Project description

This district includes 17 acres of commercial property bounded by South 27th Street, West Howard Avenue, and the south branch of the Kinnickinnick (KK) River. Properties in the district include two vacant auto dealerships, a retail mall, a trailer court, the historic Wildenberg Hotel, and a new CVS Pharmacy.

Plans for the district will be on-going, but will initially focus on the former Foster Pontiac dealership at 3636 South 27th Street, which is proposed to be converted into a Buffalo Wild Wings restaurant and additional retail space. The district was created in 2010, but amended when the original project could not secure financing. The project plan now provides funding for a median cut in South 27th Street to provide access to the site, and assistance with landscaping along South 27th Street and the KK River which borders the project on the east.

Other key components of the district include redevelopment of the trailer court at 3774 South 27th Street and the Wildenberg Hotel. Also, another vacant auto dealership at 3804 South 27th Street is being considered for conversion to retail space.
