President Hines Responds to Tragic Death of Seiares McHenry Jr.

My heartfelt condolences go out to the family of four-month-old Seiares McHenry Jr., who was found dead yesterday, abandoned in a vehicle outside the Kuddle Kare Day Kare.

High-quality child care is a vital asset for any community, but especially those in the central city where so many parents are in dire need of this service. The City of Milwaukee, Milwaukee County and the State of Wisconsin must take a hard look at how daycare licenses are awarded.

Current providers must take every precaution to account for children at all times, including the transportation of children to and from their businesses.
