Commissioner of Public Works

Laura Daniels
Director of Operations

Winter Parking Regulations Begin Thursday, December 1

Regulations in effect December 1, 2016 – March 1, 2017

Winter parking regulations for the City of Milwaukee take effect Thursday, December 1, 2016 and remain in effect through Wednesday, March 1, 2017.

During this winter period, most residential streets require alternate side night parking, but there are exceptions to the rule. For example, overnight parking is prohibited on major arterial streets and bus routes. These streets are **not** posted “no overnight parking.”

Posted parking rules take precedence - check for posted signs FIRST for winter parking regulations on those streets where you plan to park. Go to milwaukee.gov/services/winterregs for more information on all winter parking rules – posted or non-posted - or call (414) 286-CITY (2489).

Additionally, some City streets are part of the 48-Hour Parking Exception Street program. For more information on overnight winter parking rules on these streets, please see a separate press release.

The Department of Public Works offers a text message alert system called **Snow Mobile-Winter Text Alert**, which informs subscribers when the City declares a plow operation and/or a snow emergency. Sign up for this alert at milwaukee.gov/mpw - look for this logo:

Prefer an email message? Sign up through E-Notify at milwaukee.gov/mpw to receive an email when a DPW plow operation and/or a snow emergency is declared.

Avoid parking citations or a tow! The Department of Public Works encourages City residents to follow the winter parking regulations, which will help our crews remove snow effectively, efficiently, and safely this winter season.
