

NOTICE OF PUBLIC INFORMATION MEETING

The City of Milwaukee, Department of Public Works (DPW), is inviting you to attend a Public Information Meeting where we will provide information regarding the proposed improvement of West Hampton Avenue from North Teutonia Avenue to North Green Bay Avenue. Bike lane accommodation within the project limits will also be discussed. The project is proposed for construction during the summer of 2014.

The meeting will be held on Wednesday, June 27, 2012, from 5:00 pm to 8:00 pm at Lincoln Park Blatz Pavilion Upper Level, 1301 W. Hampton Avenue Milwaukee, Wisconsin. The meeting will be in an “Open House” format and no formal presentation will be made. Representatives from the City of Milwaukee DPW will be available to answer questions.

The proposed improvement of West Hampton Avenue project consists of removing the existing roadway and replacing it with 8-inch concrete pavement. All curb and gutter and driveway approaches will be replaced. Sidewalk will be replaced as necessary due to condition or grade differential. The roadway width will be increased from 34 feet to 35 feet and bike lane will be provided in each direction.
