# We Must Support Each Other

**Statement from President Kalan R. Haywood, II**

**November 3, 2016**

Marisol Cevallos was a 17-year old Rufus King Senior. She was an amazing person that I had the honor of calling a friend. Her voice is one that I will never forget. It was always so joyful and vibrant. It truly would change your entire day. It is sincerely heart breaking to see such a beautiful young spirit depart from us so soon. She will be missed!

I would just like extend my condolences to the Cevallos family. I can't begin to imagine what you are going through now, but please know the support is here. Aside from being President of the Youth Council, I am a fellow General and the Rufus King Community is here to lend whatever consolation we can. We are here!

And to the Rufus King High School community, I know this is hitting us all hard but I encourage you to be there for each other, support each other, and stay strong together!

I offer a special challenge to everyone, to take this as an eye-opener. Let it remind us that tomorrow is not promised. So please let your loved ones know that you love them. Call them, check in on them and express how you feel. No one should have to live on with wishing they would've done this, would've said that. Just do it! Live every moment like it's the last!
