60 DAY EXTENSION

Chp. 236.11(2) The body or bodies having authority to approve plats shall approve or reject the final plat within 60 days of its submission, unless the time is extended by agreement with the subdivider. When the approving authority is a municipality and determines to approve the plat, it shall give at least 10 days' prior written notice of its intention to the clerk of any municipality whose boundaries are within 1,000 feet of any portion of such proposed plat but failure to give such notice shall not invalidate any such plat. If a plat is rejected, the reasons therefor shall be stated in the minutes of the meeting and a copy thereof or a written statement of the reasons supplied the subdivider. If the approving authority fails to act within 60 days and the time has not been extended by agreement and if no unsatisfied objections have been filed within that period, the plat shall be deemed approved, and, upon demand, a certificate to that effect shall be made on the face of the plat by the clerk of the authority which has failed to act. As the subdivider, I grant the City of Milwaukee an extension to this requirement and time extension, if necessary, in order for the attached Final Plat to be reviewed and approved by the City.
