A. Purpose

This Historical Land Use Investigation (HLUI) of 6280 S. 13th Street., Milwaukee, Wisconsin, was requested by Yves LaPierre, Real Estate Analyst, Department of City Development, City of Milwaukee. The purpose of this HLUI is to identify potential environmental conditions associated with the property. For the sake of brevity and convenience, this property will be referred to as the “project site”, unless noted otherwise.

B. Brief Description

The project site is located in the Maitland Park Neighborhood on a block bound by West Ramsey Avenue to the north, West College Avenue to the south, South 6th Street to the east, and South 13th Street to the west. The project site is currently a vacant, corner lot. The general area around the project site is shown on Figure 1, and project site dimensions are presented on Figure 2. Figure 3 presents an aerial photograph of the project site.

The following table presents relevant information regarding the project site:

Address	Tax Key #	Bldg. Size	Lot Size	Zoning*	Owner
6280 S. 13 th Street	688-9969-110	N/A	20,709 sq. ft.	LB1	City of Milwaukee

*IO2= Local Business District

 4. According to the Southeastern Wisconsin Regional Planning Commission's (SEWRPC) Wisconsin Wetlands Inventory, wetlands are not identified within the project site. In addition, according to SEWRPC, the project site is not located within an environmental corridor.

E. Project Site Inspection

On March 7, 2008, City staff conducted an inspection of the project site. A photographic log of the project site is included as Attachment A. The project site is currently a vacant lot located on the northeast corner of S. 13th Street and W. College Avenue. The project site had approximately three inches of snow coverage at the time of the inspection. The area surrounding the project site consists of a restaurant/parking lot to the north, a hotel/parking lot to the east, commercial uses (including a hotel and gas station) to the south, and a gas station to the west.

F. Additional Information

Historic Land Use Investigation
6280 S. 13th St., Milwaukee, WI

The project site is located in a Waste Disposal District. The Oak Creek Drainage Channel is located to the northeast of the project site. Surrounding the project site to the north and east is a large area used as a Salvage Yard, as well as several large manufacturing facilities. A railroad line is located approximately 1/4-mile east of the project site and Interstate 94 is located approximately 1/3-mile west of the project site. In addition, the project site is located in the Airport Gateway Business Improvement District (BID 40).

G. Findings and Conclusion

This HLUI of 6280 S. 13th Street does not raise any potential environmental concerns. Based on the available historical land use information, a Phase I Environmental Site Assessment (ESA) does not seem warranted at this time.
