CITY OF MILWAUKEE – NEIGHBORHOOD IMPROVEMENT DEVELOPMENT CORPORATION (NIDC)
CONTRACTOR RESPONSIBILITIES UNDER SECTION 3

What is Section 3?

Section 3 is enforced by the U.S. Department of Housing and Urban Development (HUD.) Section 3 seeks to ensure that low income residents of the local community have access to the employment and contracting opportunities created by HUD funded programs. NIDC supports and encourages HUD's Section 3 goals.

What projects are subject to Section 3?

If you are a contractor who receives an NIDC contract for more than \$100,000, your project is subject to Section 3 requirements and you have certain responsibilities to comply with Section 3. Whether or not your bid on this project is over \$100,000, NIDC requests that you and your subcontractors fill out a "Section 3 Business Certification Form."

What are Contractors' responsibilities under Section 3?

If you are a contractor who, in a single contract, receives more than \$100,000 of Federal funding through NIDC, the following requirements apply to your project and will be included in the contract (See attached "Section 3 Clause" for language which will be included in contracts):

- Include the "Section 3 Clause" (see attached) in all contracts with your subcontractors on this project.
- Submit a "Section 3 Business Certification Form" and require all subcontractors working on a NIDC funded project to submit a "Section 3 Business Certification Form."
- Strive to meet the Section 3 Business participation goal of at least 10% of the total dollar amounts of construction contracts or subcontracts associated with this contract are awarded to Section 3 Businesses (the definition of a Section 3 Business is below).
- If this contract results in you or your contractors/subcontractors hiring **new employees**, you and your contractors/ subcontractors must attempt to identify and hire qualified Section 3 residents (the definition of a Section 3 resident is below) to fill these positions. "Attempt" means efforts such as recruiting low-income residents through local advertising media, displaying signs at the project site, contacting area community and workforce development organizations, or similar methods. If new employment opportunities are created as a result of this project, NIDC will require documentation of the steps you and your contractors/subcontractors took to identify and hire qualified Section 3 residents.
- Submit a Section 3 Participation Report at the conclusion of each project.

What is a Section 3 Business?

Section 3 Businesses are one of the following:

1. Businesses that are 51% or more owned by Section 3 Residents.
2. Businesses where at least 30% of employees are currently Section 3 Residents, or were within three years of the date of hire.
3. Businesses that commit to and document that at least 25% of the dollar amount of all subcontracts associated with its work on a project will be carried out by businesses which meet one of the two above criteria.

Who is a Section 3 Resident?

Section 3 Residents are:

1. Residents of Public Housing or
2. Individuals that reside in the City of Milwaukee and whose household incomes do not exceed the thresholds below.

(Income levels effective January 1st, 2012)

Family Size:	1 Person	2 Persons	3 Persons	4 Persons	5 Persons	6 Persons	7 Persons	8 Persons

Is there a current list of Section 3 Businesses?

There is no current list of Section 3 Businesses in the Milwaukee Area. Currently, NIDC relies on businesses self-certification to determine whether or not a business is a Section 3 Business. While the criteria are not identical, many City of Milwaukee certified Emerging Businesses Enterprises (EBEs) may also qualify as Section 3 Businesses. A list of EBEs is available at: <http://www.city.milwaukee.gov/EmergingBusinessEnte1389.htm>

If you or your sub-contractors are seeking a referral source for qualified Section 3 Residents to be considered for new employment opportunities arising out of NIDC funded projects, please contact the Wisconsin Regional Training Partnership at 414-342-9787 or the Milwaukee Area Workforce Investment Board at 414-270-1700.

If you have additional questions about Section 3 requirements, please contact NIDC.
