

12th Annual
MAYOR'S
 DESIGN
AWARDS

234 W Florida

234 W Florida Street

Developer: Pieper Properties

Take one sooty old warehouse building in the growing 5th Ward. Clean it up so the Cream City brick glows again. Add one glass curtain wall. The result: a great old building has a new life with one foot in the 19th century and one in the 21st.

Tom Barrett
