PROPOSED:

Domus

Development Type:	Residential
Status:	Proposed
General Location:	Third Ward
Address:	401 East Erie Street
Developer:	Mandel Group
Investment:	\$52 million
Website:	www.mandelgroup.com

Description: A six-story, 61-unit condominium complex in the Historic Third Ward. The estimated \$50 million project will be located just east of Marine Terminal Lofts condominium development on North Broadway and East Erie Street. The site is currently a surface parking lot that the Mandel Group purchased in conjunction with the Marine Terminal Lofts structure in 2003. 50 percent of the salable property is already reserved by interested buyers.

Downtown Streetcar

Development Type:	Infrastructure
Status:	Proposed
General Location:	East Town and Westtown
Address:	Downtown Loop
Developer:	City of Milwaukee
Investment:	\$50 million
Website:	http://www.city.milwaukee.gov/transit

Description: The electronically powered Downtown Streetcar Circulator would operate modern streetcars on a 3-mile route from the Intermodal Station, through downtown Milwaukee to the Brady Street area on rails imbedded in the pavement. Streetcars would operate in mixed traffic with other motor vehicles and would not require a reserved or dedicated right-of-way. It will primarily function as an economic development tool and improve the connectivity between downtown destinations such as the Midwest Airline Center, Bradley Center, Shops at Grand Avenue, Lakefront, Maier Festival Grounds, major parking lots, downtown workplaces and dozens of hotels, restaurants and entertainment venues. It would also link downtown destinations and workplaces with intercity rail (Amtrak) and bus service and the proposed KRM commuter rail service that will all use the Milwaukee Intermodal Center. In March 2009, the \$91.5 million, federally dedicated funding was split 60/40 with 60% being dedicated for the proposed Downtown Streetcar and the other 40% for Bus Rapid transit.
