

Redevelopment Authority of the City of Milwaukee

Resolution No.: 10266
Adopted on: December 16, 2010
Project Area: N/A
Aldermanic District: N/A

Resolution authorizing the Redevelopment Authority of the City of Milwaukee (RACM) to enter into a three year lease agreement for a computer network data backup device.

Whereas, the computer network that currently services both the Housing Authority of the City of Milwaukee (HACM) and RACM is in the process of separating into two independent networks; and

Whereas, Information Technology Staff from both HACM and RACM explored computer data backup solutions for the computer network; and

Whereas, the computer data backup needs are similar for both HACM and RACM post-separation; and

Whereas, HACM solicited informal bids for the acquisition or lease of a computer network data backup system to replace the existing system which has reached its end of useful life; and

Whereas, HACM entered into a three year lease agreement with CSI Leasing for computer network data backup equipment services as a result of the aforementioned procurement; and

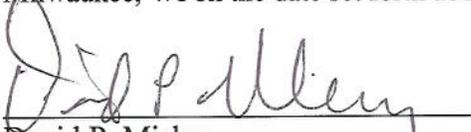

Whereas, RACM IT Staff desires and recommends entering into a lease agreement for a data backup system with CSI Leasing, piggybacking off of the agreed upon terms of the HACM lease agreement, in an amount not to exceed \$31,825; now therefore be it

Resolved, By the Redevelopment Authority of the City of Milwaukee that the proper officials of the Authority are authorized and directed to enter into a three year lease agreement with CSI Leasing for a computer network data backup device.
