City Plan Commission
809 North Broadway
Milwaukee, Wisconsin

May 11, 2012

DEAR PROPERTY OWNER:

The Common Council has referred file number 111482 to the City Plan Commission for recommendation. This file relates to the Second Amendment to a Detailed Planned Development (DPD) known as Park Place - Stage 14, on land located on the north side of West Calumet Road, east of West Park Place, in the 5th Aldermanic District. Due to extensive flooding that occurred at their current location, WCGV My 24 and WTV CW 18 proposes to relocate their facilities to 11520 West Calumet Drive. This amendment was requested by Milwaukee Television LLC, and will allow for installation of a 150 foot tall television relay link structure and approximately 8 ground level satellite dishes on the site. The television relay link structure, which will be attached to the east façade of the building, will create a wireless link to the station's broadcast site on North Humboldt Avenue. The satellite antennas, used to capture the signals for the stations, will be located southwest of the existing building and parking lot. The applicant will make structural repairs, such as roof replacement, to the existing building. No additional changes will occur to the exterior of the building. **Please refer to the reverse side of this notice for map details.**
