

Honey Creek Clean-up

ELEVENTH ANNUAL

Saturday, April 20 • 9:00 a.m. – Noon

Each April during Earth Day celebrations, volunteers donate a few hours to clean-up and preserve Honey Creek while learning the importance of watershed health and stewardship. The clean-up promotes community service and builds community pride, and it is a great opportunity for children to be involved with the environment. This is a great event for Boy Scout and Girl Scout troops to earn community service hours.

As part of Keep America Beautiful's Great American Clean-up, our country's largest annual community improvement program, local groups focus clean-up efforts in southeastern Wisconsin. These groups include Milwaukee Riverkeeper and CH2M HILL. Last year, more than 3,900 volunteers removed 22 tons of garbage in the southeastern Wisconsin area clean-up.

What We Do

Rain or shine, we remove trash and other debris in Honey Creek and along Honey Creek Parkway between State Fair Park in Milwaukee and Hart Park in Wauwatosa.

We Will Provide

- FREE t-shirts
- Gloves, garbage bags, and other useful supplies
- Coffee, juice, donuts, and other snacks
- FREE passes to the Milwaukee County Zoo, golf courses, and other coupons

You Should

- Wear old clothes. Waterproof items are the best for working in the creek.
- Encourage friends, family, and co-workers to participate.

Contact Brent Brown to register as a volunteer and if you have any questions: 414.847.0393 or brent.brown@ch2m.com

Walk-ins are welcome, but please RSVP by Friday, April 12th to be sure we have enough supplies.

Meet at the CH2M HILL parking lot (135 S. 84th St., Milwaukee, WI) at 9:00 am on Saturday, April 20th.
