Department of Public Works Sanitation Crews to Work Extended Hours This Week Including Saturday, January 11

Department of Public Works (DPW) Sanitation crews will work extended hours Wednesday, January 8 through Friday, January 10 to collect garbage and recycling in the City of Milwaukee. Crews will also work this Saturday, January 11 to catch up on collections suspended due to the dangerously cold temperatures.

Residents are reminded to shovel a path to and around all carts to help ensure that there are no disruptions with garbage and recycling collection service delivery. Christmas trees should be placed at your curb or alley collection point for pick-up. Residents can also recycle their old trees by taking them to a City Self-Help Center.

City residents are encouraged to check online for their next scheduled garbage and recycling pick-ups at http://mpw.milwaukee.gov/services/garbage_day. In addition, residents can call 414.286-CITY (2489) for collection information.

Go to www.city.milwaukee.gov/mpw for more information on all DPW services, including the Self-Help Centers.
