

# Recent Development in the Northwest Plan Area

June 2010

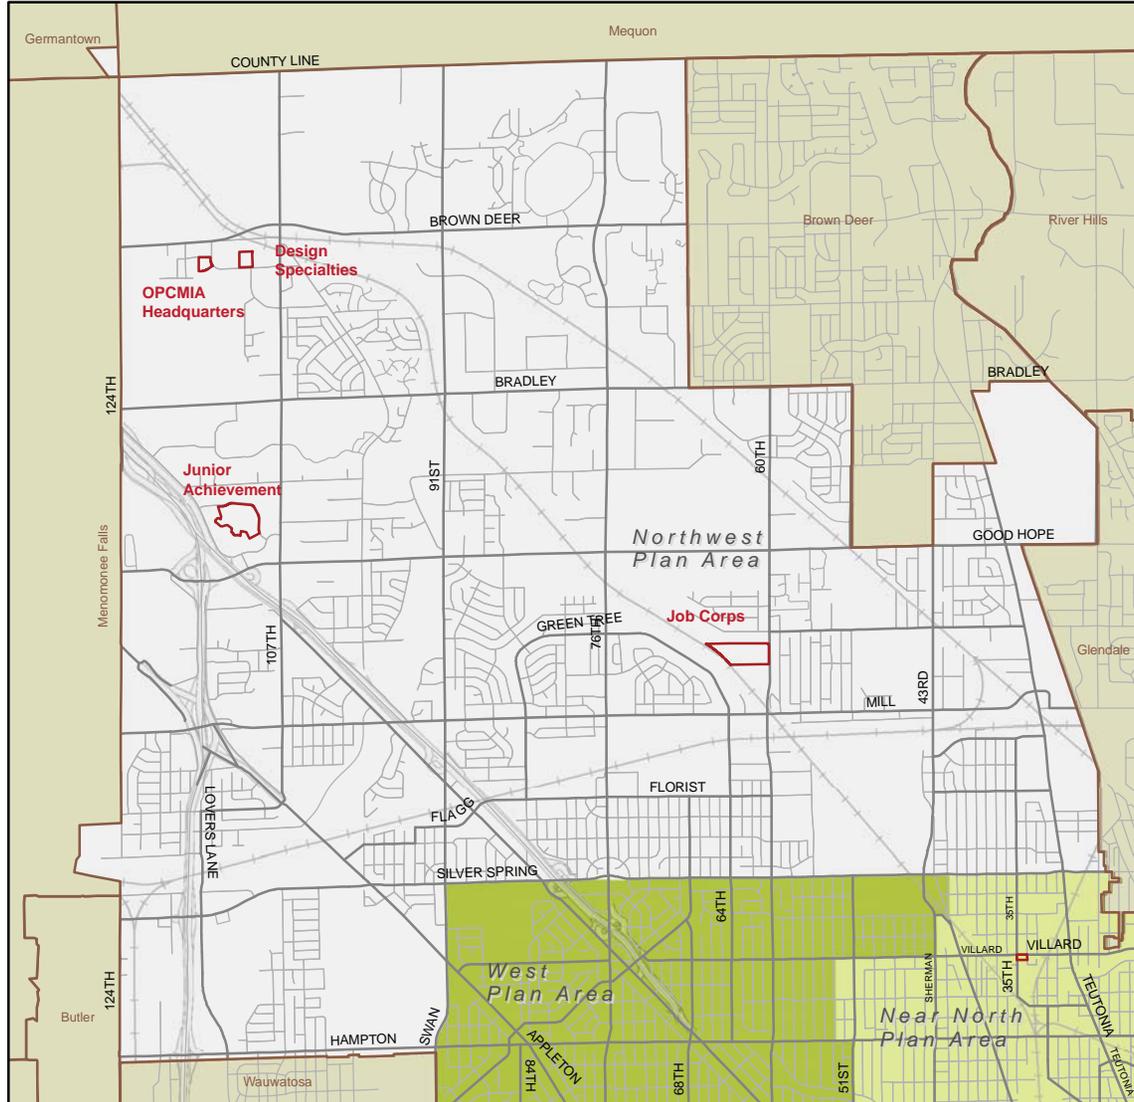

**Junior Achievement**  
11111 West Liberty Drive

Junior Achievement of Wisconsin is planning to construct a 40,000 square foot headquarters building with space for their school-age children's programs. Construction is anticipated to be completed in 2011, at which time Junior Achievement will move from their current location in Glendale.

**OPCMIA Headquarters**  
8701 N Lauer Street

Construction was completed in 2010 of a 10,000 square foot office building and training facility for Local 599 of OPCMIA, the Operative Plasterers' & Cement Masons' International Association. The building won a Mayor's Design Award in 2010.

**Job Corps**  
6665 N 60th Street

The US Department of Labor is building a \$28 million Job Corps facility on 25 acres of previously vacant land in the Green Tree Business Park. The facility will include vocational training shops, academic classrooms, dormitories, a cafeteria, and recreation facilities and is expected to open in Fall 2010.

**Design Specialties**  
11100 W Heather Avenue

Design Specialties constructed a new 40,000 square foot facility for manufacturing custom, high quality glass fireplace doors. Design Specialties received a \$500,000 MEDC loan in 2008.
