Home Performance Trade Allies

- Full Service**
Insulation/Air Sealing
Electric
HVAC
Plumbing/Water Heating
Solar Electric
Solar Hot Water
Asbestos Abatement
Focus on Energy Contractor

Homeowners may select any consultant or contractor from the lists and are encouraged, but not required, to get three bids for services. The Focus on Energy symbol only designates that the contractor is registered with Focus as a trade ally, not that the homeowner is guaranteed the Focus incentive. The Me2 program is not responsible for ensuring Focus incentives for any project. Homeowners are responsible for working with their contractor(s) to see if they qualify for any other incentive programs.

NOTE:

These contractors conduct home energy assessments. They also complete insulation and building shell improvements.

For a complete list of contractors, including electricians and mechanical contractors that can complete all the upgrades suggested in your energy assessment, click here:
