Asbestos containing materials and lead can be present in many components of the home with the potential for hazardous health effects for workers and occupants. Understanding rules and requirements related to these potential environmental hazards will assist contractors and consultants to properly work around hazardous materials.

### Information for Me<sup>2</sup> or Green Madison Contractors

Contractors providing services through the Me<sup>2</sup> or Green Madison initiatives are required to have all on-site workers complete Environmental Hazard Awareness training (or equivalent). If you have questions regarding contractor requirements for these programs, contact Cindy Mobury at WECC via phone at (608) 729-6833 or email to [cmobury@weccusa.org](mailto:cmobury@weccusa.org).

### Registration Fee(s)

The registration fees for the Environmental Hazardous Awareness training are as follows:

- Full Course – Both Lead & Asbestos Awareness - \$149**
- Lead Awareness Only\* - \$99**
- Asbestos Awareness Only\*\* - \$99**

Payment in advance or at the day of the training is required. Checks can be made payable to WECC for your registration fee and please note "Enviro Haz" in the check memo line. Sorry no credit cards are accepted. Mail payments to WECC, 431 Charmany Drive., Madison, WI 53719.

### Registration Information

Register early as class size is limited for each location. Submit completed registrations to Becky Jones at WECC via fax at (608) 310-8090 or email to [beckyj@weccusa.org](mailto:beckyj@weccusa.org). Complete one form for each participant. A confirmation letter will be sent via email or fax prior to the training. All other costs associated with travel, meals, and lodging will be the responsibility of the participant/company.
