LAKEFRONT GATEWAY PLAZA

REQUEST FOR QUALIFICATIONS

I. Project Description

The City of Milwaukee, Milwaukee County Parks, and a group of local stakeholders are accepting qualifications for a premier design team to create a world class public plaza on the downtown lakefront of Milwaukee, Wisconsin.

The LAKEFRONT GATEWAY PLAZA is envisioned to be the crowning jewel of the open spaces within the larger [Lakefront Gateway Project](#). The LAKEFRONT GATEWAY PLAZA is the central main public space that connects all of the adjacent civic activities. The location of the plaza is one of its most notable attributes, and demonstrates why this space needs a strong identity.

This Request for Qualifications (RFQ) is the first phase of an anticipated two-phase process. The intention is to select up to four qualified teams to participate in a future design process for the proposed LAKEFRONT GATEWAY PLAZA. Once the top teams are selected the second phase of the design process would be the preparation of proposals by those selected teams for final judging and selection of one design team. The winning design team from the second phase would work with the city, county and stakeholder group to complete the design process through design development and construction drawings. This RFQ provides information for interested parties to prepare and submit a response to Phase One-Request for Qualifications for consideration by the City of Milwaukee and Milwaukee County Parks.

The proposed LAKEFRONT GATEWAY PLAZA, an 80,000 square foot space, 150 feet west of the lakefront, is directly adjacent to The Discovery World Museum at Pier Wisconsin, a science and educational center, just south of the Milwaukee Art Museum's new front entry hall addition by world renowned architect Santiago Calatrava and the fountains and gardens designed by Dan Kiley. The Milwaukee Art Museum is also adjacent to the War Memorial designed by renowned architect Eero Saarinen. The southerly "Urban Park" is adjacent to the Henry Maier Festival Grounds, the location of Summerfest, one of the nation's largest outdoor music festivals. Across the drive is the Betty Brinn Children's Museum.
