

# The Mercantile Building

## 220 East Buffalo Street

This street-friendly redesign of a classic Third Ward building enlivens and enriches the urban context by creating inviting storefronts, a striking round-the-corner ramped entry, and interactive facades with receding and advancing elements that wrap the building.

*This certificate is presented in an ongoing effort to recognize design excellence throughout Milwaukee. Recipients have added value to their neighborhood by restoring, constructing or enhancing their properties in a way that respects the urban fabric and contributes to the character of their surroundings.*
