

CONSTRUCTION DEBRIS CHARGE

On January 2nd 2014, the City of Milwaukee Self-Help Centers will begin charging **\$20 per load for any waste defined as “Construction Debris”**.

Construction Debris is defined as waste resulting from construction or demolition, alteration or repair, including excavated material (dirt). This includes, but is not limited to:

- Roofing material
- Brick & Block
- Stones
- Concrete
- Lumber
- Dirt
- Drywall
- Paneling
- Flooring materials

Items Not accepted: Painted bricks, painted blocks, painted concrete, asphalt, or concrete containing iron rods.

Roofing material, bricks & block, concrete & stones, and dirt must be completely separated for placement into the boxes designated for those materials. Vehicles with inseparable loads of construction waste will not be allowed access. Flooring materials include carpeting, padding, tiles, and hardwood flooring.

Load Size is defined as up to **8 cubic yards**, which is approximately the size of a standard 5 X 12 foot trailer with debris stacked less than 4 feet high. Loads in excess of 8 cubic yards will be charged for two loads. No vehicle, with or without a trailer, will be allowed access if carrying debris in excess of 16 cubic yards. Any vehicle carrying mixed loads of Construction Debris and other types of waste will be charged \$20 per load.

For safety reasons, we will not allow vehicles with unenclosed construction debris exceeding 4 feet in height access to the Self-Help Center. Please ensure that debris is stacked or piled **no higher than 4 feet high** if it is being transported in an unenclosed trailer or pick-up truck bed.

This service is only available to City of Milwaukee residents with a valid, state-issued ID. **NO CONTRACTORS OR INDIVIDUALS PERFORMING COMMERCIAL SERVICES ARE ALLOWED!** Certain vehicles will not be allowed access to the Self-Help Centers. These vehicles include, but are not limited to vehicles:

- bearing any type of business or commercial name, logo or contact information
- with ladders or side-walls
- with dual rear-axles
- Flat beds
- with non-verifiable contents
- The City of Milwaukee reserves the right to refuse entry to any vehicle
