**Project description**

This district was created in 2002 to support environmental remediation at a former paint manufacturing plant located at 5375 South 9<sup>th</sup> Street. Prior to cleanup, the property sat vacant and tax delinquent for more than 13 years. A loan of \$760,000 from the City of Milwaukee's Brownfield Revolving Loan Fund contributed to the \$1.3 million environmental cleanup. The City loan is repaid from property tax increment.

The loan leveraged \$1,300,000 of private investment in the rehabilitation of an 8,400 square foot industrial building and the construction of a new 33,000 square foot industrial building. Three industrial users now occupy the site: Xcel Connection, Marshall Erecting, and Lone Wolf – creating 36 new jobs.

District incremental values have changed as follows:

Year	Incremental Value	Change
2011	\$ 1,930,900	33%
