Come on out and see what we are all about!

Have you always wanted to be a part of something bigger than yourself? Do you crave camaraderie, friendship and excitement? Do you like thinking on your feet and acting fast? Do you enjoy the sense of accomplishment after a hard days work? Are you always the one lending a helping hand in your neighborhood? Do you take pride in working out and being in great shape? If you answer YES to any of these questions, the Milwaukee Fire Department Explorer Post may be just the place for you! The Explorer's offers a fast paced and exciting way to find out more about yourself, your friends and if the fire service may be a career for you. We generally meet the first Saturday of every month. Come visit us at our open house and see what we have to offer. Bring your parents, bring a friend but come on in and sign up!
