WALKER

MINERAL

WASHINGTON

SCOTT

Project Timeline

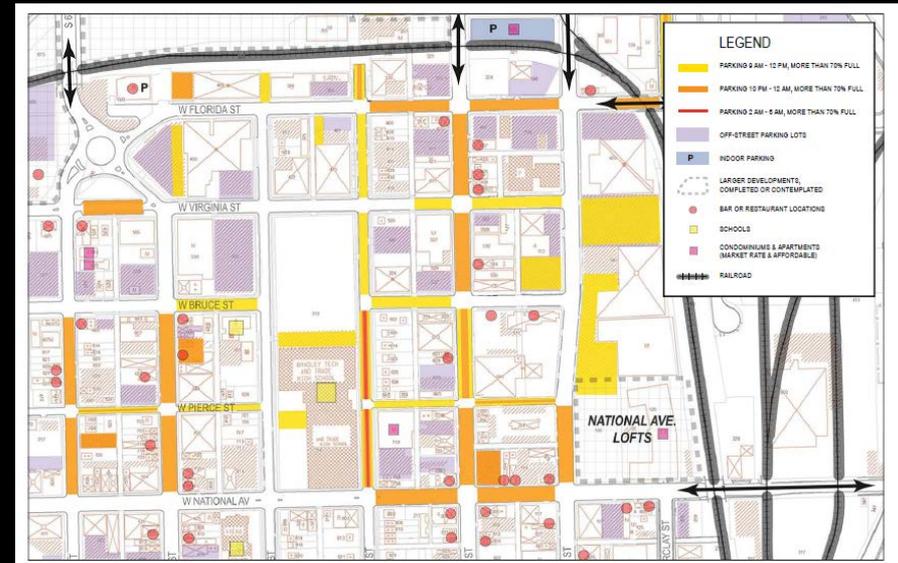

- 2014 - 2015: Scheduled 5th St. repaving delayed pending Walker's Point Action Plan completion and community determination on street design.
- Spring 2015: Walker's Point Action Plan completed
- June 2015: Presented paving options to community
- July 2015: Gathered community input
- August 2015: Select street design option

Project Timeline

- September 2015: Tax Incremental District project plan presented to Common Council.
- Fall – Winter 2015: DPW design and engineering, including working with businesses to address concerns (parking, access, etc.)
- Spring - Summer 2016 – Begin street reconstruction (3 – 4 month construction period)

GRAEF Parking Study (2014)

- Emphasize shared parking
- Neighborhood valet
- Reduce free or low-cost on-street parking
- Eliminate assigned, off-street spaces
- Incentivize alternative transportation modes
