

**Statement Of Common Council President Willie L. Hines, Jr.  
November 8, 2007**

My thoughts and prayers go out to the officers who were shot in the line of duty on Tuesday. Thankfully, the officer who remains hospitalized is in stable condition, and it appears both officers will be able to recover from their injuries. This incident reminds us of the selfless service that police officers provide to our community on a daily basis. This is a time to commend them for their bravery, sacrifice and commitment to the safety of our citizens and to the City of Milwaukee.

On behalf of the Common Council, we applaud our police officers throughout Milwaukee for all that they do to serve and protect our city.
