, you can help that person find a way to a solution that will make a real change in his or her life.

Ways you can help:

- Encourage panhandlers to call or text 211 Impact for resources
- Make a donation or volunteer at a local non-profit organization, shelter or food pantry
- Share this message with your friends and neighbors
