Both the "Rehabilitation and Technical Specifications and Performance Standard for the City of Milwaukee - February, 2006" and the "NIDC Addendum to Specifications," dated 8/23/07 & 5/13/08, are incorporated into this scope by reference. These items provide an outline of materials requirements & performance expectations. Updated copies can be obtained from NIDC @ 809 N Broadway-3rd Flr.			
Standard Window Treatment: Any task that disturbs a previously painted surface shall be performed by properly certified personnel and requires Milwaukee Health Department notification. Standard window treatment and window replacement shall be performed by properly certified personnel and requires a Milwaukee Health Department permit.			
Miscellaneous: The contractor is responsible to field verify all measurements, the amount of materials needed, and the number of windows in the building. If any item in this scope calls for a certain manufacturer, model number, or approved equivalent of a particular item, and that item is to be substituted, both NIDC and the owner must approve the substitution in writing as a part of the contract.
