DATE: April 10, 2017  
TO: Property Owners of the City of Milwaukee  
SUBJECT: Public Information Meeting

Project I.D. 2190-00-00  
West Wisconsin Avenue  
35<sup>th</sup> Street to 20<sup>th</sup> Street  
Milwaukee County

Project I.D. 2190-00-01  
West Wisconsin Avenue  
38<sup>th</sup> Street to 35<sup>th</sup> Street  
Milwaukee County

Dear Property Owner:

The City of Milwaukee Department of Public Works (DPW) is inviting you to attend a public information meeting where we will provide information regarding the proposed improvements along West Wisconsin Avenue between 38<sup>th</sup> Street and 20<sup>th</sup> Street. The reconstruction project is scheduled for 2018.

The meeting will be held on Wednesday, May 3rd from 5:00 PM – 7:00 PM in Room 227 at the Alumni Memorial Union at Marquette University which is located at 1442 West Wisconsin Avenue. The meeting will follow an informal open house format with representatives from the City of Milwaukee Department of Public Works available to answer questions. The public meeting facility is wheelchair accessible. Hearing impaired persons needing assistance may call the Wisconsin Telecommunication Relay System (dial 711). To allow time for arranging assistance, please call no later than three working days prior to the meeting.

This meeting will focus on updates to the project since the original public informational meeting held on May 20, 2015. The team will provide refined information regarding the typical section of the roadway, historic buildings, access revisions, construction staging, and the anticipated construction schedule. Staff will be on hand to discuss and receive information from property owners on vehicular and pedestrian access needs during construction. Information regarding support for businesses will also be made available.

If you are unable to attend the meeting or would like more information, please contact the Project Manager, Mr. David Tapia at (414) 286-2453 or by email at [dtapia@milwaukee.gov](mailto:dtapia@milwaukee.gov).

Sincerely,

Jeffrey S. Polenske, P.E.  
City Engineer
