

Redevelopment Authority of the City of Milwaukee

Resolution No.: 10124
Adopted on: August 20, 2009
Aldermanic District: N/A

Resolution approving and authorizing the solicitation of proposals and entering into a contract for audit services.

Whereas, The Government Accounting Standards Board (GASB) requires that component units must be included as part of a local government's financial reporting entity for a fair presentation of the government's overall financial operations; and

Whereas, A component unit is a legally separate organization for which the elected officials of the City are accountable based on appointment of governing board, fiscal dependence on the primary government, and if there is a potential threat that exclusion would result in misleading financial reporting on behalf of the City of Milwaukee; and

Whereas, The Redevelopment Authority of the City of Milwaukee is a component unit of the City of Milwaukee; and

Whereas, Per Common Council file #06391, the Redevelopment Authority is required to submit annual audited financial statements to the City Comptroller by June 30th of the following fiscal year; and

Whereas, The Redevelopment Authority would like to issue a Request For Proposals to retain a consultant to conduct an audit of its financial records and submit a final audit opinion for the calendar years 2009, 2010 and 2011; and

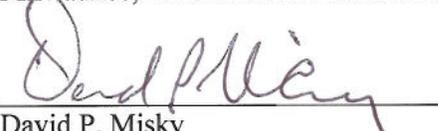

Whereas, It is the expectation of the Redevelopment Authority that funding of the audit services will come from the Authority's General Fund; now, therefore, be it

Resolved, By the Redevelopment Authority of the City of Milwaukee that the proper officials are authorized and directed to solicit proposals and enter into a contract for such services.
